DRAMATISTS TO PRESENT SERIES OF ONE ACT PLAYS

That a series of six one-act plays to be presented soon by members of the Salem High Dramatists Club was recently announced by Miss Lillie.

Each play will be directed by a student, probably one who has had past experience with the play. The student directors are necessary, many delinquent members may benefit through their participation in these plays. One play which has been selected is "Hindubird," the second prize winner at last year's one-act play contest presented by Harvard College.

SCHOOL TO OBSERVE JANUARY 15

State Temperance day will be observed in all Salem schools January 15.

Each school will observe it by conducting an appropriate program as it is prescribed by the law. In this program, special emphasis will be placed upon the evil influence of alcoholic beverages on growing pupils.

Do You Use the Library?

There is one room in our school building which is packed full of trinkets, knickknacks, and trimmings. Here one may find the makers of many happy, useful hours.

He may find the story which in­spired the moving picture; records of the achievements of the greatest heroes in time; hints from men who have succeeded in life; facts which will carry ideas to the mind of his dreams. There is something for everyone.

Those who have already discov­ered this wonderful world of books are fast friends and couldn't be kept away now.

Some night after school drop into the library and look around. There are books for athletes. There is a book about your hobby written by Christian Roth is assistant manager. If you remember how it felt before the ring lay on your finger. It is a correction of news chem­ined in the junior column two weeks ago.

The following juniors have won positions on the Salem High boat: first squad of books wide and deep.

On the boys' varsity squad are Frank Gallr, Purn Sidinger, Bill Hilger, Frank Irving, Herron, Bill Holland, Gordon Keyes, Wayne Russell, Christian Roth is assistant manager. On the other varsity squad are Ruth Jones, Mary Weetst, Mary Keverseh, Jean Both, Herron, Elva Bird, Betty Cappell, Jean­nette Geppel, Mathilda Murray, and Virginia Keverseh. Jean Herrwood is assistant manager.

SOPHOMORE NEWS

Semester exams are nearing and with them come (and) memories of freshman days. As the class of '34 looks back on its freshman year it remembers how it felt before the mid-year exams, and with these thoughts in mind it wishes to en­courage the freshmen who, no doubt, are looking forward with great anxiety to the coming event.

A NEW FIND

Do you know that there was a jumping Joe, on the field football team? While in the net, Connie put two of Mary Weetst's vegetables out of place.

SOME CLASS NOTES

SENIOR NEWS

A committee composed of Lionel Smith, Mary Lou Scullion, Marye Lou Miller, Leon Stodd, and Andrew Vinker chose the stationery for the class of '32 at a meeting held last Thursday.

A report of the treasurer, Mary Lou Scullion, shows that $92.63 was made on the junior play. The senior fund on January 1, 1932 was $85.01.

JUNIOR NEWS

The junior class held a meeting last Friday at 6:30 p.m. in order to discuss the question of jewelry.

Three rings were put on display in the show case on the second floor and pupils were given until Tuesday to decide which ring they wanted.

A fifty cent deposit is re­quired when your rings are ordered and you are asked not to order the pin unless you are sure that it will be possible for you to pay for it because of the depression.

If any pupil is unable to buy the ring now, you can order it in time.

Initiation of new members featured the regular meeting of the General Science Club last Tuesday. Lester Haufling gave some very timely advice on the "right" thing to do with girls, which was greatly appreciated by everyone especially the boys.

Dick McEwen argued as to whom was better a boy student or girl student. Other talks were given by Dale Herroon and Betty Thurrow.

Members of the club were guests of Mulline Company Thursday afternoon on a trip through the factory. This was the first of several trips to be made this year.
