

Mar. 13th Set For Annual Band Concert

Brautigam Chooses Date; Program To Be On Patriotic Theme

Members of the Salem High School Band are now rehearsing for their annual spring concert which will be held on Friday, Mar. 13 and will feature a patriotic theme.

Some well known patriotic numbers will be presented including, "Adoration March" which features the well known melody "America the Beautiful," Sousa's "Stars and Stripes Forever," a group of world war songs, including "Goodbye Broadway, Hello France," "The Rose of No Man's Land," "K-K-K-Katy," "Johnny Get Your Gun," and "Over There."

The fluorescent lighting which was presented in football season will have a part on the program, and Mr. Brautigam will direct the band in the required number for the district band contest which will be held on March 21 at Bellaire, Ohio. This number is "Raymond Overture" by Thomas.

A few of the participants for the district solo and ensemble contest on April 11 have been chosen and more students are preparing to try out for this event.

Mizer Fills Position Vacated by Thomas

Mr. Orrin J. Mizer has been appointed by the Salem City Board of Education to take the teaching position at McKinley school, vacated by Mr. Clyde Thomas who resigned to join the Army Air corps.

Mr. Mizer is a graduate of Kent State university and has had four years of teaching experience in Tuscarawas county in southern Ohio. In addition to regular teaching work, he is interested in basketball and baseball, the athletics in which the grade schools participate. He began teaching the McKinley fifth and sixth grade classes on Friday, January 30.

Varsity S Presents Pep Assembly On Friday

In preparation for the annual basketball game between Salem and East Liverpool a pep assembly was held last Friday in charge of the Varsity "S" club.

Mr. Robert Campbell, former Salem High athlete, gave a short address on the rivalry connected with the East Liverpool game. Bruce Krepps and his "Rhythm Ranglers" furnished the entertainment with a number of musical selections. The group consisted of Bruce Krepps, John Botu, Bob Enriken, Dick Stone, and Martin Juhn.

The cheerleaders led the student body in several cheers after the program was opened with the singing of "God Bless America."

Jaycees To Bring Novel Assembly To S. H. S. Students

To aid the federal government in the national defense program, the Salem Junior Chamber of Commerce will present a program featuring Mr. William (Bill) Ross, magician, for local school students on Tuesday afternoon at 3:30 in the auditorium.

Admission will be 25 cents. Upon presenting the ticket at the door, the student will receive a 25-cent defense stamp.

The show will be approximately three-fourths of an hour long.

Tickets may be purchased in the home room.

A count was taken this morning in all schools to determine the number of students who will attend the show. If more than 800 tickets are sold, there will be a separate performance for the grade school pupils at 3:30 Monday.

Senior Stand Continues To Break Records

The Senior stand broke another record last Friday night, taking in \$32, it was announced by Ben Ware, president of the senior class. This amount was not profit, however.

Those on the committee for that night were: Virginia Mayhew, Bill Probert, Jo Adele Mounts, Marie Kastenhuber, Irene Schmidt, Joan Bevans, Mamie Equize, Lois Hoover, Homer Asmus, and Ben Ware.

Eleven Salem High Boys Tell Of 'Bloody' R. C. Experiences

Almost everyone has noticed the precautions being taken, in case of a local emergency. A list has been made of all those in Salem, willing to lend cots, blankets, etc., if they should be called upon to do so. The whole situation seems quite remote to the average high school student, until things start to move in the community and school.

More closely connected with S. H. S. than the cot and blanket proposition, is offering oneself as a possible blood donor. To find out the particulars, ask any one of the boys who were tested recently. (Dick Burcaw, Bob Enriken, Sidney Simon, Bill Dunlap, Charles Gibbs, Ben Ware, Carl Capel, Phil

Comment On W.S.T.

In conforming with the policy of keeping abreast with the latest developments "The Quaker" has asked several inhabitants of Salem High for their opinion of W. S. T. in case you know that it's the abbreviation for war savings time you're one ahead of Noah Webster).

MR. HERBET JONES claims the country will be healthier due to W. S. T. Since people will get up earlier when the air is still fresh and pure, they will inhale fewer impurities and more health giving oxygen. He also ventures to say that Mr. Cope and his boys will have a good season this year with the abundance of fresh air floating around. REGIS STIFFLER, BILL STRATTON, and a few others from the suburban regions claim that their livestock are having a dreadful time. On the Stiffler farm the cows are so nervous that they give butter instead of milk.

"TUT" GUAPPONE exclaimed: "I'm all for it." The new time is also a boom to owners of jalopies who had to reach port by 6:60 p. m. or be stranded along the highway without a tail light. In this category belong WALT KRAUSE, HOWARD NULL, BILL BENSON, BOB CIBULA, and BOB IREY.

"It's just what I need," said RACHEL KEISTER, "now I'll get more work done since I get up an hour earlier."

THOUGHT FOR THE DAY...

When you're on deck reporting.
When Classmates are reciting
A yawn is not so sporting;
You wouldn't like to see it
When you're on deck reporting.

KEEPING IN THE PINK...

On one of the snowiest and coldest days of the year, Terry (I'm the outdoor type) Atkinson, and three other fems, namely Pat Keener, Donna Schafer, and Molly Schmidt decided that they would do something outstanding. So Terry got the convertible, put the top down and they drove around freezing to death. Now we just call them The Four Snowy Drips.

WHERE ARE THE INKWELLS???

When Tiny Schell and Esther Miller come to school with pig-tails, the only things the boys that sit behind them yearn for are some inkwells. "Tubby" Shasteen got tired waiting for the ink so he proceeded to pull. The blood curdling shrieks you heard were just Tiny yelling in pain.

TO THE JUNIOR CLASS...

You, the class of 1943 are very lucky in the respect that you will not have to hire an out of town orchestra for the prom. We seniors are very willing to give you the idea of having home talent this year. . . The Five Firecrackers composed of Bruce Krepps, "Slats" Entriiken, John Botu, Dick Stone, and Martin Juhn are all you need at the annual affair. . . Think of the money that you will save too. The decorations will be twice as good then. . . Don't forget to think about it. . .
Signed. . . The Class of 1942

S's BEFORE YOUR EYES...

Last Friday on the stage when the Varsity S (men?) had the assembly there were really a lot of Varsity S's on the black sweaters. . . The only two without that should have had them were Mr. Brown and Mr. Overturf.
Sneezy Snyder almost got up and did an exhibition of a jitter-bug when the boys got their instruments jiving.
Between the Harry James Entriiken and Botu, and Gene Krupa Krepps the assembly was really jumpin'. When you looked down a row of seats everybody's feet were moving.

WAIT 'TILL HIS VOICE CHANGES

It seems that young Jack Rance has faded into the dim past of 2,000 years ago. . . He is playing the part of Julius Caesar's wife in an English class dramatization. . . Maybe back then the men played feminine parts. . . They did some funny things. . .

CLOSING THOUGHT...

Now I lay me down to sleep.
I have not studied for a week.
If I should die before I wake,
What difference would it make?

SWEETS TO THE SWEET

Tomorrow is the big day when you can tell the girl of your heart that you want her for a valentine. . . Just get a penny valentine and mail it to her. . . She will appreciate any sentiment from you. . . Candy or flowers will also be gratefully received.

A Great Man's Advice

"With firmness in the right as God gives us to see the right, let us strive on to finish the work we are in." So said Abraham Lincoln, whose birthday was yesterday. These memorable phrases stir the heart, for in them is a hidden meaning and they teach that there is no greatness in recognizing right and wrong, but it is in the doing of good and the shunning of wrong that there is power. It is hard to do this, for often it seems easier to do the evil and the difficult than to do the good. But if we strive for, and attain right thinking and acting in the inconspicuous and unknown, then it will seem easy to do the right under the strain of great tests. So take heed to the word of our great president and in every act follow his advice until the task is finished.

To Sign Or Not To Sign

Valentine' Day comes once a year
Be sure to use it while it's here

To be signed or not to be signed, that is the question. By all means, sign 'em. Faint heart never won Handsome Hercules. If you can't put your name down in so many words, at least make yourself identifiable in some way.

Don't send one to some handsome Romeo who doesn't even have the faintest idea that you exist. He'll think you just escaped from the bug house and may spread the good news.

Never send those cruel, so called comic valentines. They've made so many people horribly miserable that they usually end up with self-consciousness.

Another thing, don't forget mother and dad. What do you know but that they'll think more of you and you may even get that new jacket you've been wanting.

How To Behave
In An Air Raid

Here are a number of things to do in case of an air-raid.

1. Stick your head under a pillow and yell until you are blue in the face—if you are blue when it is over—you'll know you're safe.
2. If you are caught at the following places follow instructions: In a bakery—Grab a pie; in a men's shop—Grab a tie; in a theater—Grab a blonde.
3. Build up the fire—You can camouflage yourself in a smoke screen.
4. Pull down your blackout curtains and lock all the doors—You can't see them, so they can't see you.
5. Always keep your bathtub full of water—Even if a bomb hits and goes off before you can get it to the tub, you died clean.
6. Walk through the streets with a tire. They wouldn't dare hit you, because of the rubber shortage.
7. Sing "Who's Afraid of the Ja-pansies"—through a public address system.
8. If you know of any wine cellar in the vicinity, run to it and drown your tears.
9. If you are hit by a bomb, don't go to pieces. Just stay as you are and the sanitation squad will clean you up.
10. Last but not least—Try and find the air-raid warden. He'll take you to the nearest shelter. He'll have to carry you if you've been through the above.

Sorry, but I only employ married men.

Do you happen to have a daughter, sir?

She—"I consider, John, that sheep are the stupidest creatures living."
He—(absent-mindedly) "Yes, my lamb."

Quakers Meet West, Alliance This Week; Reserves Face Hi-Y

Quakers Journey to Akron West Tonight, Minus Their Reserves, To Play Highly-Touted Five; Salem Battling for Eleventh Victory

The Quakers journey to Akron West minus their Reserves tonight to play a fairly highly touted five. The Salem Quintet will be playing for their 12th victory.

The Akron boys have lost four and have won 8. The future opponents got off to a poor start as they dropped two decisions in a row. Papus and Finney seem to be the big "booms" for Akron reaching high totals for their team each game. Finney played against Salem last year and led the Akroners in scoring.

The Akron five defeated Alliance by the same margin as did Salem, by only three markers.

The Salem Quakers will travel without their Reserves due to the fact that Akron is so far from Salem and on that same night the Reserves will play the Hi-Y in the annual tilt on the home floor. The freshmen will play a preliminary game to the Reserve-Hi-Y game.

This coming Tuesday evening the Quakers will face the Alliance Aviators for the second time this year since Salem and Alliance are such close rivals.

Alliance came out on the short end of the first game, 26-20.

Dick Geltz is to be watched Tuesday, as he paces the Aviators in scoring. Alliance will be minus their lanky center, Faulkner, as he graduated at mid-year. Alliance's record shows up very poorly as they have lost over half of their games, but the Aviators carry a rather tough schedule. The future opponents have lost the majority of their frays by just one, two or three points.

The Reserves will play the preliminary to the Varsity tilt. They will also be the underdog, as they were defeated by the Alliance second stringers earlier this season by a few points.

Reserves Snag 10th Win

The Salem Reserves, paced by Raymond "Butch" Wise, won their tenth fray of the season as they defeated the East Liverpool second stringers, 45-29.

The first quarter, East Liverpool trailed, 10-9; at intermission Salem led, 24-18, and the third stanza Salem led, 35-23.

The Salem lads were not to be frowned upon as they took the lead at the first opportunity they were offered, and held on to it the entire game.

Ray Wise seemed to have the eye as he hooped five field goals. Phil Cozad assisted with nine points as he knifed the cords for two field goals and five free throws. "Bird" Culberson was close behind the high pointers with eight markers.

Pennybaker looked the best for the losers as he led the visitors with nine points.

A day for toll, an hour for sport
But for a friend, life is too short.

Quakers Drop East Liverpool Tussle By 61-34 Score

Volio Was Local High Pointer; Lose Two Players On Fouls

The Salem Quakers added their fourth setback of the current season to their records, as they folded under a strong East Liverpool five, 61 to 34, last Friday on the home floor.

The Salemites battled the Potters on even terms the first frame as Salem trailed by only two points.

The second quarter, the Quaker drive faltered considerably as they tallied but six points while their opponents were busy collecting 13 markers, the result at intermission being Liverpool 27, Salem 18.

As the third stanza commenced, the Ceramists again began to hit the hoops, to stop any kind of a fourth quarter drive by the Quakers. John Volio gathered up five points this chapter to boost his total for the evening.

The last quarter the visitors turned on the heat as they hooped 18 points to push up the final score to 61-34.

In this stanza the Brownmen lost two players on fouls but it proved unimportant as Salem trailed too far behind.

Treleven proved to be no slouch as he led the Potters' powerful splurge with 22 of East Liverpool's 61 points.

Cumming also looked exceptionally good as he registered a dozen points to his total for the evening.

John "Bullet" Volio proved to be the local high pointer as he garnered 12 points. "Tut" Guappone slipped in seven points to assist Volio.

Sam "Fox" Pridon and Carl Capel each managed to register five points. Capel played but nine minutes of the 32.

This game most likely decided the county championship with East Liverpool coming out on the long end.

Quakers Take Game, 42-28

The Salem High roundballers won their 11th victory of the season as they trampled Wellsville, 42-28, last Tuesday evening. The Salemites got off to a flying start and were never overtaken.

At the end of half time, the Quakers were leading, 24-13.

Bob Scullion showed outstanding passing ability, while Sam Pridon would hit the hoop time after time to obtain five goals for the first stanza.

Johnny Volio displayed a nice piece of defensive work as he held the powerful point-getting Arthur Arbaugh to a zero mark.

Carl Capel showed himself capable as he took rebound after rebound from the backboards, and chalked up 11 points in the course of the game.

Phil Cozad garnered seven points in his first Varsity game this year.

High point honors went to Pridon with a total of 15 tallies. Kindie, Beech and Coles appeared the best for the visitors as they achieved nine, six and six points, respectively.

Upon what plan are your city institutions conducted?

A sort of let-George-do-it system without any George.

Why do you bring a check with the cocktails?

That isn't a check. That's the house chemist's certificate.

Our unfortunate experience is that a day off is generally followed by an off day.

It is much easier to be critical than correct.

Frosh Five Win Over Potter Plebes

The Salem frosh five scored its seventh win of the season over the East Liverpool plebes, 31-18, in the prelims of the varsity game last week. The Salem squad was paced by Ray Kelly who hooped 11 markers in the Quaker victory drive.

The locals led all the way as they chalked up their seventh win of the campaign.

Brian and Appedison proved important factors in the win. Muller led the Potters who attacked the Salem squad with seven tallies.

The frosh team defeated the Potters 36-25 in a previous engagement.

Brass Sextet Entertains Kiwanis, Boy Scout Groups

A brass sextet, composed of Herb Hansell, Bob Entriken, Homer Assmus, Paul Evans, Lee Holloway and Bob Griffiths, played for the Kiwanis club at its meeting last Thursday at the Memorial building. The meeting was in charge of Captain Robert Barton, of the Salvation Army, who introduced the group.

The same sextet also furnished a program of music at the Boy Scout banquet, held in the Memorial building last Tuesday. Both programs consisted of an overture and a number of marches.

Captain's Chatter

By "Captain" Rance

Tonight the Quakers jaunt to Akron to meet the West High Cowboys at Perkins gym. West started the season the wrong way, losing seven straight games, but their first victory was a stunning upset. The Cowboys laced the tough St. Vincent squad, 42-25. The Saints had previously scored wins over Massillon and Canton McKinley. Since then West has played off and on ball. They trimmed Alliance's weakened Aviators 41-38 and lost to Akron North's Vikings 53-40. North is probably the most powerful basketball team in the state. West's starting team consists of four sophomores and a senior. The senior is Lou Finney, a last year's all-city selection, who led the Cowboys to a 24-20 verdict over the Quakers last year. It should be a tight ball game.

That Liverpool game was a tough one. The Potters were really one hot ball club. Everything they threw went in. The Quakers just couldn't seem to click after the first quarter. It seems that every time Salem plays East Liverpool the Potters are a house afire. They can play mediocre ball every other game of the season and click unbelievably against the Quakers. They never fail to pull their yearly fluke in football, but they never get around to doing it until they have beaten the Quakers. Dick Trelevan led the Liverpool barrage with 22 points. He caged 10 out of 12 foul shots and added six field goals. Saturday night, he followed this up with 19 points against Alliance. Johnny Volio was the only Quaker able to hit the hoop consistently.

I don't know if it has occurred to you or not but Salem high school has one of the finest crops of freshmen basketball players in its history. The yearlings have been methodically handing out shellackings, one after another. They have drubbed both the Alliance and East Liverpool frosh twice. Great things are expected of them.

Tonight the Reserves and the Hi-Y stage their annual tussle. The Quaker freshmen will play in the prelim. The

Reserves have been rolling along, and they boast a record of 10 wins in 14 starts. The Hi-Y has chalked up 5 wins against no losses. The latest Hi-Y victory was a 60-14 drubbing of the Hubbard aggregation in a Mahoning Valley league game. "Buck" Ritchie again paced the locals with 18 tallies. This was quite a spirited contest (ha! ha!) for rebounds and the shots flew fast and furious.

For those of you who follow collegiate basketball, Ohio lost its last undefeated team last week. Muskingum's "giant-killers" downed Mt. Union's previously undefeated Purple Raiders. All Muskingum men are warned to stay clear of S. H. S. because Mr. Cope has sworn to take vengeance on anything that ever stepped on Muskingum.

Salem High Turns Clocks Ahead

Last weekend the clocks of all the Salem schools were turned ahead one hour. For the present, at least, there will be no change from the regular school schedule.

Superintendent E. S. Kerr remarks, "During the coming spring season, more people will have an opportunity to enjoy the bird chorus at daybreak and to appreciate the beauty of sunrise than has happened for more than a generation."

Dramatics Club Is Organized at Jr. Hi

A Dramatic club sponsored by Miss Irene Slutz, new instructor, will be organized at the Salem junior high school this semester, it was announced recently by Mr. Loren Early, principal.

All pupils who wished to change clubs did so between Tuesday and Friday of this week.

The Red Cross films, "Footsteps," "Mobilized For Mercy," and "Marching For Old Glory," were shown to the seventh grade Wednesday, February 11, and to the eighth grades Friday, February 13.

Some of the rooms had Valentine parties in their home rooms this week at 3:30.

The committee is considering getting a movie entitled "Hi Slouch" which shows you how you appear to others and how to dress to improve your looks. The movie, "Boy in Court" is also being considered. It tells of the doings and uses of the probate court. The committee also decided to have Judge Homer Hammond and Mr. Wallace Clay, judge and officer of the probate court, respectively, give talks on the duties of the probate court and how the court works. An assembly concerning the presentation of basketball plagues has also been arranged for the basketball season. At present the committee are trying to get a Youngstown boy to speak here. He has lived in England for some time and gives interesting talks concerning life in the British Isles.

The hygiene students saw the film, "Heart and Circulating," Wednesday, February 4. It explained the working of the heart and circulatory system.

The man who is not injured by flatterers is as hard to find as the one who is improved by criticism.

Schools to Handle Local Paper, Scrap

The public schools of Salem have been asked to handle the collection of waste paper and scrap metal. It will be sold to local dealers if possible and the money received will be used by the school to purchase such equipment, library books or services as the individual school may decide upon.

"O! hate flatterers," said O'Brien the other day. "Flattery makes ye think ye are better than ye are, and no man livin' can ever be that."

We have all heard of the "far flung" British Empire. The only trouble with it is that Ireland was not flung far enough.
