Thespian Info For | Library Lower Classmen

For the benefit of many of the lower classmen who have been seeking information about the National Thespian Society of our school, the aims of the organization and some of the qualifications necessary for membership are presented here at this time:

The purpose of the Thespian Club is to increase interest in dramatics in the high school and to give pupils an opportunity for training and participation in dramatics.

The Thespian Society is a nonsecret organization, but membership is open to juniors and seniors only. To be eligible for membership one must have earned at least 12 Thespian points and must have maintained at least a C average in school subjects.

Thespian points can be earned by participation in any of the one-act or three-act plays. Participation means having a major or minor role in the play, being a prompter or student assistant, or working on any committee such as, costume, make-up, property, a stagecrew, lighting and sound, or publicity.

Points are also given for excellent co-operation while working in plays and for excellence in work in dramatics class.

It is hoped that more interest in dramatics will be shown in the high school, and that the Thespian Society can be greatly strengthened this year.

Book Review

Perhaps the most exciting sports story in the library is "Pigskin Warriors," written by Jackson Scholk. It is the story of a thrilling tale of football, of the forging of a great team in contest and in the war of the Pacific. Said to be one of Jackson (Scholk's) most exciting sport stories, it will immediately be popular with boys and girls of all ages, especially during the football sea-

The Badgers were a great football material and Steve Trent was a cunning, courageous leader. The combination had all the makings of a great college team, but things didn't click. The team didn't trust Steve Trent completely, because of the rivalry and suspicion of one of his best players, Buff Sloan. Buff could only hold onto one idea at a time-and the idea he held onto was that Steve Trent was yellow.

The Badgers almost lost an important game when Buff turned against Steve. Later, in Hawaii, they did lose, playing the team of the aircraft carrier, Lexatoga. And Steve knew he could never lead the Badgers to victory until he solved the problem of Buff Sloan.

The Japs attacked Pearl Harbor -and as one man the Badgers joined the army. After gruelling training they went into Quadalcanal.

In the attack on a Jap gun position, Steve settles his score with Buff. But the story isn't finally resolved until the last thrilling game when, as an army team, the Bad- Cast Characters, gers get their revenge against the Lexatoga team in New Zealand.

TOOTY'S BARGAIN

Tooty "Fritz" Van Popplen is giving voice lessons free. But there is a catch, of course. The lessons are free, providing you bring your own music and promise to laugh at her jokes. Now isn't that a real bargain? Well she thought so and that is why she is doing all this for her little schoolmates. Awfully sweet of her.

CHANGE MADE

Have you noticed that Betty Whaley has changed her hair style? It all came about when she heard that some special person doesn't like bangs. Now that is a new angle but it seems to be working out just fine.

WHAT IS IT????

Anyone who can hear, has heard of George. According to Steve Alek, there isn't a thing that George can't do or hasn't done. Why he does everything, eats everything, drinks everything, says everything, hears everything, and tells everything. If we don't soon find out who George is someone is going to the hospital with a bashed in skull. It might be Steve.

PRETTY BABIES

The Hi-Tri had their initiation last week. The new members were looking their lovliest. Betty Volp and Sally Zeigler were a good example of charm. They got to eat onions and sing all their favorite songs. Gee, they had fun. They all had the times of their lives for that matter. Donna Barnes is sorry it is over. Next year she'll have to let someone have all the fun on her.

SOMETHING NEW

Nancy Hunt got a new kitten. It's just as cute as it can be too. There is only one thing wrong, and that is she can't decide whether to call it Bruce or Rod!

FAMILY MAN

If your hear Bob Watterson talking about his wife and daughter, don't get the wrong idea, because he really has one-in the senior play, that is. Sounds like fun. I guess I'll have to buy a ticket for the senior play and find out more about this.

CUPID'S CHOICE

A little bird told me about a steady pair of cute kids that deserve attention. They are Carl Kibler and Naomi Fidoe. It seems Carl is new here this year and Goshen was the unlucky school that lost him. I'll bet Naomi isn't sorry he left Goshen.

BEAUTIFUL MUSIC

I think you'll all agree with me that we ought to have more assemblies including Mr. Crother's chorus. Their music is really pleasing to the ear. Anyone that is a member can certainly be proud.

HELP OUT

If there is anything that you would like to see in this column that I haven't heard about, will you be so kind as to drop the item in the box labeled "Sugar and Spice" in the Quaker Office? It will help a lot.

NO SCHOOL TOMORROW

Since they are making us stay at home tomorrow, I won't see anyone around. I know it will be dull to spend a day loafing-at home-but I don't feel too bad about it; school will start again on Monday.

Don't forget the game tonight. See you there.

Dear Diary

Low and behold diary, dear, here it is the end of a perfect (?) week. I went to the game last night and it rained like mad, but I didn't mind my feet getting soaked, 'cause Pinky got to play part of the game. The coach took him out, though, after he ran fifteen yards toward the opposite goal. Poor "Pink" felt miserable about the whole thing, 'cause he said he honestly tried to make it twenty yards to please the coach. Aren't some men (?) just too dumb?

Pink and I went to the hang-out after the game, but "Pink" couldn't eat a thing 'cause his mouth was all swollen where his teammates beat up on him. And that black eye? He looks like something out of a nightmare.

Well, diary, I must close now and hope for a victory in our next games.

Puddles of Purple Passion,

Quakers, Girard **Indians Clash Tonight**

Tonight's grid battle between Girard and Salem on the Girard field stacks up as a thriller.

The Girard Indians have an enviable record this season and are rated highly in this district. The only blemisht on the Indians' card was a loss suffered at the hands of a stubborn Niles High eleven. Last week Girard High, rebounding from the loss to Niles, shattered the perfect record of highly touted Austintown Fitch, 6 to 0. Thus in view of their record and their opponents, the Indians should prove to be a formidable foe.

The Barrettmen, starting to roll in fine mid-season fashion, are not to be left out of the picture, indeed. In fact, the Quaker gridders are expected to provide Coach Phil Koppel and his charges with many a worry and several gray

SALEM DROWNS STRUTHERS (MUCH WET)

The mighty Quakers came back in the second half to tally 21 points and swamp . (wet .field, .that is) Struthers 21-7. Struthers led at the half. Salem had a very poor first half, in fact they "STUNK," putting it mildly.

Then, coming on the field the second half with a series of hard drives and a touchdown pass from Miner to Snyder, tallied the first 6 points for Salem. The extra point was completed by a pass from Miner to Jensen. From then on it was all Salem with Franks tallying the next two touchdowns. The last touchdown was set up by "Smiley" Cain, who intercepted a pass and hobbled to the three yard line.
