Edgar Blakley, a real estate agent, persuades his next door neighbor, Larry Hobson, to join him in the purchase of some prospective business property using the inheritance of their children, Janet Blakley and Keith Hobson.

6 Teachers New On SHS Faculty; Miller Returns

Seven teachers have joined the Salem High faculty this year.

Mrs. Adele Zeitler, former librarian and English teacher at Southeast High in Portage County, instructs English I and is afternoon librarian.

After 16 years of teaching, Edwin Miller has come from the Charles F. Brush School in Cleveland to direct the choruses, replacing Thomas Crothers, who transferred to New Hartford, Conn., after nine years as director of vocal music in Salem schools.

Teaching general business and French is Mrs. Esther Talbot, who has been a substitute teacher for several years in Salem schools. Mrs. Bissett, the new art teacher, is starting her first year of teaching here after five years of work in commercial art.

Metal industries instructor, taking the place of Eugene Clewell, is Raymond Knight, who formerly taught in Leetonia.

Wood industries is under the supervision of John Oana. Although Mr. Oana was graduated from Salem High, he spent his first four years of teaching in Leetonia.

Boys' physical education is di-rected by Robert Miller, who taught here previously for nine years. After being away two years, Mr. Miller has returned from the Walnut Township School in Millersport, Ohio.

Sr. Dick Coppock **Elected Prexy** Of Robed Choir

The three vocal groups of Salem High have completed the elections of officers for the school year.

Dick Coppock was elected president of the 98-voice Robed Chorus. Alan Cope will serve as vice-president and Marilyn Schramm, secretary-treasurer.

Dick has been an active member of the Robed Chorus for four years and sang with the octet for two years. A baritone, he has proved his talent in many school assemblies and church programs. He will take over the job of directing the chorus at various times, Edwin Miller, director of vocal music, stated.

Officers in the Girls' Chorus are President Margaret Hanna, Vice-president Diana Wilson and Secretary-treasurer Pat Wykoff.

Beginning Chorus officers are George Faini, president; Bill Hone, vice-president; and Glen Whitcomb, secretary.

This year there will be a board of directors consisting of the officers and section leaders selected by Mr. Miller. They will act as the planning board for all concert programs and other activities of the chorus.

Mr. Miller will select the librarians from a group of volunteers from each chorus.

The annual magazine sale, a project for all vocal groups, started last Wednesday.

Thespian 'Hop' Set for Saturday

SHS students will rock 'n 'roll to music spun by Dick Reynolds, Akron's top disc jockey, at the Thespian Record Hop tomorrow night in the Salem High gym from 8:30 to 11:30.

The dance is being held to raise funds for the production of two plays and to cover the expenses of formal and informal initiations.

Linda Tame made the arrangements for Dick Reynolds. Judy Fisher is in charge of the food committee consisting of Bob Conroy, Gunhild Nyberg, Linda Tame and Jim Barcus.

A Christmas play and another one-act drama will be selected by Bobbi Blount, chairman; Janet Patterson, Linda Tame, Joan Fester and Karen Ziegler for public presentation.

A bake sale planned by Barb Erath, Joanne Lewis and Barb Tausch was held last Saturday.

Salem High Experiences Real Tragedy

Last week Salem High School experienced a great loss. Four of our SHS boys were involved in a tragic automobile accident which claimed the lives of all four.

This tragedy really hit home. We read about similar accidents in the newspaper but they seem like something apart and impossible to happen to our friends and family.

These boys were our classmates, our friends. They sat across the aisle from us in history. They were our chemistry lab partners. We met them in the halls. We talked and laughed together.

Suddenly we are brought face to face with a grim reality that seems like a horrible nightmare. With the death of these four classmates comes a feeling of personal loss to each of

The finality of this incident makes all of us stop to think about our responsibility, not only for ourselves, but for others, too. Perhaps out of one of the greatest tragedies that has occurred during our school years there can come some good.

What can we do to help prevent a recurrence of such a loss? It is with no thought of blame upon any individual that every teen-ager in Salem will henceforth more thoughtfully and conscientiously practice safety on the highways.

Frosh Cross Threshold of Salem High

By Jim Barcus

Along with students returning from last year, 245 freshmen crossed the threshold of SHS for the first time last Sept. 7.

As a freshman enters the main entrance to the campus of Ohio University there is a gate inscribed with the following: "So enter that daily thou mayest grow in knowledge, wisdom and love." This is just as applicable to high school freshmen as to college greenies, for all is not found between the broken

Support Council; It Represents Us

Congratulations and felicitations are in order to the student body for making such fine choices in the recent Student Council election.

This governing body takes the lead in many student activities and the choice of our Student Council representatives is very important to us and the progressiveness of the school.

In the past years the numerous Council projects have been varied and always successful. The tax stamp drive is the number one money-making project which has made it possible for the Student Council to obtain some of the fine reference books we have in our school library.

The CUSH campaign is another project sponsored by Student Council, the purpose of which is to Clean Up Salem High. Also under the direction of the council is Vocations Day, when people in the business world are invited to speak to SHS studes on their particular vocations.

Let's back our council representatives and support the Student Council projects. Remember, the purpose of this organization is to help us!

Suave Sophs Recall Lowly Frosh Days

Well, sophomores, it looks like we lived through it. Just think! One year ago we were wandering wide-eyed through the halls, running up the wrong stairs, looking for the elevator, and feeling quite small beside those upperclassmen.

There was lots of excitement, too, when we were the "greenies." Remember our first pep assembly, when none of us yelled, and the way we made up for it at the games? We'll never forget the pencil sales, the election of class officers and the Freshman-Sophomore Party!

These and many other events are behind us and we have an even more exciting year ahead. Let's remember that even though we've got one down, we've got three to go!

Haschen Lives Busy Sports Life; Scores Season's First Touchdowns

By Bob McArtor

"Sure, we're a young team, but we've got the spirit and the desire to win ball games and that's what we're out to do."

These were Herb Haschen's words regarding the 1955 team. He was elected captain of the 1955 football squad by his teammates

Besides being elected football captain he was voted president of Varsity S, vice-president of the Association, and for the second year in a row will represent his homeroom on this year's Student Coun-

The first two touchdowns of the '55 season were scored by this fast-moving, hard-running halfback. Herb's biggest thrill came when he scored these touchdowns on runs of 88 and 40 yards.

Haschen played football at Youngstown Rayen his freshman year and will most likely come up against some of his old friends when SHS meets Rayen in the closing game this year.

Come spring Herb also lends his talents to the track team. Last year he attended the state track meet in Columbus, running in the 880-yard relay.

In their first game of the season the Reserves traveled to North Lima where they were downed by the North Lima Varsity 33-0.

In their second start the Reserves took a 44-0 shellacking from the Goshen Union Varsity at Reilly Stadium. Goshen scored in every period with wide sweeps around both ends. They had chalked up a 24-0 lead by the end of the first half and rolled on by scoring 20 more in the last half.

Coppock's Comments

Here it is, the start of a new year, and yours truly will be snooping around the sports underworld to bring you the latest news. constructive criticisms and helpful hints will be greatly ap-

Thanks are in order again to the Varsity S Club, this time for their decals. This gives us another fine way of showing our support for the Quakers. Also along this line the reserve cheerleaders are selling small megaphones and "Love those Quakers" ribbons. Proceeds from the decals will go toward Mickey McQuire League trophies and books for the SHS library, while the cheerleaders hope to purchase new uniforms with their profits.

Our congratulations to former Red and Black football captain John Baker . . . We hear he's going great guns on the Miami U. squad. Here's hoping we hear lots more from this former

Coming Attraction—Soon to be seen in the halls of SHS will be new white sweaters with the big Varsity S letters and the words "County Champs" on them. Last year's track lettermen have received their letters and are now looking forward to their third straight title.

Revenge-Last Friday the Massillon Tigers rolled over the Alliance Aviators 22-6, avenging the 19-7 upset they suffered last year, their lone defeat of the season. Word has it from the "football city" that the Tiger backfield is possibly the fastest in the school's history. Looks like the guys are out for another state title.

The increased student support at the Reserve games has not passed unnoticed. Several favorable comments were heard at the Salem-Boardman game concerning the small pep band and improved cheering.
