### Class Rings By Robin Karlis

Sophomores, now comes an important time in your life: to choose a class ring. The sophomores have a choice of three styles. Choices consists of two round rings and one square. One round ring and the square one have a Quaker head on top and the choice of stone for all three is Red or Black. All rings may either be silver or gold band. Sophomores will be voting sometime this week. should pay a final tribute as a class to a classmate who meant a great deal to many of us.

Bonnie Burson who would have been a member of the graduating class of 1974, was killed in an au-17, 1971. That has been almost three years ago but, we would like to, in our own minds, include her in our graduating class.

One of Bonnie's greatest loves was motorcycles. She loved to ride, and rode as much as she could, including races. She also loved to go camping with her family. and another of her favorite activities was baton. She was a superb majorette and would have been head majorette this past football season.

Bonnie was also active in band

"Hy-Timers of Salem," was a club that Bonnie loved and was active in.

The graduating class of 1974 would like to take this time to pay tribute to a member of our class who will never be forgotten. "To live in the hearts we leave behind, is not to die."

—Thomas Campbell

Sunday, June 2, 1974 is the date of graduation which includes both baccalaureate and commencement combined.

Seniors each get four tickets apiece to give to relatives and friends. Extra tickets will be available on a first come-first serve basis. If someone is coming who is unable to climb the stairs, notify the office and it can be arranged to get a front row seat. No tickets are required for the new section of the gym.

Play Is Success

For the third time since drama has been brought back to Salem High, the actors of S.H.S. received a standing ovation. The first ovation was for "The Little Dog Laughed" directed by Mrs. Miles, and the second ovation was for "The Night Is My Enemy" directed by Mrs. Milligan. acted, sang, and danced their way through a magnificently constructed castle set. The crystal, clear voices of Sandy Raley, Mike Allison, Lori Sell and Steve Windon added a real sparkle to the production. Ann Stewart was fantastic

## Spring

Saturday, April 27, after weeks of hand work and evening rehearsals, the SHS band set out for state band contest in Strongsville, Ohio where they received an excellent or II rating. The band played for the judges, the state required number, two selected pieces and a sight reading piece which they had never rehearsed before. The band was eligible to attend the state contest only after receiving a superior I rating at district contest March 30. Meeting at the school at 8:00, after attending the prom the night before, many band members were very tired and found the school buses to be rather uncomfortable for sleeping.

The annual band banquet was held on Monday, April 29, at Tim-

## Band Activ

berlanes in recognition of the work the band has done throughout the year and in honor of the graduating seniors. Gifts were given to the seniors, members of the color guard, the drum major and Director Howenstine as a remembrance of the years devoted to the band. The newly formed jazz band performed for the banquet, providing the entertainment for the evening.

Scheduled for Thursday, May 9 the band is looking to its spring concert, to be held in the auditorium. The band will be playing the state required contest number, "Sketches On a Tudor Psalm," selections from Cole Porter, Godspell and the Carpenters, McArthur Park, a march "The Purple Carnival' and a number entitled "Jazz March," improvised by the drum section. The drama presented here at S.H.S. has always been outstanding and this recent performance of "Once Upon A Mattress" directed by Mr. Cole and assisted by Mrs. Miles was no exception. The cast

as the domineering Queen who was assisted by Gary Zocolo as the Wizzard. Jeff Darner won the hearts of the audience with his native zest to find a wife, and the audience applauded the comic performance of Fred Vogel as the silent king. The entire story was pieced together by Marty Field as the Minstrel and other members of the cast and chorus were Rea Wirkner, Jon McCleery, Peg Hiegel, Anna Prychodczenko, Karen Jean Fehr, Gayle Balsley, Cheryl Denkhaus, Allison Dickey, Mary Dumovic, Jeri Sommers, Tom Coe, Rick Hiner, Tracy Hummel, Gary Walker, Mark Zimmerman, Sally Boone, Cindy Loudon and Margie Ward.

The additional assistance of Mr. Bevington, Mr. Howenstine, Mr. and Mrs. Milligan and Miss Theiss helped to make this a fine performance.

# LEPRECHAUN LOLLIPOPS ROSES

#### Dear Fans.

Can you believe this is our last article? It seems like "we've only just begun." Get it? We've come to the end of our yellow brick road and we have to give up the reins because we could find no 'uture writers talented enough to get their little pencils near Leprechauns, Lollipops, & Roses. Although we hear that Sue Henderson, Julie Lange, Jim Sheets, . . . are interested prospects for a fuure column called Dummies, Dunces, and Doodles!

In case you might have seen yellow brick road earlier in the article, this has become the most repeated Junior word as they are sick to death of emerald green and yellow bricks. While we're on prom we would especially like to thank all the escorts and servers

who were great. (Thanks for putting up with me especially!) Everyone thought the escorts were super handsome and were the best in SHS history. The servers were excellent too and were really cute as Dorothys. (Even though they hal to leave their Toto dogs at home!).

Finally, this column is dedicated to all graduating seniors. It's hard to believe you only have 19 days of school left and we've known you all since grade school. Why don't you come back so we won't have to fill your mighty senior sneakers next year! And another tearful good-bye goes to Coach Rogos. Thank you very much and we hope you and the graduating seniors will always remember us.

See ya next year! S.B., C.D., A.H.

### Varsity Cheerleaders

The 1974-1975 cheerleaders were chosen recently in the Salem High gym from a field of approximately 40 girls. Miss McKenna, Miss Hasson, Mrs. Miller, Miss Peterson, Mr. Mentis, Mr. Strauss, Mr. Rogos, Mr. Titus, Beth Koenreich, Alice Begalla, and Debbie Ehrhart were judges. The girls were judged on appearance, coordination, jump, motion, smile, and on the cheer itself.

The new varsity cheerleaders are: Bertha Totani (head), Mary Pat Webb, Anne Henderson, Cindy Farcas, Sue Henderson, and Abi Chappell. The new reserve cheerleaders are: Lori McNeelan, Lori

## **Rotary Exchange**

The

I recently attended a party held in Canton for all the Rotary Exchange students staying in Ohio. There were also Ohioans who were going to other countries as Rotary students. As each person walked in they were always greeted with many hellos and embraces. The exchange students quickly formed groups with people who spoke their language. The largest circle seemed to be the loudest and the happiest. I found it to be the Brazilians. Listening to them was fun but understanding them was difficult. Then, I overheard one of the girls say something.

She said, "America is so cold." At first I thought she meant climatewise, but I soon discovered she was referring to people. She meant that we never hug someone unless they are very special and when we talk we stand apart. Her

and with arms around each other. It is not uncommon for their men to embrace as a sign of friendship, something men here seldom do.

Maybe she was right and maybe our foreign exchange students can teach us something. The only thing we have to do is listen to them and try some of their ideas.

Reach out to your friends and strengthen the friendship bond of love.

Moffett's

Men's Wear Salem's Store For Young Men Moffett's ean - Yes has finally come down to earth with this one. A good album for easy listening.

7) Rock n' Roll Animal - Lou Reed displays a great singing talent on this one which surprised us greatly. One of the best songs is "Sweet Jane."

8) Queen — One of the hottest groups going.

9) Mott - Mott is getting better each album.

10) New York Dolls - A real hard rocker. It's good to hear a good American group.

## **Gilligan Speaks**

Dear Students.

Your page editor, Barry Hollinger, as a genuine service to the student body of Salem High, has very considerately given me this opportunity to communicate directly with you on a subject that can be of great importance to your choice of career.

Now and in the decade ahead, three of every four jobs will call for graduates with a vocational and technical education. They are satisfying and rewarding jobs that form the real backbone of this country's economic strength.

To help interested students learn more about how vocational or technical education can prepare them for these jobs, the State of Ohio is undertaking an effort to make useful information available on this field. A toll-free hot line (1-800-282-0377) is open to give students anywhere in the state quick and easy access to needed information regarding careers in vocational or technical education.

Over the coming months, students, parents, employers, and community leaders will have a chance to find out more about vocational and technical education and the opportunities available. It is my hope that through this information more young Ohioans will decide that one path toward a brighter future is through a vocational or technical education.

Thank you, John J. Gilligan Governor of Ohio

**SEES IT** AS SAM BASEBALL

baseball team takes the field against Youngstown South in the N.E.O. Sectional tournament this afternoon. The Quakers are suffering a losing season, but the future looks bright for Salem baseball.

PAGE 4

Salem got off to a fast start as they won the first game of the season, beating Wellsville 2-0 at the Tiger's park. Dave Warren pitched a sparkling shut-out as he struck out 17 Wellsville batters.

In the Quaker's home opener Mike Stapleton pitched an impressive game as Salem pounded out 12 hits to back him up in a 9-5 win over Youngstown East. Salem took an early 1-0 lead in the first inning on an error and singles by Mike Riffee and Len Batcha. The Quakers then exploded for 6 runs in the second inning as they sent 11 batters to the plate. The rally was keyed with singles by Rick Albright, Jim Sheets, Stapleton, and Riffee. Every Salem batter had a hit with Riffee, Stapleton, and Batcha getting two hits each. The Quakers suffered a tough 2-0 loss to Sebring at Centennial

An inexperienced, young Salem Park. It was a great pitching duel between Dave Warren and Sebring's Bob Shreckengost as each pitcher hurled a 3 hitter. Warren also struck out 10 Trojan batters. Sebring scored in the first inning on two singles, and a passed ball. They added another run in the sixth on a single, error and force out. The Quakers had one threat in the first on singles by Warren and Mike Riffee, but failed to get a run.

> Salem dropped a double-header to West Branch 3-0, and 8-4. Steve Greenwalt of West Branch fired a 2 hit shutout in the first game. Dave Warren struck out 8 Warrior batters for the Quakers. The Quakers took a 3-0 lead in the second game in the third inning on Jim Sheets's 3 run homer, and added a run in the fifth. West Branch, trailing 4-1 in the top of the seventh, rallied for 7 runs. The Warriors got 3 runs to tie the game. After two intentional walks loaded the bases, Sam Wyss (former Salem High athlete) hit a looping single to drive in the winning runs for West Branch.

# **GOLFER**!

Despite the harsh weather the golf team has played seven matches thus far this season. Returning lettermen are Fred "Strut" Girscht, Charles Griehs, and John "Hornoe" Foster. The remaining varsity squad includes John Pridon and Christopher Lowry. The Quakers thus far have built up an impressive 5-2-1 record despite a slow start this season. The Quakers have been victorious over Lisbon twice, United, East Palestine, and West Branch. The Quakers have lost two tough decisions to East Palestine and Columbiana and have tied a tough Beaver Local team. On Friday April 26, the squad set a new school record of 158 total strokes, breaking the old record of 160 set last year. The record was set against our archrivals, the West Branch squad. The record consists of the following

scores: Griehs shot a sizzling 38 while John Foster also matched that with a two-over par 38. "Strut" had 40 with Chris Lowry shooting a 42 and John Pridon coming in with a 43.

Rick Mattix, Alan Guchemand, Ken Shoop, Dave (Bear) Sweet and Big Huck Webb.

championship with a 70-63 victory over Niles. They posted a 15-6 record for the season, a vast improvement over last year. It was Coach Rogos' last year as a coach.

An inexperienced baseball team is suffering through a trying season but future teams look strong with many members of the team being only sophomores.

The track squad is having a fine year as they enter the county meet today with an undefeated dual record. Many fine times are being recorded, highlighted by Bob Spanbauer's 9:38.7 in the 2 mile, breaking the school record by 4 seconds. The outlook for a fourth consecutive county championship looks good with many of the county's top times being recorded by Salem athletes.

The wrestling team should be stronger next year although one of Salem's finest wrestlers will be leaving. Mike Watterson graduates this year, leaving behind him a fine record. His Brother Vic returns with a chance to place in the state next year. Their record was 4-9. In all it was a good year for Salem sports, although next year should be an improvement. Thanks should be given to all the coaches for spending so much time to make successful seasons.

In its second year of existence, the Girls' Track Team is looking forward to a good season. On April 13, they entered the Ward Invitational at East Palestine. The team placed 3rd out of 13 schools. On April 23 the team defeated West Branch in a decisive victory at home; Quakers scoring 76, Warriors, 28. A week later they met United at an away meet.

Some changes have been made since the team's first year. Salem Girls' track team has since been affiliated with the Ohio Athletic Association. The distance of the 50 yard hurdles has been increased to 60 yards, and a mile run has been added to the schedule. Also, the school furnished practice sweats, spikes, and uniforms for their time, patience, and cooperation.

The girls' tennis team recorded its first victory ever in varsity competition as it knocked off Boardman 5-2 in Boardman last Thursday. Winning singles matches for the Quakerettes were Mindy Milligan, senior, Nancy Borkowski, sophomore, Jacque Ellis, sophomore, and Denise Menning, junior, while Sharon Kirk, junior, lost a tough match. In doubles competition, Milligan and Borkowski came back to win while Kay Gibson, junior, and Chris Gorby, freshman, were defeated by a sharp Spartan duo. Linda Benson, freshman, is also a member of the team but did not play.

The Red and Black are now 1-2 for the season, losing their first meet to St. Thomas Aquinas 4-3, and getting blanked by a hot Niles team 7-0. All the meets thus far have been away, and the Quakerettes travel again tonight as they take on Howland. They face Howland again in their first home meet on May 9, and then take on Boardman once again May 13.

## TENNIS

Off to a slow start, the tennis team has a record of three defeats and no wins. In the first match the team played Niles. Niles started off fast by winning all five singles. Then, the Quakers' double teams of Kelly-James and Kaminsky-Santee outclassed Niles' double eams for Salem's two points. In the second match, Salem traveled to Hubbard. The Quakers started off fast as both James and Kelly won their single matches. Hubbard came to life as they won the remaining three single matches over Kaminsky, Santee, and Burke. The Quakers tied the score as James and Kelly combined to outclass Hubbard's first doubles team 6-0, 6-2. Hubbard's second doubles team struggled in a three set match (6-2, 4-6, 6-4) against Kaminsky and Burke. By winning this, they won 4-3. The third match was at Canfield where the Quakers started off slow again by winning one of the five single matches. Kelly was the only winner in singles, while James, Wiggers, Kaminsky, and Burke lost in very close contests. In doubles matches, Salem lost both contests. This made the final score 6-1

The Salem High track team is looking strongly to the 1974 Columbiana County Meet held at East Palestine. Salem, with a 3-0 record, has one of the finest but youngest teams in its history. After trouncing Woodrow Wilson for the opener, 94-34, they went on to post victories of 69-58 and 88-39, defeating Struthers and East Palestine.

Cliff Muhleman, veteran shotputter and tri-captain, has already thrown the shot over the 50 foot mark in two meets. Distance runners Bob Spanbauer, Bill Rich, John Piersol, Dave Smith, and Roger Nordquest are likely to place high in the county meet. Spanbauer recently broke the 2 mile record with a time of 9:37.8. In the field Salem is strong in every event with sophomores Mike Miller, Deon Treleven, and Pete Pshsniak boosting the Quakers. high jump with 2 six footers, Paul Shivers and Jeff Foust. In the running events Ed Donnelly, John Ursu, and Dave Ray will lead the attack in the dashes while the same runners and Victor Leija go after the third consecutive win in the 880 yard relay at the Bulldog stadium. In mile relay a junior team has the second best time in the county and are looking closely at the No. 1 position.

Salem could possibly sweep the

Although the county meet is big, a week later is the sectional at Alliance. Teams all through our sectional will compete including Austintown Fitch and Youngstown Ursuline. The top four finishers from each event will go to Kent for the district meet. With only a few weeks left in the 74 season it looks like another fine year for the Quakers.
