sad feelings. For Bridget Hildebrand, an exchange student at Salem High School, January will be sad, for she will have to leave new friends, and happy, for she will see old friends again.

Bridget first came to the United States in Jan., 1981, and will be leaving early Jan., 1982. Bridget's home country is Zimbabwe, Africa, which is about the size of California. It has a population of about 73/4 million people. Bridget comes from

F.C.A. Info

by D. E. Cook

The Fellowship of Christian Athletes is a nationwide organization. The local chapter of FCA is headed by Mr. "Bing" Newton. Other teachers providing leadership are Mr. Ralph Hoehn and Mr. George Spack, a new teacher here at Salem. The club also has elected student leaders: Matt Yerkey, Captain; Doug Zimmerman, Secretary; Doug Cook, Treasurer; and Julie Rowan of Leetonia as Public Relations Chairman.

FCA meets every Thursday at 7 P.M. at the First Baptist Church. The meetings usually consist of a guest speaker and rap groups, but does sometimes involve movies. Bible studies, or musical presentations. The attendance varies from 10-15 up to 150 at some meetings. The meetings are open to anyone wishing to attend and Mr. Newton says, "The meetings are open to nonathletes as well as athletes and everyone is invited." No dues are required for membership, just active participation." Along with regular weekly meetings FCA also attends a winter retreat at Atwood Lodge and goes to national conferences in the summer. They also help out in the annual Crop-Walk. On the national level some of the major athletes and coaches involved are Roger Staubach, Doug Donley, and Tom Landry all of Dallas. Tim Foley of Miami, Randy Gradishar of Denver, and Andre Thornton of the Cleveland Indians. So the next time you don't have anything to do on a Thursday night drop in on an FCA meeting. Who knows, you might enjoy it.

SALEM SENIOR HIGH SCHOOL - SALEM, OHIO

Steno News

The IOE Steno II class recently donated a food basket to a local needy family. Members of the class donated canned goods as well as other food items to give to the family. The girls shopped for a turkey and the trimmings. A few members of the class prepared the turkey and delivered it early on Thanksgiving morning.

The Steno II class also plans to visit a local nursing home a couple days before Christmas. They are taking Christmas decorations to give to the patients. They will also entertain the patients by singing Christmas carols.

The class wishes everyone a Merry Christmas and a Happy New Year!

This year, the Salem High School yearbook is off to a very good start. All deadlines are being met and everything is running smoothly. "All staff members are working very hard selling advertisements and working on their yearbook pages. They are really a dedicated staff and I don't know what I would do without them," said Bill Jelen, assistant editor.

Senior pictures would be appreciated as soon as possible from all seniors and any candid photos that anyone may have would be greatly appreciated. Everything is going well and we hope the book turns out better than ever this year.

Clerical Information

by Hope Singer

On December 9, 1981, the I.O.E. Department held their annual business luncheon at Timberlanes Steak House. Approximately 60 people were in attendance including Mr. Delane and Mr. McShane.

Mr. Paul Easton, General Supervisor of Human Resource Management, from General Motors Lordstown Plant was the guest speaker. He has been employed by General Motors for 17 years and since 1974, as supervisor. In addition to his academic college background, Mr. Easton informed the audience of his capabilities of typing 113 words per minute and taking shorthand at 250 words per minute. He found this to be one of his greatest assets in obtaining positions and promotions in management.

information will be very helpful to those present. The I.O.E. Department was encouraged by Mr. Easton's talk to realize that the I.O.E. courses are vital to success in the business world.

Teachers'

Christmas Concert

by Frank Zamarelli

On December 13, the Salem High School Concert Choir put on their annual Christmas concert for the public. Many unique songs were performed, along with a few traditional carols. The program included "It Came Upon a Midnight Clear, "Ave Maria," "O Bambino," "What Child is This," "This Little Babe," "Silver Bells," "Carol of the Drum," "Carols Three," and the ever-popular "Silent Night." The Salem High School Chamber Choir also performed. They sang

New Year's Resolutions by Noreen France

Some of the replies we received were:

Miss Hornung — "I resolve to eat less and enjoy life more."

Ron Reedy — "I resolve to take it a little easy on the parties and start studying more."

Mr. Esposito — "I resolve to continue to produce the best journalists in the Mid West."

Juanita Handwork — "I resolve to hold my temper better when I'm talking to my elders and to be the best mother I can for Tanna."

Marci Sox - "To try to stop cracking my knuckles!!!!"

"Coventry Carol," "Dress the House," "The Christmas Symbol," and "Twas the Night Before Christmas." "The concert went very well and I was pleased with the performance of the kids. They did a fantastic job, as they do every year," said Mrs. Jeckavitch. choir director.

A coffee and tea reception was held in the cafeteria following the performance. It was hosted by Mrs. Carol Casey. Mrs. Jeckavitch and the choir hope to see a good turnout this February at the Seventh Annual "Pops Concert."

"Fire and Ice"

by Noreen France

This year, the theme for the White Christmas will be "Fire and Ice" which will be held in the High School Cafeteria. The dance will include the sounds of "Joint Effort." The dance will start at 9 P.M. and will last until 12:00 on Monday, Decem, ber 21, 1981. The dance is strictly for Juniors and Seniors ONLY and no underclassmen will be permitted at the door. Tickets are on sale for \$8.00 a couple. We hope to see you all there and have a very "MERRY CHRISTMAS."

world, the winter season brings ice, cold, snow and best of all . . . skiing!

For many people around the Colo., Vail, Colo., and Vermont are some ski areas that attract thousands each year.

FRIDAY, DECEMBER 18, 1981

Mr. Easton's topic dealt with "Job Interviewing." He began with an exercise allowing the participants actually to see how we tend to keep our minds on only one thing at a time. Instead we should expand our minds to view things as a whole. During the rest of the speech, Mr. Easton gave in-depth information on interviewing techniques and making suggestions to improve our understanding on how to act during interviews.

His presentation was very informative and exciting and it was done in a humorous fashion. This

Christmas Poll

by Chuck DeiVichio

The Quaker Bi-Weekly decided to go around the school and ask teachers what they want most for Christmas. Here are some of their replies:

Mr. Allen — "More victories for the Junior Varsity Basketball team." Mr. Bennett — "A Driver's

Education Car."

Mr. Esposito — "A New York Jets Superbowl victory.'

Mrs. Haddad — "A happy and safe Christmas vacation for the entire staff and student body."

Mrs. Kendall — "A microwave, so I can cook my meals faster when I get home."

Frau Reed — "Lots of snow, so we can go skiing."

Mr. Zinz — "A good holiday for my family."

Mr. Spack "Undefeated the rest of the season for the Varsity Basketball team."

Everyyear, more than 90 million people head for the mountains loaded down with all necessary equipment and some warm clothes!

Originally, skiing was developed as a method of transportation by people who lived in a region of heavy snowfall. The first skis were made from the bones of animals.

Skis later came into use for military battle and finally became the sport we know today around 1800. Skiing, along with other winter sports, joined the winter Olympic Games in France in 1924.

If a person decides to take up skiing, he will need a variety of equipment. First of all, the skis themselves, a pair of ski boots, and a pair of poles are needed. The novice skier must also learn to protect himself from the cold by layering his clothing in such a manner that it prevents the body heat from escaping.

Almost any hill free from rocks, trees, or other obstructions can be a good place to learn how to ski. Special ski areas provide all types of skiing from novice to expert. Aspen,

Skiing is a rather expensive sport, considering transportation to and from the ski area, lodging --- if you decide to stay for more than a day, and rental equipment plus lift tickets which permit you to ride the chairlifts and T-bars up the mountains. An average day would run anywhere from \$25 to \$50 for just rental equipment and tickets depending on if you were skiing the Rockies in Colorado, or some foothills in lower Pennsylvania.

This shouldn't scare the perspective skier off though, as some relatively good skiing can be found in nearby areas for moderate amounts.

If you would like more information about holiday or recreational skiing you may write:

PEEK 'n PEEK P.O. Box 100 Clymer, New York 14724 Phone (716) 355-4141

This ski area is approximately 21/2 to 3 hours from Salem. Or for a special report, call 1-800-282-5393. A recording is usually used when the phone is not manned.

FRIDAY, DECEMBER 18, 1981

Interview With Santa

by Mary Martino

I made the appointment for December 15 at 3:30 P.M. This was my first big story and I didn't want to blow it. Of course I was early so I had about a half hour wait. I sat there and watched people come and go. The phone never stopped ringing. Finally his secretary told me I could go in. As I entered the office I noticed 9 pictures of some very impressive looking reindeer. There was a picture on his desk of a nice little old woman. There were piles and piles of opened and unopened mail scattered on the floor. Behind the desk was a man sitting with his back to me, staring out of the window. I stood there for awhile and waited for him to turn around and then I decided to sit down. At last, he was facing me.

"Hello, I'm Mary Martino from The Quaker. I was wondering if I could ask you a few questions about your life and career?'

"Sure, I'm in a bit of a hurry though, so can we hurry?'

"Fine. First I'd like to ask you, is it always this busy?"

"You have to remember what time of year it is. There are only 10 days until Christmas."

"How much more work do your elves have to do before The Big Day?'

"Elves? Miss, you must be joking. Elves went out with my complexion problem. We're much more advanced now."

"I'm not sure I understand. You mean you don't have elves?"

"I used to, but times have changed. Competition is tough. You would think kids would like to get dolls and drums for Christmas. They don't, though. They want computer games."

"What did you do with all your elves?"

"Well, a few years ago we merged with Mattel and now they all work on assembly lines."

"Do you mind if I ask you some personal questions?"

"No, go ahead."

"How long have you and Mrs. Santa been married?"

"I'm not quite sure. You know men, we never remember anniversaries."

"We know your given name is Kris Kringle, but we don't know much about Mrs. Santa. What is her maiden name?"

"McGarity. Bernice McGarity." "Where is she from?"

"Scotts Bluff, Nebraska."

"Nebraska? Is that where you met?"

"Yes, I was at a carnival during the off season. I guess it was love at first sight because 3 weeks later we got married and went back to the Pole to get ready for the Christmas rush.'

"What did Mrs. Santa think about moving to such a remote place?"

"She didn't seem to mind. You know young kids in love do crazy things.

"Well, thank you Mr. Claus. I really appreciate you giving me so much of your valuable time. And by the way, I have my list right here. Do you think . . . ?

Black Sabbath Review

by Toby Franks

On December 8th, many Salem High School students traveled to Cleveland along with thousands of others to see Black Sabbath live on stage at the Richfield Coliseum.

Since 1970 the band had consisted of Tony Iommi on guitar, Terry (Geezer) Butler on Bass, Ozzy Osbourne on vocals, and Bill Ward on drums. After the "Never Say Die" album Ozzy left Sabbath to pursue his career as a soloist. In 1980, Ronnie James Dio, formerly with Rainbow, joined Sabbath as lead vocalist. The newest addition to the group is Vinnie Appice, percussionist, who toured with Sabbath last year as a fill-in for the sick Bill Ward. Appice is now a permanent member of the band.

After opening act Alvin Lee had left the stage, the curtains were closed and the lights were dimmed. Thousands of butane lighters burst into flame making the dark concert hall look like the night sky. Every eye was on the stage waiting in anticipation for the band's

opening number was the hardhitting "Neon Knights." Although incomparable to Ozzy Osbourne, Ronnie James Dio sang his heart out for his eager audience and, being the talented vocalist he is, did a fine job of it. Tony Iommi's intense guitar playing wailed away, backed up by the thick, solid sound of Geezer Butler.

The song selection went on with some older tunes such as "N.I.B.," "War Pigs," and "Iron Man" as well as some new numbers like "Heaven and Hell," "Country Girl," and the title song from the new album "The Mob Rules." The crowd-rousing encore was "Children of the Grave" truly an anthem for every Black Sabbath fan.

The visual portion of the show included fog, fire and smoke, along with several murals depicting a city lying in ruin after some nuclear holocaust. (Much like the cover of "The Mob Rules").

These elements of theatrics and

Movie Review by Frank Zamarelli

Well, hello again movie buffs. This month's review is not as recommending as my past reviews. The movie I will tell you about this month is "Halloween: Part II". It was your typical low-budget, bloodfilled horror movie, filled with unrealistic scenes and poor acting. The plot, if you want to call it a plot, revolved around a deranged killer stalking a hospital instead of stalking his old neighborhood, as in "Halloween: Part I."

The movie contained many blood-filled scenes, some of which were not in good taste. The acting was horrible, as usual in most horror flicks, and was very unprofessional. The story did keep you on the edge of your seat a few times, but not too often. The quality of the film was good, as it did not contain as many runs and blackouts as most lowbudget horror films.

I would recommend "Halloween: Part II" to any of you movie-goers who spend most of your life at the local movie house viewing these excuses for motion pictures. For you people who want to view a movie that will not damage your intelligence, this is not the movie for you. Wait until another Neil Simon movie comes to town. I think you will get more out of it than out of a cheap horror flick such as "Halloween: Part II."

The producers of "Halloween: Part II" were expecting it to be as successful as "Halloween: Part I." I think people were a little sick of the idea of a sequel to the first one. The sequel idea worked for "Star Wars" and "The Bad News Bears," but not for this one.

"Halloween: Part II" is rated "R"

Record Review

by the National Motion Picture Association of America and requires an adult with any person who is under the age of seventeen. The movie does contain some strong suggestive scenes and graphic violence. I would not recommend bringing a child to see this movie. Like I said before, wait until "The Fox and the Hound" is playing.

That is all for this month. I will be back next "year" to review another flick from the silver screen. Until then . . . HAPPY MOVIEGOING!!

Club News

by Ann Torti

In this issue, the Bi-Weekly will look at various club activities going on at the high school. With the holidays approaching, some of the clubs are beginning to raise money for Christmas parties, while others are doing some type of community service. The Key Club for example, raised money by having a work day in which members did a job, like washing cars or raking leaves, for people of the community. They were later paid and are now putting this

money toward buying eight Thanksgiving baskets for the needy. . The Spanish Club has been having meetings about once a month, and members just completed a cookbook sale in order to raise money for the upcoming Christmas party.

Another language club, the French Club had a hayride and bonfire in October and are planning a meeting for late November or early December.

The American Field Service, or A.F.S. Club held a successful book sale to raise money for foreign exchange students, and are now looking forward to planning their annual Christmas party.

Next issue, the Bi-Weekly will report on the activities of other clubs here at Salem High.

Many new albums have just come out in time for Christmas, it seems. So by special request, we'll look at the Cars. When Rick Ocasek, Greg Hawkes, Dave Robinson, Benjamin Orr and Elliot Easton got together in 1978 they put out the Cars album, and following Candy-O came the Panorama album, which critics shot down. The Cars are back with their brand new album "Shake it Up." This album hopes to regenerate the fans, and with songs like "Shake it Up," "Since You're Gone," and "Victim Of Love," The Cars seem to be on the right track. Future plans for the Cars include a mini tour for January and February of 1982. Other albums that will go good under the tree are Black Sabbath, Mob Rules, Rush, Exit Stage Left, AC/DC, For Those About to Rock We Salute You and J. Giels Band, Freeze Frame. Any of these albums would be a perfect Christmas gift, for anyone who likes music. Like they say on T.V. give the gift of music, and have a Merry Christmas.

A Concerned Elf To Lisa Loudon:

I love you. Will you come on tour

by Juanita Handwork

Christmas is a holiday, on which Christ's birthday is celebrated. It was not until the middle of the 4th century, after Christ's death, that there was such a celebration.

No one knows for sure the exact date of Christ's birth. The 25th of December was recognized as the day feasts and festivals would take place to honor Christ's birthday.

Having the celebration at this time of the year coincided with the Pagan festivals that took place at the turn of the year. The Christmas seized the chance to Christianize the Pagan festivals.

Christmas is a family time of joy, gift giving, and togetherness. The giving of Christmas presents on this day came from Christ's birth. Three wise men came to see the Christ child in Bethlehem when he was born to the Virgin Mary. Ever since, gifts have been given on this day.

Gift giving became a tradition. St. Nicholas, a saint during the 4th century A.D. would give gifts to sick

and needy people of his time. Since then St. Nicholas has been transformed into Santa Claus. Santa Claus is a jovial character, as we know, wearing a red suit and cap and having a long white beard.

Wishing you a Merry Christmas!

The first American's modern day Santa Claus was created by Thomas Nast.

The story of Santa Claus has been created and added to over the years. Santa Claus lives at the North Pole with Mrs. Santa, hundreds of toy making elves and some flying reindeer. Every Christmas Eve, Santa Claus loads his majestical sleigh with millions of elf made toys. After hooking up his finest reindeer, Santa takes off to deliver presents to all of the good little boys and girls. Santa shimmies down the chimney and fills all of the stockings and stuffs all of the beautifully wrapped presents under the Christmas tree.

Listen for Santa Claus this Christmas. Have the best holiday ever.

Jan. 26, Rod Stewart, Pittsburgh Civic Arena.

Nick.

Hope this Christmas brings a lot Bruce, of snow! Merry Christmas, Shari

Bruce Springsteen

When do we leave????

Update on **Snowdays**

by Mike Gbur

Since we are now into the winter months, there may be many mornings due to the weather, in which schools will be closed. The Superintendent Mr. Pond and Mr. McShane go out and determine if the roads are clear enough for the busses to get through. IF not, they alert the radio stations WSOM and WKBN which let all of us know. So in situations where school may be closed, stay tuned to the radio stations and hope.

Boys' Basketball Off To A Good Start

by John Price

After four exciting games this season the Varsity basketball players have a record of 3-1 overall. The season started for the varsity ball players at the Cabas Invitationals. The Quakers taking the championship beat Lake in the first game 60-53 with high scorers being Dave Yeagley with 23 points and Marty Hergenrother with 21 points. In second game against Marlington the Quakers won with a score of 57-50. The two main scorers were Dave Yeagley with 19 points and Marty Hergenrother with 18 points.

In the JV's first game which was played against Girard, Salem lost with the score being 62-45. When the Varsity hit the court the action became really hot. In the 4th quarter with only two seconds left, Salem's Grant Hiner put in a winning shot leaving the Quakers with a score of 55, and Girard with a score of 54.

In last Friday's game against Warren J.F.K. the Salem JV's had a whirlwind comeback. The game ended with Salem winning 50-48. Mike Madison led in scoring with ten points. Brad Jones had eight and Bob Magyros, Ken Schramm, and Joe Noll each had six points.

The game the Varsity played against Warren J.F.K. was the most exciting game that was played on the Salem court in years. Bruce Timko

led the scoring for J.F.K. with 42 points. He handled the ball with a type of magic not seen on Salem courts before. Even with J.F.K. winning with a score J.F.K. 73, Salem 71, the competition was stiff. With the scoring of Marty Hergenrother who had 17 points and Dave Yeagley with 27 along with Jake Sell, Rick Foreman, Rick Tinsley, Matt Ospeck, Joe Marra and Grant Hiner each putting in their share of baskets, the other team had to work hard to keep up. After two overtimes, Bruce Timko of J.F.K. put in the winning basket. Coach Hackett commented that it was one of the most exciting games he had ever seen.

With the MVC being well balanced this year many more exciting games will be played.

When asked what he expects to see in future games, Coach Hackett said he expects to see a lot of improvement. Many of the players are young and don't have a lot of experience.

Coach Hackett's closing statement was, "I feel we will improve. We're playing ten to twelve players a game and getting experience. We will improve as the year goes on."

Going into the last week of the regular season a few teams are still battling it out for the remaining play-off spots. In the A.F.C. one of those few teams is the New York Jets. A win over Green Bay could clinch the first play-off berth since 1969 for the Jets. But on the other side, a win by the Packers could give them a play-off nod, something they haven't seen in quite a few years too. I see the home field advantage giving the Jets a 6 point victory.

The Dallas Cowboys already have things locked up in the N.F.C. east and they're playing the New York Giants. The Giants are hoping for a wild-card berth with a win. But Dallas is too tough an opponent to overtake when they are on a roll. Cowboys by 61/2. Buffalo and Miami are both in the play-offs but both want that divisional title and a bye in the first round of the play-offs. Look for the Bills to down the Dolphs by 3. Chicago playing their season finale will entertain the Broncos of Denver. And entertain they will, as Denver will trounce the Bears by 9.

K. C. just missing the play-offs could come out of the season with a lot of respectability with a win over the Vikes. And they will do just that with a 4 point win over Bud Grant's boys. St. Louis could come out the

Cooker's Corner

by D. E. Cook

'81 season at 500 with a win over the Eagles. But the Eagles won't lose this one as they make their bid for a wildcard spot. Phili by 8. The Tampa Bay Bucs are at Detroit for the divisional crown battle. The winning team goes to the play-offs, the loser goes home for another year. Detroit hasn't lost at home this season and they won't this week either, the Lions to roar to a long awaited playoff berth by $4\frac{1}{2}$.

The 49ers travel to the Super Dome to take on the Ain'ts . . . I mean the Saints. San Francisco possibly the best team in the N.F.L. right now won't mess around with the Saints. S.F. by 12. The Cleveland Browns travel to Seattle in what will prove to be one of the most boring games of the week. But in the end the Browns will come out on top, but still in the bottom, by 3. The Redskins go to L.A. to play the Rams but won't be doing any scalping as the Rams will win by 5. The Oilers, who have had a disappointing season, to say the least, will play host to the Steelers. Houston won't have anything to

is off to a slow start this season with

a disappointing record of 0-4. Three

of the first four games with

Struthers, Beaver Local and East

Liverpool have been extremely close

with the girls losing to these team by

a total of 7 points. Boardman, a

strong team, had defeated the Salem

record, assistant coach Shane

Franks stated, "We are not looking

for a losing season at all." According

to Coach Franks, the girls would

probably be 3-1 right now if it had

not been for injuries. Deb Janofa

and Nancy Maher, both of whom

are Varsity starters, have been

seriously injured. When Maher was

put out of commission in the first

three minutes of the Boardman

game, the girls lost by 13. During the

Beaver Local game Salem was up by

13 when Janofa was injured in the

third quarter. Franks said that Deb

should be back on the floor to do

battle with Alliance but he is unsure

smile about in this one either. Pittsburgh by 8.

In the battle of the two worst teams in the N.F.L. this year, it matches the great New England Patriots against an even greater Baltimore Colts . . . or whatever. Neither team wants to win this one; because they want the number 1 pick in next year's draft. So the team that is best at losing, the Colts, will lose yet another on their way to the number 1 pick. Pats by 1 . . . maybe. In the Monday night game Oakland faces San Diego. Oakland's tough to beat on Monday night but the Chargers want in the play-offs too badly to drop this one. S.D. by 4 over the Raiders.

On down the road to the Super Bowl it looks like this: San Francisco and Dallas will play for the N.F.C. championship and the Cowboys will take by 12...no, just kidding. S.F. by $3\frac{1}{2}$. In the A.F.C. the Bengals look tough but Miami has experience. Miami will take the A.F.C. championship by 4. And in the Bowl the young 49ers will find the going rough but will overtake the adversity and win by $6\frac{1}{2}$.

Upcoming **Bowl Games**

by Bruce Walter

During the Christmas season many people are worried about putting up their tree, getting all the shopping done plus many other little odds and ends. Other people worry about the outcome of college bowl games. It seems that bowl games have always been a part of Christmas and New Year's. Many of the nation's top ranked teams will be playing in a variety of different bowls each hoping to become the National Champion. Here is a list of college games.

Friday, Dec. 18 — Holiday Bowl Washington St. vs. Brigham Young.

Saturday, Dec. 19 — California Bowl --- Toledo vs. San Jose State; Tangerine Bowl — Missouri vs. Southern Mississippi.

Saturday, Dec. 26 - Sun Bowl -Oklahoma vs. Houston.

Monday, Dec. 28 — Gator Bowl - Arkansas vs. North Carolina.

Wednesday, Dec. 30 - Liberty Bowl — Ohio State vs. Navy.

Thursday, Dec. 31 — Hall of Fame Bowl — Mississippi State vs. Kansas.

Peach Bowl — West Virginia vs.

The Salem Wrestling Team is off to an exciting season with a 1-1 record. They lost against a tough Jackson Massillon and beat Canton Central Catholic. There are six returning lettermen

for the 1981-82 season. They are, at 119 lbs., junior Mark Slocum; at 132 lbs., senior Brad Klosterman; at 145 lbs., junior Brian Davidson; at 155 lbs., senior Rob Kaufman; at 167 lbs., senior Jeff Kantz; at 185 lbs.; senior Dave Hayes. Unfortunately, three of these six lettermen are injured and are unable to compete. Underclassmen who are promising are Jim Kataro and Jim Winter.

When asked about his feelings of the season, Mr. Moncheck stated, "I'm pleased, they started off the season with a good attitude and they're doing things right."

The only problems Mr.

Well, all the fall sports have come

to an end and many fine athletes

Despite their 0-4 record the girls are only 0-1 in the MVC. The coaches plan to concentrate on the upcoming league games, try to gain a good position, and shoot for the league.

Girls' basketball did quite well last year and once the injuries are healed the girls will be coming back for another successful season. The girls are preparing themselves to bounce back so come out and support Salem Girls' Basketball.

Winter Track

by Greg Parks

The Salem Winter Track Team during these winter weeks are training both mentally and physically for upcoming indoor track meets. Coach Walter "Bing" Newton heads this hard working group who will run in a possible seven confrontations. Mount Union, South Park, Slippery Rock, Morgon, Virginia, and the Ohio State University French Fieldhouse will be the sites of these meets. These outings will be great experiences to the first time runners who will be participating further down the line. In 1970 the winter track program was started with just eight people. This year there are approximately thirty students. These are both boys and girls together. Even though the weather is terrible and the hours are sometimes long Coach Newton says the kids' attitudes remain excellent.

Fall All-Stars

by Mary Martino

When students attend a sporting

Florida.

Friday, Jan. 1 — Bluebonnet Bowl — Michigan vs. UCLA.

Cotton Bowl - Alabama vs. Texas.

Fiesta Bowl — Penn State vs. U.S.C. Rose Bowl — Iowa vs. Washington.

Orange Bowl - Nebraska vs. Clemson.

Sugar Bowl — Georgia vs. Pittsburgh.

Conference and first team All-Area at center along with John Hutton, who received All-Columbiana County awards and first team All-Area at guard. Bruce Walter earned second team All-Columbiana County and first team M.V.C. and second team All-Area at offensive tackle. Ray Conser, a fine receiver, earned honorable mention All-Columbiana County honor, first team M.V.C. and first team All-Area. Steve Strabala, not only a

Berger, one of the Quaker's cocaptains earned second team All-Columbiana County, first team M.V.C., honorable mention North Eastern Ohio, and was elected as offensive M.V.P.

On the defensive side of the picture, Pat Collins earned second team All-Columbiana County, second team All-Area, and honorable mention M.V.C. Dayne Popa, linebacker, received second team All-Columbiana County, first team All-Area, second team M.V.C. at offensive guard and received the outstanding Quaker award. Steve Chaffin, who was injured for the better part of the year, earned honorable mention M.V.C. Greg Pshsniak, the other co-captain, received first team All-Columbiana County at linebacker, first team All-Area, second team M.V.C., and received the defensive M.V.P. award. Clete Paumier, a safety, received honorable mention All-Columbiana County, third team All-Area, and received the academic award.

The cross-country team placed four people on the County team. Tim Nannah and Tom Nannah made first team. Matt Yerkey and Mike Medford made the second team

The tennis team had many allstars also. Becky Vuksta was named as a Tri-County singles all-star and second team M.V.C. Becky Swartz was also a Tri-County singles allstar and first team M.V.C. Deb Swartz another Tri-County singles all-star was also named to first team M.V.C. Denise Crum was a Tri-County doubles all-star and second team M.V.C. Mary Mozina also was a Tri-County all-star and second team M.V.C.

Wrapping up the fall all-stars is the volleyball team. Nancy Maher was named first team All-Columbiana County and M.V.P. in the county also. Pam Solmen was a first teamer also and received the scholastic award. Kristian Talbot and Tina Miller earned honorable mention honors.

"Leaders are born. Kids that haven't had a chance to lead are now in that position," Mr. Newton said.

Coach Newton said that though the weather was bad for the most part it provided for a sense of team togetherness. The team has no major goals or accomplishments that they wish to achieve this season. In a sense winter track for those participating in spring track is a superb tune up.
