On January 24, 1983, Tom Dechant spoke about the ICM School in Cleveland with its many programs. He spoke of the week held by the IOE Department on February 8, 1983. Proofreading: Mizzie Johnson, Bob Brand, Arlene Weikart, Brian Hendricks, and Tracy Esterly. Typing: Melissa Kerestes, Chris Rand, Cathy Francisco, Dennis Farkas, Julie Pierre, Chris Coaliner, Becky McGuire, and Pam Yarbro. The IOE Department held a logo contest. First place went to Gigi Calal. Runners-up were Tammy Mesieneer and Tania Shaull. A departmental meeting was held on February 11, 1983. Arlene Buzzard spoke to the group about Alcoholism in the business world.

On February 12, 1983, Salem IODE students competed with 14 other schools in the Region Eleven contest held at Trumbull County Joint Vocational School and came home with 18 trophies.

The winners are:
- First place - Tammy Mesieneer
- Second place - Mary Ann Clendenning
- Third place - Kim Erskine
- Fourth place - Gina McEaffey
- Fifth place - Lynette Robb
- Sixth place - Lori Hippley
- Seventh place - Gigi Sonagere
- Eighth place - Lori Hippley

Basketball Sweetheart Crowned

This year's new Basketball Sweetheart is Gigi Sonagere. The crowning took place Saturday the 29th of January at the Salem Senior high school game, when we played Alliance. Gigi Sonagere was escorted by Brian Wright, who is also a student at the Salem Senior High School. When asked what her reaction was, she replied, "I was surprised and happy that I had won." I also asked her if she expected to win and her answer was, "No." Then I asked how she feels now that she's won and she replied, "No different than before," she said. However, I also asked her if she expected to win and her answer was, "I was surprised to be chosen." Gigi's future plans are to go to Ohio University and study education major in Art.

Congratulations to Gigi Sonagere!

Local Newscasters Visit Classes by Terri Leyman

Last Thursday Mrs. Miles' principles of speech class had the privilege of listening to and talking with Liz Lane and Dave Fisher of Youngstown's WKBN television station. Mrs. Miles' principles of speech class will be video-taping commercials and doing radio shows, while her advanced speech class will be video-taping fifteen minutes news, sports, and weather reports. Mrs. Miles thought it would be "good for them to see by their own eyes." Liz Lane, who is Mrs. Miles' youngest sister, was very entertaining. She told stories about covering mud wrestling and related other experiences such as after the truckers' strike some truckers saw their vehicle coming and surrounded the road to try and make a story. Liz is a graduate of Youngstown State University and worked her first jobs at The Salem News and at Salem's WQNK radio station. Liz has done the weather report on the channel 27 news for the past year and a half, and more recently has covered some feature stories on the news. Liz talked about the new color-coded map that allows her to give a more concise weather report and how she can't wear clothes with red, blue, or stripes because they will clash with the colored map.

Dave Fisher is the director on the set of the channel 27 newscast. He went to school in Wisconsin and his first job was in Wheeling, West Virginia. The students got to see a videotaped news report in which they could observe Dave giving Tom Holden, Channel 27's new anchorman, signals on what to do.

Scheduling Takes Place by Kim Welz

It's that time of year again when students have to decide what courses they want to take. Starting February 21st, schedules will be distributed by the counselors. The days are:

- Monday
- Wednesday
- Thursday

Distribution Dates: Counselor
- Juniors 21-25 Mrs. Ward
- Sophomores 22-28 Mrs. Wise
- Freshmen 23-1 Mr. Stoffer

Some new courses will be available this school year. They are Remedial English 1 and 2, for freshmen and sophomores; Introduction to Computers, for juniors and seniors; and Singing, for juniors and seniors.

The counselors will also be handing out scheduling information. They will also be giving the new requirements for some of the Ohio State universities. If students read through these sheets carefully and take their time while selecting classes, scheduling should be a simple task.

Mrs. Ward stressed the importance of returning scheduling forms by 8:00 a.m. on the dates given to the classes, in order to keep this process running smoothly. If students need to change a schedule, the changes can be made in the counselor's office. Students who have difficulties with scheduling are advised to talk with their assigned counselor.

Newspapers In Education Week by Creasy Brooks

The week of February 21 through February 25 has been designated "Newspapers In Education Week." Jointly sponsoring this event are the International Reading Association (IRA) and the American Newspaper Publishers Association (ANPA). Both organizations agree that using the newspaper as a learning tool contributes in the development of a valid, reading habit. They believe that "a reading habit is basic to the bedrock of life skills and the development of critical thinking skills as well as a source of reading materials." Salem High School's journalism class will be participating in the Publishers Association's "Newspapers In Education" program due to its success when introduced in Indiana Schools by the Indiana IRA council two years ago.

For further information about NIE Week — contact Mr. Esposito, Mr. Hough, Mr. Meissner, or Mrs. Corl.

Salem Students Go To Foreign Countries by Lorli Pappel

This year three students will be going to different countries to be exchange students. The three students are Debbie Shone, Connie Stannard, and Carl Kelley. If you have the chance to talk to Debbie and Carl. Debbie Shone, a junior, is going to Germany by way of France and the United Kingdom. Debbie will be gone for a month. She told me that Frau Reed, the German teacher at our school, was her about the program. She said that it sounded good and was looking forward to going. She said, "Yes, I already have the passport."

Carl Kelley is a sophomore and he is going to Japan. Carl told me that one morning on announcements, he heard about someone being an exchange student through the Rotary and anyone interested should fill out an application. Carl said that he did not know what the Rotary was, but being an exchange student sounded fun. Carl got the application and filled it out and that is how he found out that he had been chosen to be an exchange student for the Rotary. Carl will be in Japan for eleven months and will attend a high school there. He said that Rotary is a good program to get into. I asked him what he thought the Rotary was, and he said, "I don't know. I think there will be a lot of short people and strange food." If you would like to be an exchange student, you should see your counselor for information.
