School Enrollment Enlarged

Every fall when we return to S.H.S. for another year we notice a few changes, mainly in the halls in the hall. This year there are 14 new students enrolled. They are Lisa Taylor, Christel Applegate, Jerry Halstead, Carl Kearns, Mike McCrady, Kim Jewell, Tracy Bentley, Vern Johnson, Lani Halstead, Martha Whitacre, Darin Bentley, Vern Johnson, Lani Halstead, and Tracy Bentley.

Attention Seniors

This is to remind you that your senior wallet-size portrait will be taken again this year on December 1. You will need to submit one color and one black and white picture to Mrs. Dohar in room 201. If you have not submitted a photo by December 1 you will need to bring one to your homeroom teacher.

Class Activities

Debbie Nicholas

The beginning of the year brings about the reorganization of the many school clubs. Most have had their elections and are off to a very exciting start.

The Drama Club also began the month with the election of officers. This club got off to a great start this year. I think Chris Good president, Susie Shears, vice president; John Barrette, secretary; and Craig Diehl, treasurer, have some of their upcoming activities include speaking at a ball and raising the yearly banquet.

Academic Recognition

Joe Noll

Salem High School is well represented in the 1984 National Merit Scholarship Program by four seniors. They are Mike Muro, semi-finalist, and three commended students, Melanie Parker, Joyce Richardilone, and Fritz Schlueter. Mike was one of only 15,000 semi-finalists announced by the National Merit Scholarship Corporation (NMSC). He is in competition for one of 3,300 Merit Scholarships. Mike had these comments, "I'm proud and privileged to represent Salem High School in this competition and will try my best in any competition." The commended students placed in recognition are: one of the top six percent of one million participants in the twentieth annual merit program.

Salem City Schools should not receive further consideration from the committee, each one has demonstrated extraordinary academic achievements. Each student will be honored with a letter of commendation.

The Quaker congratulates these students and wishes lots of luck to Mike in his quest for a scholarship.

Governmental Participation

by Ginda Woods

Each summer representatives of the Salem Board of Education and Boys State. This individuals are sponsored by the local American Legion. These individuals and their offices were Mary Mosina, State Board of Education; Alice Sarginer, City Council Clerk; Joy Richardson, different in a computer; State Examiner and Auditor; Monson Carter, in the field. All are real students at Ashland College. Representatives Molly Robertson, City Voter Registration.

Representatives to Bucksie Girl State 1983 at Bowling Green University and her office and were as follows: Gary Collins, Chief Clerk for the State Treasurer; Rocce Mango, Senator; Carl Apiciella, City Council; David Dent, Assistant County Auditor and Mike Madison, City Engineer.

The majority of the delegates agreed that it was a learning and fun experience for Gary Collins remarked, "It was a good experience and I met a lot of new friends." David Ward had very similar feelings and he also added, "I learned a tremendous amount about fiscal government." Mary Mosina stated, "It was the best experience I ever had." Congratulations to all delegates who helped make Bucksie Girl and Boys State 1983 a great experience.

New Teachers Hired

by Julie Parrish

I would like to welcome the new teachers and give a general idea of who they are.

Mrs. Kendall is on a one year leave of absence and Mrs. Maule is taking her place as the new gym teacher. Mrs. Baillie graduated from Poland High School. She also attended Bowling Green and was a member of the ski team. She graduated from Youngstown State. This is Mrs. Baillie's second time teaching at the high school. She formerly taught here from 1976 to 1980. During this time she reached the two infant football teams, the two-year-old, which she also the cheerful adviser for two years.

Mr. Tamati is replacing Mr. Long. He will be teaching mechanical Drawing and Basic Electricity and Electric II. Mr. Tamati graduated from Salem High School in 1977. He played football for one year at Fairmont State and graduated from Bowling Green. Mr. Tamati is also coaching the junior basketball team. Mr. Schorni is taking Mrs. Jackavich's place as the choir director this year. Mrs. Schorni graduated from West High School in this class. She also attended Heidelberg College. This year's officers are Chris Good, president; Susie Shears, vice president; John Barrette, secretary; and Craig Diehl, treasurer. All of these students placed in the top 10 percent of their high school class.

If you qualify, you will receive a letter from the Merit Scholarship Corporation stating you are eligible to apply. The two-mill levy would be a temporary levy limited to a period of five years. It would generate about $7,500,000 dollars. This money could be used to construct, renovate, remodel, rehabilitate, improve or equip buildings and facilities. They cannot be transferred to the general fund or used for daily operating expenses or salaries.

At our school, thorough review and inspection of the buildings, the items under consideration for much needed this year.

Funds can be used to construct, renovate, remodel, rehabilitate, improve or equip buildings and facilities. They cannot be transferred to the general fund or used for daily operating expenses or salaries.

The community intervention program was developed to help young people deal with any problems associated with drugs and alcohol, either their own or that of someone they care about. The people involved in this program are only trying to help. There will be no punishment by the school if you seek help from the community intervention program. Also, the information which you give these people will be kept confidential.

The staff involved in this program include Mr. Allen, Mrs. Bou, Ms. Carmello, Mr. Kendall, Mrs. Motesonile, Mr. Shivers and Mrs. Yokabek. Each person involved is willing to help, but you must take the first step in contacting these people and letting them know of your problems.

Soon there will be a group session training. This is to allow the teams of counselors to develop the materials to talk to staff members and others about the problems associated with drugs and alcohol. Also, there is a support group being planned. This group is for students who have drug related problems in their homes.

The community intervention program will not receive further consideration from the committee, each one has demonstrated extraordinary academic achievements. Each student will be honored with a letter of commendation.

The Quaker congratulates these students and wishes lots of luck to Mike in his quest for a scholarship.
The Quaker, once again, decided to ask some of the new freshmen a couple of interesting questions ...

What were your first impressions of this college?

Dina Hartman — "It was Big"  
Amy Ludwig — "It's better than the Junior High"  
Brett Bezeredi — "It's Bigger"  
Kim Law — "It's Nicer"  
Chris Abrams — "It's Fun"

Lisa Esterly — "I wasn't afraid of the college at all."

What do you think the major differences are between the Junior High and the Senior High?

Danna Zorik — "More Freedom"

Mike Hartzell — "You can chew gum"

Rich Kenning — "More Classes"

Craig Bryant — "The Girls"

Kim Tullis — "Everything is Different"

There are you have it! The freshmen seem to be doing just fine!

Quaker Volleyball

The Salem High volleyball team has had a tough luck season as their 4 win and 9 loss record shows. Coach Conser feels the team has potential and does not want us to give up on them.

The team will be hosting its annual Invitational on October 8th with such good caliber teams as Beaver Local, Crestview, East Palestine, Marlinton, Mason, Jackson, United Local and West Branch.

Mr. Conser feels that the senior leadership of Kris Talbot and Tanya Pleshak will help during the Invitational. Having Pam Strabala back in shape will help too.

The volleyball team would like to thank the fine student body support at their home games.

The Quakers wish the team best of luck in the Invitational.

Quaker Football Forecast

by Brian Metz

This is the Quaker's problem. The Quakers, for the mighty Quakers go up against a pretty fierce rival — the Canton Cardinals. Larry Canfield has been pretty tough on quarterbacks. I don't think the sources in Las Vegas have informed us that our Quakers are a pretty tough bunch. My score prediction is 24 to 17.

Birth of "Heavy Metal"

by Brian Metz

Most experts agree that "heavy metal" rock n' roll was born in the late 1960's. A couple of interesting questions ...

The Quaker's only live basketball game for spring training umpiring.

Walt DeShields was a baseball and basketball player in high school. He set a record scoring 45 points in one basketball game for the Quakers. He was a player at Ohio Northern University where he went to college. The Ohio Northern baseball team has won the Ohio Athletic Conference (OAC) championship the last two seasons.

He set a Northern record for the group’s dispersal, Plant has come to an agreement that the group in history has ever done this. The group's only live basketball game for spring training umpiring.
