Seniors Rule For A Day

by Laura Huzyak

On Tuesday, May 7, twenty seniors participated in the annual Youth in Government Day sponsored by the Salem Jaycees. Many commented on their expectations of the experience or how they became interested in being a participant.

Nick Watkins, the Law Director, stated that, "As Salem's attorney, I plan to protect and defend the community until every case brought against it is thrown out of court, or until 8:30, whichever comes first."

Charlotte Johnson, the President of Council said, "I think it will be interesting to help run the city for a day."

Beth Young, Safety Director, said participating in Youth in Government Day "gives us a chance to get involved in the city."

Chris Good, Clerk of Council, noted that she finds "politics interesting and I'm glad to be a part of it for a day. Looking forward to saying 'seven yeas Mr. President!'"

LeAnne Zimmann, the 2nd Ward Councilman, said, "I'm looking forward to seeing how our own local government functions from the inside."

Drew Goddard, the 4th Ward Councilman explained that as he

was "growing up in the 4th Ward I felt a need for helping our ward of the town. I'm looking forward to working with Mr. Muntz and currently planning to impeach Steve as Mayor."

Tim Herron was selected to be a Councilman at Large and said, "I'm with Drew on the impeachment. I'm really looking forward to Chris Good saying 'seven yeas Mr. President.'"

Kevin Beck noted that Youth in Government Day is a "good experience for seniors to get invloved in government because they're just coming out of high school and will see how government really works." Kevin was the 3rd Ward Councilman.

Mike Lesch, Salem City Auditor, said, "I'm honored to be chosen to participate in the Youth in Government Day, but I don't see how I'm going to handle the city's money when I can't even handle my \$5 a week allowance."

Steve Julian was selected to the most prestigious job, Mayor. Steve said, "After I close down city council and fire the zoning director, I'm going to let my grandmother build a new garage!"

Sam Marino, Zoning Director, came back with, "I'm not letting Steve's grandma build a new garage... after we impeach the mayor."

Detria Kleon, 1st Ward Councilman, stated, "As I was growing up in the 1st Ward, I found a growing urge to save Steve from the angry councilmen and impeach our real Mayor. Hively and Kleon for State Representative!"

Dave Edling, the third Councilman at Large, commented that, "Detria, Steve, and I are going to form a triumvrate."

Other participants included, Bob Magyaros, second Councilman at Large; Shari Huffman, Treasurer; Doug Rufer, Fire Chief; Chris Kenreigh, Police Chief; Tim Scharf, Service Director; and Jeff Mitchell, Parks and Recreation Director.

MPG Picks Up

by Kerig Taylor

As the year winds down, the Microcomputer Programers Group (MPG) starts to pick up. They attend more contests. At a contest the group picks a team to represent them. The team members, usually 4, solve programs in a given amount of time. The MPG has already attended three contests, one at Y.S.U. where they placed seventh. Then with somewhat low spirits after a small set back, they held their own contest called the "Bring Your Own Computer," B.Y.O.C. for short. The team placed second. Recently the group sent a team to Westminster and came home with second place. On May 16, a team will be sent to John Carroll University in Cleveland. The team will be gone all day. Mr. Bevington, advisor, stated "This will be the group's hardest contest this year," but he felt that the team should do well. The team will be competing

against 60 other teams from 60 different schools (1 team per school). An unusual item about this contest will be that the teams will be provided with a lunch but no lunch break. The teams will have to eat on their contest time. On May 21, a team consisting of six members (usually 4) will travel after school to Canton for their last contest. The contest will be similar to the one the MPG held, a B.Y.O.C. When asked how the team might do Mr. Bevington commented, "I think the team will do very well. I think this is our contest." Last year the informal MPG went to many contests, but this year they will have competed in the most contests the MPG has seen.

The Quaker would like to wish the MPG's teams good luck in the up and coming contests and congratulate them for their accomplishments in the past contests.

Class Of '85 Saluted

by Jim Beer

Channel 27 WKBN-TV and The General Motors Corporation will present "Salute to the Best of the Class of 1985." There were five Seniors picked for their accomplishments of teenage achievers in their pursuit of academic excellence. These five people were Amy Cluren, Steve Julian, Tim Herron, Mike Mendelsohn and Scott Smith. These people will be invited to a tape session and picnic on the station grounds on Saturday, May 18, 1985 from 9:15 to 1:30. They will tape for a 60-second public service announcement on Channel 27, to be showed during June 1985. The school and staff would like to congratulate these people for their achievements.

Eric Grieb, 1985-86 Salem Band drum major. Congratulations, Eric!

Activities Planned

by Gloria Buritica

In the months to come the following clubs are planning many activities:

INTERACT

Interact has just elected new officers for the '85-'86 school year. The newly-elected president is Valerie Davis, vice-president is Mary Schehl, secretary is Kathleen Schmid, and treasurer is Eric Stephens.

The club is planning on taking a trip to Cedar Point. Also, on Tuesdays a few of the members attend the weekly Rotary Luncheons.

STUDENT COUNCIL

The Student Council bought donuts for the SHS teachers in honor of Teachers' Day. They are

also planning a cook out for the end of the year.

SPANISH CLUB

The Spanish Club is planning a field trip to Chi-Chi's on May 22.

HONOR SOCIETY

The Honor Society is planning on visiting Cedar Point on June 12.

ACADEMIC CHALLENGE

Some members of the Academic Challenge team participated in the Biology Olympics at OSU. The participants were Nick Watkins, Rick Watkins, Becky Prickett, Brian Gilby, Eric Gilby and Roxanne Hostetter. Mrs. May and Miss Hasson were the advisors.

GERMAN CLUB

German Club is planning on a field trip to Geauga Lake in the coming month.

OWE Cleans Up

by Melanie Howells

On April 27 from 10 A.M. to 3 P.M. the Salem High School OWE students (Junior Occupational Work Experience) collected litter for clean up Salem Day. Many civic groups, youth groups and athletic groups helped collect litter on Salem's cleaning day. Mr. Kunar, OWE teacher, was the leader of the litter collecting drive. When interviewed, Mr. Kunar said they had 103 volunteers to collect and that they collected 108 bags of litter. When asked how he felt about the outcome of Clean Up Salem day he replied, "I was pleased with the results, but we could have had a better response."

The Quaker would like to congratulate the OWE students and the Salem volunteers for a job well done.

Boys Running Fine

The Salem boys' track team, under the coaching of Walter "Bing" Newton and the assistant coaches Mr. Ralph Hoehn and Mr. Bob Mehno, is doing an overall great job this year.

Looking at the dual meets they have had so far this year, (a dual meet being a track meet where only two schools are competing against each other), shows just how well the boys team is doing. So far they have had five dual meets, (the outcome of the meet with J.F.K. held on May 7 was not known at the time this article was written) and out of those they have won four (against Struthers, Poland, Girard, and Campbell Memorial). The only school to beat Salem at dual meets so far is West Branch.

At the county track meet, held on the 29th and 30th of April, Salem

placed fifth. Salem now has three track meets left. The only meet left at home is the Mahoning Valley Conference being held on May 10. Word from a few key members of the team has it that spectator attendance at the home meets has been very low. Although these members of the track team understand that a track meet may not be as thrilling as a football game or as fast paced as a basketball game, they feel that a few more spectators would be nice.

The Salem boys' track team is a relatively young team with only seven seniors now on the team. Altogether the team has approximately 39 members due to a high number of people quitting the team for one reason or another. Salem has done a good job so far this season. Let's get out and help them finish up their season on a winning note.

J.V. Cheerleaders: From left, Beth Haschen, Laura Newton, Beth Capel, Colleen Lora, Lacey Campbell, Lori Wilt, Colleen Hutton, and Keela Lowry.

Varsity Cheerleaders: Valerie Julian, Christine Sweitzer, Kim Law, Lori Wilson, Sharon Ewing, Melinda Pence, Julie Paumier and Patty Noles.

Cheerleaders Chosen

by Dave Milhelm
Cheerleading tryouts were held on Friday, April 26. Next year, the squads will have eight girls on both varsity and junior varsity. The newly chosen junior varsity cheerleaders are juniors Laura Newton and Beth Capel. The sophomores are Lori Wilt, Beth Haschen, Colleen Lora, Colleen Hutton, Keela Lowry, and Lacey Campbell. The varsity cheerleaders are juniors Christine Sweitzer, Kim Law, and Lori Wilson. The seniors are Valerie Julian, Julie Paumier, Sharon Ewing, Patty Noles, and Melinda Pence. Next year they will receive new football uniforms, new varsity uniforms for home basketball games, and twenty-four sets of pom-poms. They will attend cheerleading camp at Kent State University July 9 through July 12.

Vocational Dept. Does Their Part

by Melanie Howells

On Saturday, April 20, the vocational department rounded up some students from Accounting/Clerical I and II, Steno I and II, Drafting, and Machine Trades to do their part in charity and collect for the American Cancer Society. When the Quaker asked Mr. McShane, the Salem School's vocational director, how the vocational department came about working for the Cancer Society, he replied, "We were asked if we would by a cancer society representative and the vocational students responded well." Mr. McShane was pleased with the number of students that offered their time to help charity. When asked how he felt they did, he stated, "They did extremely well with the exception that the Sunday was a bad time to catch people at home." He said that they left envelopes for people who weren't home so they could send their contribution. He wasn't sure how much they made because of the contributions sent in to the Cancer Society.

The following students should be thanked for their work at helping the Cancer Society.

LOUDERMILK A PRO

by Mike Lesch

Former Salem High football standout Kirk Lowdermilk will be switching his colors from the scarlet and gray of Ohio State to the purple and white of the Minnesota Vikings. Lowdermilk who was a first team All-Big 10 and a second team All-American this year was recently chosen in the third round of this year's N.F.L. Draft by the Vikings.

Lowdermilk who stands 6'3" and weighs a bruising 260 lbs. was the state AAA wrestling champion in 1980 and credits his winning the title as the main factor of his being in the position that he is. Kirk has been projected as possibly seeing a lot of action next season.

Congratulations, Kirk, and Good Luck from the Quaker.

Dancing The Night Away

by Nan Webb

Cruise Director Jennifer Schlueter and Captain Joe Marks greeted "passengers" aboard the SHS Caribbean on Friday, May 3, at the annual Junior-Senior prom.

Other members of the crew included Beth Capel, Sue Patterson, Christine Sweitzer, Sharon Corl, Joanie Burchfield, Holly Clark, Chris Cosgrove, Dawn Pitts, Mindy Schnader, Nick Citino, Craig Bryant, Andy Brooks, Dale Jenkins, Chip Null, Tim Shaffer, Doug White, Ted Schuster and Richard Wrask.

The "ship" was decorated with balloons and colorful murals, with the courtyard being the site of a pool with lawn furniture surrounding.

The elegantly dressed "passengers" were attired in gowns and tuxedos. Strapless dresses and hoop skirts were very popular this year among the girls. Boys dressed in the traditional black, white, and gray tuxes.

The after-prom carried the theme of a cruise out to a tee with a cruise down the Ohio River on the Liberty Bell. It was an all night trip out of Pittsburgh. While on the boat, passengers danced to music spun by disc jockies and ate snacks. Chilly weather prevented many from going outside to the upper decks of the boat. However, everyone seemed to enjoy themselves thoroughly.

Baseball Team Gets It Together

by Mike Lesch

As this year's Varsity baseball season is coming to a close it is time to take a look at next season.

Although this year's team did not have a good season, it should be a productive one for years to come. This year's team only had two seniors which meant that this year's team was practically all underclassmen. If they work hard over the off-season, they should be tough next season.

Jim Burchfield and Tim Herron were the only two seniors on this team compared to last year's team which had nine seniors.

Juniors Lee Good, Rich Elias, Frank Bezon, Tubby Roelen, Paul Schlueter, Mark McCartney, and Rich Huffman all provided great leadership at times. They all have one more season together. It could be a great one.

Sophomores Teddy Schuster and Joe Marks were tough at times. Schuster did a good job this season as the starting catcher.

Freshmen Paul Totani, and Scott Sommers have been nothing but superb this past season. Both should be excellent by the time they graduate.

As of lately the Quakers have been tough. Last week they won all three of their games. They beat Canfield (5-1), Struthers (8-6), and Hubbard (5-0).

Tough Season For Tennis Team

by Nan Webb

The boys' tennis team has had a tough season this year. Their record stands at 2-10 with the two wins coming against West Branch and Champion.

"We have a lot of underclassmen this year," commented Coach Kirk Ritchie as he pinpointed a cause for the poor record. Steve Sommers will be the only senior that the team will lose through graduation. Other members of the 1985 team are Doug Morris, Steve Rosar, Jeff Swartz, Matt Althouse, Jay Mager, Neil Heston, and Mark Mueller.

The sectional tournaments were played yesterday, May 9, at Mill Creek Park in Youngstown. There is one away match remaining. It will be played this Monday, May 13.

Girls' Track Doing Well

by Dave Milhelm

The girls' track team, 5-1 in dual meet competition, is doing very well this season as they head into the MVC meet today at Salem.

The Quakers did very well in the county meet last week. They broke two county records and finished second overall. Tracy Esterly broke the mile record with a time of 5:27. The 3200 meter relay team of Sue McKinney, Melinda Wilms, Dina DiPasquale, and Keela Lowry broke the county record with a time of 10:29. Eleven teams participated in the event.

"The season is going very well," commented senior leader Tracy Esterly. "I'm the only senior on the team, and with only seven upper-classman they will do very well the next few years."

The team is 4-0 in MVC action this year and will finish off the season with Canfield.

District action will be held on May 16-18 with regionals the following week and state the week after that.
