Jon Santini — Attend Bowling Green State University to major in sports management and athletic training.

Becky Williamson — Attend Walsh College majoring in special education.

TACT Graduation Weekend

By Melanie Ballentine

The annual TACT Graduation party was held this past weekend, May 24-25. The night first began at the Golf Club with dinner, followed by a dance. WDVE DJ Bill Nemeth supplied the music and Ed Sullivan was on hand to draw caricatures of the students. Door prizes were supplied by area merchants. At midnight the gang met in the High School parking lot for a police escort out of town to the Cozza's house where food, music, swimming and lots of fun continued until 7:00. TACT parents made breakfast and got everyone on the bus to go to Bolivar for a canoeing trip down the Tuscarawas River. TACT parents had a delicious packed lunch with subs supplied by Nemenz Foodland for everyone when the ride was over.

The gang then boarded the bus back to the Cozza's to gather up their belongings and head for home with a lot of fond memories of the weekend.
