"Nothing in this world can take the place of persistence. Talent will not; nothing is more common than unsuccessful people with talent. Genius will not; unrewarded genius is almost a proverb. ## Life is as a River

By Nick Swetye

Life is as a river, ever reaching for the sea  
 Our future is ever flowing, moving forward as are we.  
 At times we sit on its banks and play on its shores  
 And simply watch as our time here flies by  
 But we cannot resist for long its summonings  
 Life will take us where it wants we to be  
 Forever wanting us free to fish its waters  
 For the Question whatever the Question may be.  
 -Nick Swetye

There is more to life than good grades, or popularity, or even rules and laws. Lighten up, fall in love with nature, get close to someone, and discover for yourself what the Question may be.

"The empires of the future are the empires of the mind."  
 --Winston Churchill

# Senior

As the proud members of the class of 1999 depart for the last time, there are certain things they would like to leave to their underclass pals and others unfortunate enough to be remaining here at SHS for another year. Here are some of the precious objects and bits of wisdom that the seniors leave behind. ...

**Kevin Allison**-don't get to know Mr. McDevitt, Mr. McShane, or Mrs. Wilms in a business manner. Keep it friendly.

**Brent Altenhof**-my calculus folder (with all the homework) to anyone with fifteen dollars.

**Amy Anderson**-the best of luck in the future-and to the underclassmen, enjoy the memories while they last.

**George Andres**-the Keener Beater 2000 (a drumstick) to Brandon Hill.

**Lou Angelo**-if you ever have the opportunity to go to Cancun, Mexico, take advantage of it. You will have the time of your life.

**Brian Bailey**-do not look forward to your senior year because seniority is not a tradition at SHS. (Zero tolerance will be in effect???) Make fun out of everything you do. If it's not fun, make it fun.

**Hannah Bails**-to all the underclassmen: I will the strength to deal with all the stupid rules.

**Matt Baker**-I leave my picture of Lauren Adamson to all the guys who think she is hot.

**Michele Bateman**-I want to will my ability to make jokes and put up with other peoples stuff to "Pete"

Smith.

**Dustin Bates**-just say no to Mr. Powers and Mr. Turner.

**Maggie Berthold**-I'm going to will the lock on my locker to Buffy so she won't lose anymore books. I'm also willing my rat to Cheese Berger so he can eat it when Small Paul eats his rat.

**Cory Blankenship**-I will Chip Cleland and Skyler Baum my awesome chess skills and I will Ben Kolozi and all-expense paid trip through bat country.

**Lantz Bricker**-the one inch pencil that I have used all year.

**Jes Brooks**-all colorguard: my pole dance and Jen Merry: dancing in my living room.

**Lisa Butch**-I will Sarah Yak, Sarah Gay, and Courtney Dunlap a light shotput to throw at Girard, and nothing to the gnomes because they are mean.

**Scott Carlisle**-I leave the underclass students my ability to make it to school on time after waking up at 7:40.

**Joe Clutter**-I would like to will Mr. Spack my ability to play a good practical joke, Mrs. Wilms my sense of humor, Lian Jones my body so she can worship it and forget about Jeff, and Mr. Parks a life supply of

Q-tips to battle that pesky cerumen (ear wax).

**Chad Copacia**-learn to throw good parties like the "Big 3".

**Casey Crawford**-my front yard.

**Brian Crouse**-advice: be careful in your chemistry labs.

**Adam Davis**-that the infamous zero tolerance policy works as well for them as it did for us. (sarcasm)

**Sarah Elder**-I will "Senior Privileges" to my brother Mitchell.

**Mandy Prendergast**-I wish to will next years art class the strength to go through Ms. Yerebs class and all the sleepless nights that go with it. But most of all that your dreams come true.

**Angela Rank**-I will Frick my phone number so I can "B" there on partner day.

**Erica Raymond**-I will "Pedro" to Jocelyn Bezeredi.

**Lelia Morgan**-I will all underclassmen the knowledge that there is a world outside of the USA and the only freedom you have to lose is the freedom of ignorance.

**Tiffany Mosher**-I will to my brother the right to act like an idiot-when he's had too much and all our confidential conversations.

**Matt O'Brian**-I leave Robby Powell our table's 5C lunch trays.

**Jenn Palmer**-I will Katie Yoder the privilege to exit any bus first! (know your allowed Yoder!!) And you can have my seat too! But remember, "NO SENIORITY"!

**Ryan Pasic**-my football jersey to my man, Jake Conrad (a.k.a. Puma).

**Richie Pasco**-I will Brian Cushman the name of my barber so he can get a nice hair cut (penguin).

**Danielle Plegge**-to my sister Deidre: To stand up for yourself and never give up. I know you have a good heart-never let anyone take advantage of that.

**Anne Roberts**-I will my brother my cheery disposition and my excellent "people skills".

**Celeste Elliot**-to Sarah Gay: I leave the Darrell/Kevin locker, the legacy of the Man, and the story of the Donut Fairy so that it may live on.

**Kari Farris**-I would will my seniority to the juniors, but since we didn't have any, it is pretty hard to hand it down to someone else.

**Jason Fennema**-I leave Spike my soccer skills, 'cause we all know he needs 'em.

# CLASS OF 1999

## Wills

**Hannah Fritzman**-I will Jaci Drake my "B" average, stop stressing babe!  
**Sarah Lederle**-I will Justin, Paul, and Steve my stalking kit; Ed Butch a portion of my superior brains (he needs all the help he can get); and I will the Gnomes a life sized portrait of our lunch table so that they will never forget our witty lunch time banter.  
**Kate Melitschka**-to Mr. Shivers, always remember our song, "Hey Mickey".  
**Brooke Mehaffey**-I wish to will Mr. Parks a cow and a tractor. Just about everything he can relate to farming in Advanced Bio.

**Laurie Lutz**-sympathy for all underclassmen for having to further their education at Salem High School.  
**Jenn Hart**-I will my brother the privilege to date Lauren when he is 16.  
**Luke Simon**-I would like to will my legacy of scandals and sweet talking to any underclass who would like to try and follow in the footsteps of myself. I also will

the "Simon" family name and tradition to Bret Simon, who is the last Simon male to come through Salem High School. Good luck to all and make the best of these times, you'll never get them back!

**Tanna Handwork**-I will 3 more years of "0" tolerance to my "little" brother, Bubba.  
**Jennifer Grubaugh**-I will Carrie Malone the strength to make it through one more year.  
**Kristin Graham**-I will the underclassmen all the never-ending and boring math classes.

**Mike Miller**-I would will my seniority to this year's juniors, but the seniority is banned by "zero tolerance".

## Teacher Wills/Advice

The *Quaker* asked staff members to give advice or a message to the departing seniors, directed either to the class as a whole or to individual students. Here are the responses we received.

**Mr. Spack-** Two pieces of advice:

First, a quote from one of my favorite authors, Dr. James Dobson:

“I have concluded that the accumulation of wealth, even if I could achieve it, is an insufficient reason for living. When I reach the end of my days, a moment or two from now, I must look backward on something more meaningful than the pursuit of houses and land and machines and stocks and bonds. Nor is fame of any lasting benefit. I will consider my earthly experience to have been wasted unless I can recall a loving family, a consistent investment in the lives of people, and an earnest attempt to serve the God who made me. Nothing else makes much sense.”  
Second, smile!

**Coach DeShields-** To all the track and field athletes, I had a great time getting to know you and work with you.

**Mrs. Dohar-** Live your life as an **EXCLAMATION**, not an **EXPLANATION**!

**Mrs. Marhefka-** Pursue your dreams! (As long as they are legal and moral.) Don't look back on your life and say “If only I had tried to be a \_\_\_\_\_?” Go for it!

**Miss Carmello-** “When you look back at a year- if there are not tears of incredible joy and sadness, it has probably been a wasted year.” (writers of *Ally McBeal*). Don't waste your years- live them fully, experience life- have fun- and please don't whine! Good luck and God bless!

**Mrs. Johnson-** Get out of town! It's a big world out there! Join the Armed Services if you have no other plans. Be polite. Come back for your reunions- you'll be surprised.

**Mrs. Schneider-** CBE students- Thanks for a great learning experience this year. If you live by the idea that “you can never take back any words or actions,” your life will certainly be successful! Good luck and God bless you in your future endeavors!!

**Mrs. Wenderoth-** Congratulations and best of luck to all graduating seniors.

**Frau Reed-** Herr Beck and Herr Wolf: Studiert stark und lasst eure schlechte Gewohnheiten zuruek.

**Anonymous-** Live each day as if it were your last and never go to bed angry with someone.

**Mrs. Dye -** Have fun in college, take your research manual, use it wisely... but remember that James Lester probably had no social life to speak of!!!

## Key Club Pies Away I.D.D.

Bo Rottenborn

I'd love to give him a pie in the face.

Has this thought ever crossed your mind? The Salem High School Key Club is hoping that it did because from May 8-22, you made that thought a reality through Key Club's "Pie Away I.D.D." project. Five well-known men have agreed to become part of this project to help eliminate I.D.D. Mr. Stellers, Mr. Janofa, Key Club Faculty Advisor Mr. Washinko, Key Club Kiwanis Advisor Gene Byler, and myself, Key Club President Bo Rottenborn

are all candidates to receive the pie. You decided which one "won" by donating money in the appropriate slot of the box at the end of the lunch line. Whoever had the most money on May 22 will get a pie in the face at the Key Club Year-End Party. Perhaps the most intriguing question is who will have the honor of throwing the pie. The Key Club has decided to put up the pie for auction at the Year-End Party. The highest bidder will have the opportunity to throw the pie in the face of one of these fine gentlemen.

This project is the latest in a line of Key Club service initiatives which focus on the Worldwide Service Project of eliminating Iodine Deficiency Disorder. I.D.D. is the world's most prevalent preventable cause mental retardation. It affects millions of people around the world. In fact, one-third of the Earth's population is at risk for I.D.D. It is prevalent in many third-world countries because the iodine in their soil has been eroded away. I.D.D. has already killed more children than any war

or natural disaster ever has or ever will. UNICEF, Kiwanis International, and Key Club International have dedicated themselves to eliminating this dreaded disease. It takes just one nickel (\$.05) to save one person from I.D.D. The Salem High School Key Club has raised over \$1,000 this school year alone to combat this terrible disorder.

And if eliminating this disease means taking a pie in the face, then all I can say is "Break out the whipped cream!"

Heidi Talbot

On March 6, the journalism class attended Press Day at Youngstown State University. During the opening ceremony several journalism students were honored with awards. Megan Stockman received honorable mention for the design of her sports ad. Nick Sweteye was acknowledged with an honorable mention for his short story, and he shared a second place award with Sarah Lederle for their feature

story. Rachael Protzman earned second place for one of her opinion pieces. Students were required to attend three sessions. Each session had at least eight classes to choose from, about different journalistic activities, pointers, and careers. After the last session all those attending listened to Mara Liasson of National Public Radio who was the guest speaker. The day was brought to an end by the small awards ceremony.

## Tennis loves the NET

The boys' tennis team swept the North Eastern Tennis league tournament. Teams that competed were East Palestine, East Liverpool, United, West Branch and Salem. For the first time in the NET's history, Salem's A team won all five positions. Nick Swetye was the NET

Carey McDermott

champ. Making first team all NET was Swetye, Bob Rottenborn and Kevin Bush.

The team also competed in sectional tournament. Bob Woolman won two matches in singles play. In doubles action, two teams advanced to the quarterfinals. Members were: Swetye and Bob Rottenborn, Kevin Bush and Rob Wolkien. Both doubles teams lost in the quarterfinals.

## Baseball is making the trip

Sarah Panzott

The Quakers have started their road onto tournament games. Their first sectional game was on May 3, at Ravenna. Salem's Matt Wolf pitched the whole seven innings before putting the Ravens away. He stuck out 13 batters and had no walks. Mike Douglas hit three RBI and had three runs scored. Ryan Gross was 2-2, had 2 RBI's and finished out the scoring with a single. The Quakers' win moved them to 14-7 on the season.

May 10 the Salem Quakers traveled to Mantua Crestwood where they continued the tourney play. The Quakers defeated them 3-1 to give Salem the sectional title. Wolf was the winning pitcher, striking out seven and only walking three. Wolf, Josh Wolf and Mike Douglas scored for the Quakers. Jeff Elder had two RBI's. Salem is now 16-8.

May 17 the Quakers traveled to Cene Park in Struthers for the district semi-finals. The results were the Quakers winning against Chaney 6-3. As *The Quaker* went to press the team was rained out in district finals in a game against Lake Perry with half an inning left to play and a tied score of 1-1.

## Softball ends season on a high note

Chris Williams

On May 13, the Salem Quakers' softball team played their last game of the 1999 season. They ended the year with a 4-14 overall record and a 2-12 record in the Metro Athletic Conference. They finished tied for seventh place in the MAC.

Salem was defeated by Niles 3-0 on May 3. Sophomore pitcher Elizabeth Protzman gave up only two hits to the Red Dragons and had a no-hitter after four innings. Unfortunately for the Quakers, they were no-hit by the pitcher for Niles.

The Quakers lost to MAC rival Howland on May 6 by the score of 16-4. Salem committed seven errors in the game, the

## Track team crosses the season finish line

Chris Williams

Both of the Salem High School track teams are in first place in the Metro Athletic Conference as of this printing. The Boys' team has record of 3-1, defeating Struthers, Niles, and Canfield and losing to Poland and Girard. The Girls' team has beaten Struthers, Niles, Poland, and Girard and has only lost to Canfield, earning a 4-1 record.

Head coaches Frank Parks (boys) and Yvonne Parks (girls) both agree that the teams have made great progress throughout the season. "Both teams have been great to work with this year," said coach Frank Parks. "We have had great senior leadership. We are looking forward to the MAC meet. We have the potential to do very well."

Between the two teams, four Salem school records have been broken. Senior Joe Sox broke the record for the 110 meter hurdles and senior Eric Hodgson broke the record for the 3200 run. The girls 4 x 800 relay team not only ran better than the record time, but also currently has the all-time record for teams in Division I of the state. The boys 4 x 200 relay team also holds the school record for that run.

The Quakers have competed on May 15 at the Metro Athletic Conference meet. It was held at Poland High School. The teams concluded their season at the district meet on May 20 and 22. They were held at Austintown Fitch High School.

*The Quaker would like to wish good luck to all college-bound athletes in their college athletic careers*

# MR. MUCCI

## An end to a great legend

Sarah Panezott

One of the most interesting and intriguing teachers of this school system will be retiring this year, the famous Mr. Robert Mucci. Mr. Mucci obtained his Bachelor's and Masters degree in teaching at Youngstown State University.

Throughout his years teaching he has taught one year at Youngstown and twenty-nine years in Salem. At Salem he has taught in the English department pouring knowledge into our young minds. He has taught English II, English III, Mythology, Drama and short fiction.

Many students have passed through this building leaving with only one memory of Mr. Mucci, that is what phenomenal person and remarkable educator he has been to Salem Senior High School. With your send off, on behalf of the entire student body, I would like to wish you a wonderful and successful retirement and remind you to never forget your years here, as we could never forget you.

**Final thoughts or words:** My father used to tell me after attending Salem football games when I coached, what a classy outfit the Salem athletes and student body were. I didn't quite understand what he meant those many years ago. I do now. Keep it that way, please.

**What will you miss most?** Naturally, the students and staff of SHS. I've met a lot of terrific people over the years. Also the men's lounge. It's a brutal place. If you

can make it there you can make it anywhere and I've been to New York.

**Special Thanks:** To my fellow teachers. This isn't always an easy job. I've worked with many outstanding people over the years who've helped make this a rewarding experience. Obviously, I owe a special thanks to the many students I've had the privilege of knowing and working with

## A special good-bye

May everyday be a golf day for you.

Mrs. Johnson & Miss. Carmello

Only one question- Mr. Mucci, are you still available for helping our athletes get back into shape for that certain athletic team?

Anonymous

What I will miss most about Mr. Mucci will be the high-level discussions we have had concerning John Dewey and his philosophies of education in the teachers lounge and the workshops we attended in Youngstown together. A close second would be his sensitivity and compassion for his students that he will so dearly miss.

Mr. Washinko

Happy graduation day, Mr. Mucci. See you soon!!

Mr. Esposito

Good luck Mucci, and just think- no need to worry about who took your computer for the day!

Mrs. Dohar

Mr. Mucci has been an inspirational mentor to me since I transferred to the high school four years ago. I would like to thank him for all that he has done for me, for example: improving my golf game, to accept others for who they are and to be tolerant to our differences, and for rescuing me in the "Mary Lou" debacle. Thanks Mucc. Enjoy yourself.

Mr. Janofa

Tess Hutchinson, Boo Radley, Dolphus Raymond and I- we shall all miss you. Best wishes,

Mr. Viencek
