Goodbye, Class of 2000

BY EMILY GIBSON

Soon we will say goodbye
 To the life we have known for years
 When it is over together we will cry
 A river of happy tears

Together we will stand and cry
 When we go our separate ways
 It may mean forever when we say goodbye
 Our memories will be the only things to stay

This is a time of tears and smiles
 Smiles for the memories we carry in our hearts
 And tears for the miles
 That will soon keep us apart

Though many times we've disagreed
 Still we are here together
 Hoping that we all succeed
 Because of our bond that will last forever

Our world of familiar faces
 Will soon be gone
 Changing to a world of distant places
 Because it is time for us to move on

Staff Wills To Students

Mr. Esposito - "I will my 'colon' to Adam Shoop. Take good care of it. I [also] will my N.Y. Mets banner to Jim Richmond."

Mrs. Marhefka - "Seniors, pursue your dreams!"

Miss Carmello - "Some of my favorite thoughts to live by include... 'We must live this life we are living,' 'Changes are always going to occur in your life - approach them with a positive attitude - look at them as new beginnings,' 'Happiness may be fleeting and we must remember however that it comes,' and finally, as Ralph Waldo Emerson said, 'What lies behind us and what lies before us are tiny matters compared to what lies within us.' Good luck and God bless!"

Mrs. Cozza - "Enjoy every moment of your life! I'll miss you!"

Miss Marr - I will to Josh Thomas a pass for the rest of his senior year."

Mrs. Dohar - She has quite a few items she would like to will... "Kim Apinis - Front Page 2000 Program; Josh Barry - Scroll Bars, automatic door opener, Outline Specialist Title; Mike Douglass - Internet Shopping Certificate to Wal Mart; Sarah Eynon - Prom Queen Crown; Amanda Fortney - Bandages, the Computer Lab Weekly Schedule Book, Lab Cleaning Supplies; Mike Goughenour and Chad Hickman - a detailed map from Toledo to Salem via Columbus; Scott Guappone - an automobile window from Ebay; Kristen Marshall - a swivel chair without the wheels; Bill Powell - teach Computer Application Class and Lab Sign-In sheets; Tim Verhoek - a copy of road laws (r.e. Coach DeShields - To the senior track and field stars, thanks for a *great* season.

Mr. McShane - Congratulations to all of our Seniors. You are about to meet the requirements for graduation and enter the next phase of your life. Most of you will enter advanced schooling, some will go to the military and the rest of you will enter the world of work. I hope SHS has prepared you for all that lies ahead. Coming to school, being on time for class and producing your best work such as homework, art projects, performances, term papers, and tests all seem lost as to the next step you take in life. Colleges don't care if you come to school; they have your money. If you don't go to work, you get less money, then they terminate you. You don't get detentions at this stage of your life. The military certainly doesn't make allowances for over-sleeping. You are now legal adults, no having to pretend now.

Your parents love you but you are now responsible for the decisions you make in life. Life doesn't allow you to transfer your decision back to your parents. "Think" before you take action. Assess the consequences before you make your decision instead of reacting to the consequence. The best advice I can give you comes from legendary baseball "Hall of Famer," Yogi Berra, "When you come to a fork in the road... take it."

Mrs. Dye To all the "returning letterman" of "J Class," I will back to you the happiness and good memories you've produced for me over the past two years. Thank you. To all seniors-in the words of the poet Langston Hughes, "Hold fast to dreams for if dreams die, Life is a broken-winged bird that cannot fly..." Go out into the world and seek always to fly!
