Fellow classmates,
As this high school era for each of us draws to a close, we have a lot for which we can be grateful.
The memories of the past four years are very precious. No other experience will be the same as attending Salem athletic events or going to the Junior/Senior Prom.
The accomplishments that each one of us has done has built a sense of pride that this entire class can feel. We have been a long way from the state wrestling tournament to Academic Challenge.
We must not forget the friendships we have made and strengthened. Many of us will go different ways, but true friendships will never be separated.
I couldn't possibly sum up everything about this class in these few words, but each of you knows what it has been like as a part of the "Class of 1981."
I sincerely wish each of you

Good Luck

In Memory Of Fred Bergman—A Loving Son, Brother, And Friend

July 26, 1963  April 5, 1979

No further away than a picture,
A smile or remembered phrase,
Our loved ones live in memory—
So close in so many ways.
For how often does a sunset
Bring nostalgic thoughts to mind
Of moments that our loved ones shared
In days now left behind!
How often has a flower,
Or a crystal autumn sky
Brought golden recollections
Of happy days gone by!
Memory has a magic way
Of keeping loved ones near—
Ever close in mind and heart
Are the ones we hold most near.

At the beginning of this year the Steno II class went on a field trip to the IBM Building in Youngstown. They had a business luncheon at Timberlanes on December 11. For their club project they sold ornaments and cheese. For their service project they gave a $50 check to the Salvation Army and a $10 check to the Heart Fund. They also went to competition.

Steno I enjoyed a productive year this year. The girls took a field trip to the Mahoning County Court House to sit in on a trial. They went to contest at Trumbull County Joint Vocational School on March 7. They also had 2 speakers come in. They sold cheese and other items for a money-making project. They also purchased Shorthand Dictionaries.
Clerical I went on a field trip in the fall to Mahoning County Courthouse. On December 11 they had a luncheon at Timberlanes. They, along with the Steno classes, went to competition.

Clerical II is like one big, happy family. During the first part of the year, they visited the IBM center to learn about computers and other machines. In March they also went to contest. They had many speakers come in to keep them up-to-date in the business world. Some girls worked during the second half of the school day.

Our main purpose this year was the preparation of the Junior-Senior prom. Only through the co-operation of the different committees and the individual hard work of each committee did we attain completion of this project. The officers of the class appreciate the hard work of all who helped.

Overall the year was a great success as we accomplished most of the things we set out to do, such as the three dances, the two concession stands, and the candy sales we held to raise money.

I feel that I speak for the entire class when I say that we look forward to being seniors.

Thank-You

The class of 1983 had a very busy and exciting year. One of the highlights was the purchase of class rings. Thanks to Mr. Kunar and Mr. Moncheck, our class advisors, and the other officers, the sale went smoothly.

We've had fun and worked hard in two concession stands and had a very successful candy sale. These profits will go toward next year's Junior-Senior Prom.

Our class has been active in sports, drama, and music, as well as social and academic clubs. We had a good time and it was a great year.

First, I would like to say it was a great privilege to be class president, and would like to thank everyone who helped us this year. I want to express my appreciation to those who helped us with the concession stands and the dance. I would like to thank the other officers for their co-operation with out which this year couldn't have been such a success. I hope next year goes as well as or even better than this year. On behalf of the class of 1984, I would like to express my wishes for speedy recovery and good luck to Pam Evans and Jansen Paumier.

Under the direction of Mrs. Jekavitch, both the concert & chamber choirs presented 3 concerts this year. These were the Spring, Christmas, and Pops concerts.

The Concert Choir also hosted a choir night in November, and performed a concert for the Jr. High.

And Then Came . . .

Florida!

In April, the band participated in the Musicworld International competition in Florida. Band members put in many long, cold hours preparing for the trip. Hard work paid off, as the band won a gold medal, the highest honor that a marching band can win. Congratulations, Mr. J. and crew.

1980 Quaker Football

HEAD COACH: GARY RICKER

RECORD: 3-7

The 1980 edition of the Quaker Varsity Football team had more talent and determination than what its record indicated. Although they won only three of ten games, they played together and with much pride. While the team as whole did not fare well, many individuals received recognition for their play. Kirk Lowdermilk, Scott Slocum, Rob Kaufman, and Rick Zubaty were selected to the Columbiana County All-Star team. Nineteen Seniors participated during the season. For showing leadership within the squad, each served as a team captain at least once.

COACHES: BILL MONCHECK
JOE ROTTENBORN

The 1980 season saw an outstanding performance by the Freshmen football team. The team put in many long and hard hours working to achieve their goals. Under the guidance of coaches Bill Moncheck and first-year coach, Joe Rottenborn, the Quakers piled a up an impressive string of seven consecutive wins to no loses. Highlights of the season were the romp over Campbell Memorial and, of course, the victory over archrival West Branch. The Quaker staff would like to congratulate our fine Freshmen athletes and wish them many more years of successful football.

HOMECOMING QUEEN

1981
The Varsity basketball campaign was one of excitement and disappointment. Six games were decided against the Quakers by only a single point. The final game of the season came in such a fashion as our cagers lost by one to Howland in double overtime.

For many, the highlight of the year was a 13 point romp over eventual District Champion, Warren Harding.

Senior standout, Tom Scullion, and a pair of juniors, Marty Hergenrother and Dave Yeagley, captured numerous individual honors. Scullion was Player of the Year in Columbiana County and first team member of the All-County and Big 8 all-star teams. He also was named to the second team of the Mahoning Valley Conference. Hergenrother and Yeagley were placed on the second team All-County and Big 8 teams. Yaegley also received Honorable Mention in the MVC.

SWEETHEART QUEEN
The 1981 Varsity track season proved to be very productive. Losing only in a triangular meet, this year's spikers showed nearly impenetratable talent. This group of men won the Columbiana County and Mahoning Valley Conference track meets. Providing leadership as captains were three standouts, Jon Zornick, Dave Mowery, and Dave Fitch. Three tracksters advanced in tournament action. They were Jon Zornick (hurdles), Matt Ospeck (high jump), and Scott Roessler (pole vault). At printing time, it was unknown if these men would advance to the state tournament.

1981 Quaker Tennis

HEAD COACH: KIRK RITCHIE

RECORD: 7-12

Coach Ritchie described this year's tennis season as "disappointing". Although the wins were few, there were a couple bright spots for the Quakers. Dave Yeagley and Chris Firestone posted 15-2 and 12-4 season records, respectively. These two men also are the first boys tennis duo from Salem to win a sectional title. Also, Dave Horning, a junior, showed much improvement and will be looked for in the future.
Row one (l. to r.): Mark England, Kevin Willard, Robert Kuhns, Ross Spatz, Carol McKinley, Steve Shears, Mike Medford, George Blackburn, Mike Senanefes. Row two: Matt Yerkey, Tim Nannah, Toby Franks, Dave Mowery, John Zornick, Paul Wendel, Rick Lutch, Tom Nannah, Darrin Fields.

1980 Quaker Cross Country

HEAD COACH: MIKE GUAPPONE

RECORD: 24-4

The cross-country team posted another victorious season. This year's squad finished second in the county meet. Rick Lutch and Dave Mowery provided leadership as captains. Lutch, Tim and Tom Nannah, and Bob Kuhns qualified for the District tournament.
The Salem golfers ended the season with a the best golf record in school history. In addition, the Quaker golfers were the first Salem squad ever to play in the District Tournaments.

Leading the squad was a junior, Jeremy Rousseau. Rousseau averaged an impressive 39 stroke tally throughout the regular season before shooting a 72 and a 71 in the tournaments. Thanking the play of Rousseau was Swedish exchange-student, Fred Hansson. Hansson proved his value to the team as he averaged 41 in regular season action.

Both Rousseau and Hansson were named to the All-County team while Rousseau received MVC honors.
The 1980-81 Varsity wrestling team proved to be the best in the school's history. With an overall record of 12-5, the team was second in the Eastern Ohio Wrestling League. The squad's league record was five wins and one loss. The team also copped second place honors in the Salem Invitational Tournament and the Eastern Ohio Wrestling League Tournament.

While remaining a solid team, there were many individuals standouts on the squad. All-County selections were Mark Slocum, Dave Barrett, Rob Kaufman, and State Champion Kirk Lowdermilk. Receiving All-League honors were Slocum, Mark Riffee, Brian Davidson, and Lowdermilk. The team also had four wrestlers qualify for the Districts. They were Slocum, Riffee, Davidson, and Lowdermilk.

Five Seniors played vital roles in Salem's successful season. Each posted a winning record.
Freshman Wrestling

HEAD COACH: JOHN McKEE      RECORD: 3-3-1

Row one (l. to r.): Bret Chaffin, David Ward, Craig Drzal, Jim Kataro, Jamie Solmen, Brad Wood, Jay Watterson, Dave Moore. Row two: Dean Prateschi, Ken Gibson, Tony Petrucci, Buddy Lane, Bill Johnson, Dan D'Angelo, Tod Bosel, Mike Shaffer, Mr. McKee.
Kirk Lowdermilk
1981 State Wrestling Champion
Class AAA - Hwt. Division
Going down to Columbus as the first person ever to represent Salem in the state wrestling tournament was a great honor, but I had no idea that I was going to be the State Champion. Everybody kept on asking me if I felt any pressure, but I was happy I made it down there. After it was all over and I won all four of my matches, I did not realize what I had done until I walked onto the victory stand. On the top spot I looked around, seeing all the people, and not until then did I realize how big St. John's Arena really was. How lucky I was to be standing there.

Kirk Lowdermilk

1981 Quaker Varsity Baseball
HEAD COACH: JIM LANTZ
RECORD: 12-14-1

Despite possessing a great amount of talent, the 1981 Salem Varsity baseball team concluded the season with a record of 12 wins, 14 losses and 1 tie. Although the finishing below .500, the team improved greatly on last year's record. The season was filled with bad hops, misplayed balls, and errant throws. While the record was deceiving, a good time was had by many of the players. Seven seniors contributed greatly to this year's team. They were Buddy Wood, Kirk Lowdermilk, Bill Oldcorn, Scott Darner, Mike Votaw, Scott Slocum, and Rick Zubaty. Wood was selected to the 1st Team MVC All-Star Team.
The Reserve baseball team, under Coach Jerry Beiling, managed to climb one notch above .500 by ending the season with 7 wins and 6 losses. The reserve team had some big wins including Austintown and Carrollton. Against Fitch, the Quakers came up with 4 runs in the seventh inning to win. Another of coach Beiling’s "memorable moments" came against Carrollton. Salem exploded for ten runs in one inning to wrap up the game. While the 7-6 record does not suggest it, the Salem baseball program should be in for some excellent seasons in the near future. (The Quaker Staff Apologizes for the lack of a reserve picture.)
The Quaker staff apologizes for the lack of a photo for the fall sports awards banquet. We would like to recognize the standouts who received honors at this gathering. They were: FOOTBALL; Kirk Lowdermilk, Scott Slocum, Chuck Henderson, Bill Beer. CROSS COUNTRY; Rick Lutch and Dave Mowery. GOLF; Jeremy Rousseau. VOLLEYBALL; Diane Ward and Nancy Maher.

Row one: GIRLS BASKETBALL; Diane, Ward, Pam Evans, Marcie Paster, Tammy Bailey.
Row two: BOYS BASKETBALL; Dave Yeagley, Marty Hergenrother, Mark Slocum (Wrestling). Row three: Tom Scullion (Basketball), Kirk Lowdermilk (Wrestling).
BASEBALL: Scott Darner. TENNIS: Dave Horning. BASEBALL: Rick Zubaty and Bill Oldcorn.

The yearbook advisor is the most important person that is responsible for work done on the yearbook. This year the job of advisor fell upon the shoulders of Mr. Mucci. This was a particularly hard job because this was his first year in this position. With advice from Mr. Esposito, the former advisor for many years, Mr. Mucci was able to give the advice that was so critical in the production of this publication.

Many times the work load fell on the advisor, but as the job is to be handled, he would delegate the work back upon the staff. He was a referee in many of the small arguments that did arise, and he could always come up with a comment to change our anger into laughter. A great amount of appreciation goes out to Mr. Mucci for a job well done.

The 1981 Staff
Yearbook Staff

Editor and Chief: Mark Willis
The job of an editor is to oversee all of the work done by the staff. The editor must work with each of the staff members individually and he must also combine forces into a group effort. The staff members are the pieces, and the editor is the glue. It is the job of the editor to ensure the publishing company that all the deadlines are being met. He must work in close contact with the yearbook adviser and together they make the important decisions that must be made every day. His right hand person is, of course, the assistant editor.

Assistant Editor: Linda Martens
The job of an assistant editor is to stay in close contact with the editor and advisor. She must assist the editor in his endeavors to complete each deadline and she is there to correct and help in the reviewing of the pages for a deadline. Because of the advice of the assistant editor, the editors job seems a much less lonely one.

A lot of work goes into the publication of a yearbook. This year's sales totaled about 700 books. That is not bad, considering that this is the first year the books were sold separately from the association ticket. Because of this change, the cost of the book was increased to $13.00. The total cost of this year's yearbook totaled between $12,000.00 and 13,000.00. Although we did raise this much money by selling adds and selling books to the student body, this did not leave us enough money to provide the book with color. Our original plans called for color, but with today's prices, it was just out of reach. Never the less, we think we made up for the absence in color in many other sections. We used a new type of paper, SHADOW WEAVE, which is both stronger and produces less glare. We put a lot of work into the cover and used a very subtle theme of Old English. Special thanks goes to our Yearbook representative, Ken Brayer, our photographer, Mr. Robinson, our graduation photographer, Mr. Bob Senn, and the whole staff at the Jostens Yearbook production plant. Those are just some of the behind the scenes people who have made this yearbook a success, and there are many more who have not been mentioned. Thanks goes to all and this year's staff takes great pride in this publication.
Dirty Deeds
Done Dirt Cheap

I think I don't know what I am doing.

Nobody, but nobody, messes around with the editor.

It has been a lot of hard work and late hours, and I had to come in after graduation to work on this thing. I should have been home in bed with all the other graduated alumni, but duty called. I enjoyed the experience of being the editor, but I would never do it again. I hope you like the book, because a lot of hard work went into it. We used a subtle theme of Old English, but we didn't want to rub your faces into it so we kept it light. Overall, I think we did a fantastic job on it and you should be proud of your high school and your book. Good luck in the future, Roseann and Bill, you'll need it.
