THE BEST OF ‘82

To the Class of 82,

Let the joys of our youth live on in our hearts and in our minds. As we continue on in our lives, let us not forget those good times we shared together. The same thought should be given to our trials as well. Whether we succeeded or failed in these endeavors let us remember how we came about our success or how we failed so that when we meet up with adversity again, we will know how to defeat him.

Good Luck.

MIKE HARDENBROOK

REMEMBER

Remember me when I am gone away,
Gone far away into the silent land;
When you can no more hold me by the hand,
Nor I half turn to go, yet turning stay.
Remember me when no more, day by day,
You tell me of our future that you planned;
Only to remember me, you understand
It will be late to counsel then or pray.
And afterwards remember, do not grieve,
For if the darkness and corruption leave
A vestige of the thoughts that once I had,
Better by far you should forget and smile
Than that you should remember and be sad.

LIFE'S MIRROR

There are loyal hearts, there are spirits brave,
There are souls that are pure and true;
Then give to the world the best you have
And the best will come back to you.

Give love, and love to your life will flow,
A strength in your utmost need;
Have faith, and a score of hearts will show
Their faith in your word and deed.

Give truth, and your gift will be paid in kind,
And honor will honor meet;
And a smile that is sweet will surely find
A smile that is just as sweet

Give sorrow and pity to those who mourn;
You will gather in flowers again
The scattered seeds of your thought outborne,
Though the sowing seemed but vain.

For life is the mirror of king and slave—
'Tis just what we are and do;
Then give to the world the best you have,
And the best will come back to you.

THE BEST OF JUNIORS

This past year our class worked together to put on a memorable Prom for the Seniors. Through much dedicated hard work, we were able to co-operate and efficiently work together. We would like to thank everyone in the community who helped us and also Mr. Parks and Mr. Ritchie who gave us their valuable veteran expertise.

Overall, it has been a good year, and everyone enjoyed working on the prom.

Sincerely,

THE BEST OF SOPHOMORES

This year the sophomore class has been working extremely hard. We made much of our earnings by selling candy and having good attendance at our dances.

One of the biggest highlights of the year has been the class ring sales. Josten's made available another selection of rings for the girls which were greatly appreciated. Overall, the sales went well.

We are looking forward to working on the Junior-Senior Prom of 1983.

On behalf of the class of 1984, I would like to thank Mr. Moncheck and Mr. Spack for their help this year.

This year has been a new experience for the entire Freshman Class. Although we were not very busy, what we did do was a fun learning experience. I'd like to thank Mrs. Kendall and Miss Hasson for all their help and guidance that they have given those of us who worked in the concession stand during football season. For the most part, this year has gone well and we are looking forward to our sophomore year.

ORTHOPEDICALLY HANDICAPPED

Patti Bookman - Sec.
Laurel Fleischman - class Rep.
Tina Parks - Pres.
Doug Mattevi - Vice Pres.
Orthopedically handicapped (O.H.) units are mandated by federal legislature for students who have specific medical problems which prevent them from participating in a regular program. The problems most often seen in the O.H. units are cerebral palsy, a brain dysfunction which prevents normal muscle control. This means students may not be able to walk, use hands/legs, or have normal speech; muscular dystrophy, a genetic malfunction in which muscle tissue deteriorates until a student has no ability to help himself; and spinal bifida, which is a malformation of spinal column that interferes with the spinal cord itself. However, just because the students have physical impairments doesn't necessarily mean that they don't have good "brain power".

O.H. Students do just what every other student at the high school does— they work toward graduation requirements. Subjects routinely covered are English, history, math, reading, career education, science, and health. The students in the 1981-82 class formed a company and sold dough ornaments during the Christmas season. The profit was used for their individual fine arts projects and to finance other money makers. Students pursue special interests such as traditional needlepoint, cross stitch, weaving, latchet hook, lath picture work, and photography. With Mr. Parks' advice and cooperation they spend time working in the greenhouse becoming expert in plant propagation. The 1981-82 Parent Group purchased a sewing machine for the unit which provided students the opportunity to learn basic sewing and machine stitched crafts.

The O.H. students want you to know they are human too—with the same feelings and problems shared by all teenagers. The next time you see a "special" kid, say, "Hi," and introduce yourself. They will be happy to talk to you and answer any questions you have. Ask if you can help, but remember—"WE CAN DO NEARLY LIKE YOU—STOP IN AND SEE!"

Behind the strong Senior leadership of Marty Hergenrother, Grant Hiner, and Dave Yeagley, the Quakers put together a fine 12-8 season. Hergenrother and Yeagley, probably the best guard combination in the state, together averaged 36.3 points per game. Yeagley averaged 19.1 and Hergenrother 17.2. Strong backing was given by Sophomores; Brian Toothman and John Breckenridge and from the Juniors; Rick Foreman, Ted Jones, Matt Ospeck, Jake Sell, Rick Tinsley, and Rich Wilk.

Salem finished with a 9-3 record in the M.V.C., good enough for second place. The one point victory over 11th ranked, M.V.C. coleader Campbell, was probably the biggest win of the Year.

The Quakers had one very big advantage. Most visiting teams usually left with their eardrums ringing from the aftereffects of the S.H.S. student body. The so-called "Sixth Man" proved to be too strong for many visitors and helped Salem pull out many of their close games.

The 1982-83 Quaker team will be one with much needed experience. With all Juniors returning and the Sophomore support, this should be a team to reckon with.
