# *ON PARTING*

For The Senior Class Of Salem High

It Will Be Hard To Say Good-Bye.

When We Started As Freshmen We Were So Small  
We Got Lost Between Classes And Pushed In The Hall.

The Students Were Big, The Seniors Were Old  
Yet We Lifted Our Chins And Tried To Be Bold.

We've Worked So Hard To Make It Here  
Our Final Time, Our Senior Year.

We'll Never Forget The Times We've Had  
And We Never Thought Leaving Would Be So Sad.

But We'll Go Out Into The World, And Learn So Much More  
Because We're The Proud Class Of 1994.

# TEACHER OF THE YEAR

Each spring, the yearbook staff votes to name the Teacher of the Year, to whom that year's book will be dedicated. The only restrictions on the candidate are that they can not have received the award before and they must have worked at the High School for at least ten years.

Miss Marena Carmello was raised in Youngstown, Ohio, and graduated from Ursuline Academy in 1973, after which she studied home economics at YSU. She taught at Salem High while working towards her Master's in counseling at Westminster College, and then went on to work in Cincinnati. She soon returned to Columbiana County, initiating the GRADS program to help pregnant teenagers finish earning

their High School diplomas. Finally, she came back to the high school where she has worked as a counselor ever since.

The yearbook staff has voted to extend its highest honor of Teacher of the Year to a staff member, for she is a teacher in the truest sense of the word. She always takes time out of her hectic schedule to talk to students whether they have problems or just feel like talking. She teaches us — not about science or math — but about the world, the people in it, and most importantly, about ourselves. We, the 1993-94 yearbook staff can think of no worthier recipient of the Teacher of the Year award that Miss Marena Carmello.

# abla Espagnol?

It was a summer of cultural exchange. Mrs. Hutson and other Salem families hosted Spanish summer exchange students for one month.

While the exchange students were in America they were involved in many activities. They visited Niagara Falls, attended a dance at the Salem Country Club, and had a pool party. Everyone involved in the exchange learned a great deal about their different cultures, and the Spanish students realized that America really is a wonderful place.

Finally, after months of anxious waiting, the long awaited 1992-1993 year-books were in! Students remembered their receipts and overcrowded the year-book room waiting in line to get a hold of the new year-book. The students laughed and recalled memories of the year they had so quickly left behind.

# ppportunity Knocks

The students this year, as in the past, have shown a great sense of responsibility by taking on jobs throughout our community. Students are working to save for college or just for money for what they want to buy instead of just taking hand-outs or begging for cash from their parents. This great attitude is surely here to stay at SHS.

# he crowning moment

It was a beautiful night for homecoming, and although the Quakers lost to Warren J.F.K. 34-13, they played a great game. The crowning of a new homecoming queen warmed the air and our hearts as it brought back many memories. This year's court included: Heather Miller escorted by Craig Banning, Julia Lesko escorted by Duke Dye, Jill Hazelbaker escorted by Kurt Schoffman, Julie Kornbau escorted by Wes Calvin, Erin Parks escorted by Jamie Ostarchvic, and Valerie Scott escorted by Ken Lee. With the crowd anxiously awaiting, Julie Marie Kornbau was named the 1993 Homecoming Queen.

Everyone enjoyed the dance, and I'm sure it will be remembered by the queen, her court, and everyone else who attended.

# CHRISTMAS MAGIC

The White Christmas Dance was definitely white this year. As the snow piled up outside the Golf Club, the evening of December 29th got warmer inside. Couples started arriving between 5:00 p.m. and 7:00 p.m. for pictures and mingling with friends. After that, dinner was buffet-style until 8:00—plenty of time for food to digest. From 8:00

until midnight, the dance was on! Mark Anthony, a DJ from WHOT, played a nice variety of music that everyone could dance to, as seen with Depeche Mode's "Personal Jesus" song. Along with this, there were many slow dances and time to cool down. A lot of time and effort was spent making the winter evening the success that it was.

# SHS ON TOUR

The concert and chamber choirs took an event-filled, three-day trip to Toronto, Ontario, Canada this year. We visited many of the fine attractions throughout the Niagara Falls-Ontario area. Some of our fun on Friday included viewing the falls when we arrived and shopping in downtown Toronto. On Saturday we competed against and then participated in a workshop conducted by competition officials. We then explored the beautiful rooms of Casa Loma. Our busses then took us to the Ontario Science Centre where we spent an

interesting afternoon with hands-on activities. Our Saturday evening ended with a pizza party and a relaxing swim in the hotel's pool. Sunday was the highlight of our trip. In the morning we were able to go "behind the scenes" of *The Phantom of the Opera*, and after lunch at Burger King we saw the show. Our busy weekend came to a close as we rolled into the SHS parking lot around 1:00 in the morning. Fortunately, though, we were given permission to sleep in and not come to school until 12:30 on Monday.

# STRAIGHT FROM THE HEART

The 1993 Sweetheart Dance was a magical night for everyone. The Sweetheart Court was honored, especially the Queen Jody Wirkner, crowned by Heather Heath. The court included Megan Alix, Darcie Everhart, Jody Everhart, Tara Mancuso, Billie Sue Brice-land, and Valerie Stone. Everyone at the dance had a great evening. We are all looking forward to next year's dance and Jody returning to crown the future queen!

Below: Brianne Grey, Crystal McCoy, Chris Stearns, and Tara Tipon flash their beautiful smiles at the Freshman Formal!

Freshmen entering the Salem High cafeteria on April 8, 1994, enjoyed a night in the city. At 6:45 P.M., the evening started with a catered dinner by All-A-Cater followed by dancing with music provided by Small & Tall. Trivia questions were asked and prizes were awarded for correct answers. The fun-filled night, decorated with a city adorned in white lights, was eventful and enjoyed by everyone who was there!

## A KNIGHT TO REMEMBER

April 22 was a royal evening for the sophomores. The fun began at 6:30 P.M. They had a dinner catered by All-A-Cater followed by Wagner Photography. After pictures, Seniors Jen Gregory and Matt Price taught the sophomores the barn dance and how to line dance. Music was provided by Small & Tall. It was surely a night to remember!

# BYE BYE BIRDIE!!!

Each year, SHS performs a spring musical. This year's show was *Bye Bye Birdie*—a play about Conrad Birdie, an Elvis-type singer who is drafted in to the army. For publicity, Conrad travels to Sweet Apple, Ohio with his agent, Albert, and Al's secretary/fiancee, Rose Alvarez with the plan of kissing one of his teenage fans "chosen at random from one million, two hundred thousand hysterical teenagers," Kim MacAfee (Lyndsay McShane), on the Ed Sullivan Show. The town is turned upside-down, along with Al and Rosie's relationship, but, of course, the show ended happily with everyone returning to normal and Al and Rosie finally going off to

get married.

Salem loved *Bye Bye Birdie*; compliments never seemed to end! The cast loved performing, and the show went off without a hitch, despite tech week difficulties like a Conrad with strep throat and a Rosie who couldn't seem to stay upright through a whole scene.

Once again, Salem High School's students showed off their incredible talent in the capable hands of Linda Jenkins, artistic director, Joe McKim, musical director, and Donna Hartwick, choreographer. We hope that Salem will be able to continue such high-quality performances in the years to come.

# PROM PARADISE 1994

This year's prom was held at Tall Oaks in Sebring. The hall was decorated in maroon and gold, and carried the theme of Prom Paradise. Dinner was served buffet style with a wide variety of selections. After dinner, we danced the night away to music provided by Snyder Trimmer D.J. service. Fog flowed across the dance floor giving the dancers a true sense of paradise.

After dancing one last time to the theme song, "Almost Paradise," the students were whisked away to Pittsburgh, Pennsylvania to board the Gateway Clipper Majestic. Students stayed on the boat throughout the night, dancing, eating and relaxing. A good time was had by all. Thanks to the junior class for a wonderful night and to the sophomores for great service!

# CRAZY COUNSELING

Every fall and spring, SHS students volunteer to be Camp Fitch counselors in Erie, PA for Southeast and Prospect schools. They spend three days and two nights on the Lake Erie shore shuffling fifth graders between activities and meals. It is undoubtedly a highlight of the year for anyone who gets the opportunity to attend. Camp Fitch is a chance for high school students to be role models and really influence the kids they come in contact with. Everyone who went to fifth grade in Salem remembers their counselors, and always seems to have stories to share. If you can, definitely sign up to be a Camp Fitch counselor!

# R EVITALIZING SALEM

## BEFORE

The Class of '94 cruised through Salem with a far different view than any class before it. Last summer (1993) the city broke ground to revitalize the downtown in hopes of attracting business to the area. Though the project was not completely finished by graduation day, there was definitely a noticeable change in downtown's appearance and people's attitudes towards it by the spring of 1994.

*The memories that we have made at Salem High School will last us a lifetime. Even though we will go our separate ways, I encourage all of you to remember the special friendships and bonds that we have shared. *"What lies behind us and what lies before us are tiny matters compared to what lies within us."*

*-Ralph Waldo Emerson*

*Throughout the past four years, we have experienced both the good and bad times, and have made many wonderful memories which we will always treasure. It's hard to believe time has passed so quickly. We're all grown up and changed, but hopefully the friendships we have made and time we have spent together will not be forgotten.*

*It has been an honor for me to serve as Senior Class Vice-President. I would like to wish you all the best of luck in whatever path you may choose. Congratulations, Class of '94!*

Julie Kornbau- Class Vice-President

*Through these four years at SHS, I have learned a lot about my class and discovered how special everybody is. When I think of old memories or even the memories we are trying to make before graduation, it puts a smile on my face. I would like to thank everyone who made the experience at SHS a pleasant and memorable one. I would also like to thank the class of '94 for giving me the honor of being their class secretary for these four exciting SHS years.*

Jody Wirkner- Class Secretary

*Well, guys, we've finally made it! For thirteen years now (including Kindergarten, of course) we've worked 'til our brains ached with a single goal in mind: a diploma. Together we've reached that goal, but now it's time to go our separate ways in life.*

*Through the years we've learned a lot about each other and ourselves- both good and bad. I have faith that, though at times the road may be rough, we will be able to take all of those good things and build successful lives for ourselves and (GASP!!!) our families. Have a great future . . . and break a leg!!!*

# CLASS COMMENCEMENT OF 1994

Commencement for seniors began at 2:00 pm on the warm day of June 5, 1994. For many, the ceremony marked the first realization that never again would they trod the halls of Salem High.

For others on that day, it was a watershed to their new lives out of school: new freedoms, new responsibilities, new fears. Salem High would remain clutched to their hearts only in memories.

The class displayed confidence as they entered the gymnasium to the tune of "Pomp and Circumstance."

Jeremy Pruitt led the National Hymn. A welcome message was given by superintendent Dr. Burton Schoffman, followed by a message from Ken Lee, class president. Laura Farkas, class treasurer, offered a "message of hope" from the class officers from Matthew 5:14-16. Mr. Mark L'Italien, president of the Board of Education, gave a few remarks and the valedictorians, Julie Kornbau, Steven Pieren, and Mark Rea, took the stage to give their speeches.

Perhaps the saddest part came next—during the choir's song, "I Wish You Well, My Friend." It left many chorus

and audience members in tears.

Finally, the moment had arrived. Principal Charles McShane presented the class, and class vice-president Julie Kornbau began the reading of the roll. Diplomas were handed out by Mr. Mark L'Italien, assisted by Laura Farkas. One by one, the seniors gained looks of relief, happiness, and euphoria.

The Changing of the Tassels was led by class secretary Jody Wirkner, a tradition marking the shift from seniors to graduates of Salem High.

Then it was time for the Alma Mater, to be sung by Jeremy Pruitt, Chorister of the Year. The class of 1994 filed out of the gym for the last time together.

Graduation that June day was the last time the 1994 class had together. However, the memories of some twelve years lay behind in their minds as times they spent laughing, playing, studying, and learning all of life's lessons together. The times that lay ahead for them are uncertain, but the memories are there to stay. It is up to the entire class to go their own ways, accomplish their own goals, and lead their own lives.

Senior choir members, under the direction of Mrs. Carol Jeckavitch, sing a tear-filled "I Wish You Well, My Friend."

Below: Class treasurer, Laura Farkas, assists Mark L'Italien as he hands out diplomas while Mr. McShane, principal, and Barbara Butler Greene, author of SHS's Alma Mater, look on.

As Jen Ade starts to fix Judy Lambright's tassel, Michelle Mendez, Brandie Oesch, and Candy Graham spend their last few minutes as Salem High seniors talking with friends.

Above, right: Class president, Ken Lee, welcomes all in attendance. Right: Laura Farkas and Jen Gregory model their mortar boards the day Jostens delivers them!

## HATS OFF!!!

Class secretary, Jody Wirkner, leads the Class of 1994 in the changing of the tassels.

After receiving her diploma, Megan Alix is congratulated by Board of Education Member, Dr. Dick Fawcett.

Valedictorians from far left: Julie Kornbau, Steve Pieren, and Mark Rea.

Below left: Mr. L'Italien congratulates Rachel Lopshansky as she receives her diploma.

Bottom left: Jen Hyland, Billie Sue Briceland, and Jody Wirkner pose for their last picture together at SHS before graduation.

Senior class advisor, Mrs. Mary Alice Cozza, adjusts a graduate's mortar board before they line up.

### A Friend

What is a Friend? I'll tell you . . .  
It is a person with whom you dare to be  
yourself . . .

You can say what you think, so long as  
it is genuinely you . . .

He understands. You can weep with  
him, laugh with him, pray with  
him- through and underneath it all he  
sees, knows and loves you.

A Friend, I repeat, is one with whom  
You dare to be yourself.

Most students in the Transition Program are eighteen to twenty-two years old. The Transition Class learns daily living skills such as budgeting, laundry, cooking, and work skills. Two days out of the week we are on a job site learning work skills. We have volunteered

at Salem Hospital for three years and the class recently started working at Sparkle in Columbiana. Some students are earning competitive wages at area businesses certain days of the week and attending school the other days.

Shane Goetz and Scott McNany look for their favorite foods in recipe books.

Carie Figley (left) is diligently sorting through Sea World pictures from last year trying to think up the perfect caption.

Cindy Harrold (above) reaches into the cooking cabinet to retrieve the perfect ingredient!

# GREAT MINDS THINK ALIKE

The physics club has had an exciting year. They have had several activities to add to the excitement. Some highlights from these activities are the annual egg drop, a bridge building project and Rube Goldberg in which students construct many simple machines to accomplish a single task. During the course of the year the club competed several times. This year's high point was the competition at YSU. Mr. Campradt was success-

ful as an advisor and we wish the physics club continued success.

For students interested in bettering themselves in their math class, Math Club is the answer. Students can work on different problems to help the understand the working processes of solving the many math mysteries. This club is for the hard working, math-minded students. Mr. Chuck Irough is the advisor.

# HIGHER MINDS

Junior boys and girls are eligible for Boys' and Girls' State. The few that are selected go to Bowling Green for a week. In the time they spend at the college as a representative they participate in many activities that give them a political view and an experience that will give them a push in their futures and maybe help them choose a new career track.

Academic Challenge is a club for students wishing to

further their knowledge of the world around them. The team meets every Tuesday and Wednesday with advisor Mrs. May, but can also practice on their own in the computer lab. This year they competed in the County Bowl, placing seventh out of twelve and also went to Alliance to compete. Academic Challenge is a great way to have fun and learn at the same time.

# LANGUAGES AROUND THE WORLD

Members of the German and Spanish Clubs have many happy memories from this year's activities. They went on a ski trip to Peek 'n Peak in New York. German Club went on a haunted hayride for Halloween, German caroling for Christmas, had a Karneval Party in the spring. It has been a wonderful year for members to explore different languages and cultures.

Bec Teyhan, the Australian exchange student, smiles brightly at a track meet!

# FRIENDS AROUND THE WORLD

Bec Teyhan: I'm 18 years old and I'm on Rotary exchange for 12 months. I arrived in the Land of the Free and the Home of the Brave on the 14th of January, 1994. The day I left Australia it was 110° and when I arrived in Ohio it was -28°! (Needless to say, I got sick.) I'm a senior here at Salem and I will be having a "mock" graduation with my other classmates. After the summer, I will come back to go into my senior year again until the 14th of January, 1995.

In Australia, I live approximately 1½ hours north of Sydney. At home I live with my mum, dad, brother and sister. I graduated in '93. So far, I've had a totally awesome time in the states. Thanks everyone for your kindness.

My name is Achim Gmeiner (pronounced Akeem). I'm from Austria. I arrived here on August 18, 1993. I'm staying with Joe Matyas and his family. When I came over here I thought it would be a fun year and that I would meet lots of new

people. And yes, I have had fun and I've met lots of nice people. But, I never thought it would be that tough to be away from home for one year. But I'm glad I came here. I made many new friends and it was a really great experience. I like America and its people. I'm going back home on July 7th. Until then, I'll enjoy my remaining stay here in the U.S. of A.

Hi! My name is Alidis Montes and I'm from Venezuela in South America. I came with A.F.S. I stay with Crawford's and I'm very glad to be with them because they are a good family. I will be here 11 months, and I will go back in July.

I am 17 years old. I like school here in America.

I came August 9 and it was very fun.

In Venezuela, I have a big family and they are very nice. The climate where I live is very tropical.

When I go back, I think I want to study engineering and I will take a course in English because it is impor-

tant in my country. Also, because it is the first language.

Chao! Sincerely,  
Alidis

My name is Javier Davila. I'm sixteen years old and I'm from Spain. I've been here for eight months and I think that the U.S.A. is a very great country. My host family is the Stewart's. They are a really good family and I'm having a great time with them. I miss Spain a lot, and I'm going back in one month. Also, I'm going to miss Salem, my friends, my host family, and some exchange students. I think I'll come back here the next year, just for one or two months but that's not for sure.

Before I came here, I thought that America was like California of Florida, but Salem is smaller and much different; it's not like in the movies.

Anyway, I had a good time in Salem and I'll never forget it.

# TYPE STYLES

The work world is becoming a reality for Juniors and Seniors enrolled in *Administrative Secretary I* and *II*, *CBE*, and *SOEA•Secretary I* prepares students for future employment in on-the-job skills, while *Secretary II* provides employment as soon as a job is available. Another class that provides jobs for students is Cooperative Business Education (*CBE*). A club available for these students is *SOEA*, or Salem Office Education Association. Meetings, open houses, and field trips are included in the many different activities this club does.

It takes lots of effort to produce a newspaper. In Mr. Ladner's Journalism class, juniors and seniors do just that in preparation of another issue of *The Quaker*. *The Quaker* is published about every three weeks, and is offered to the student body free of charge. The 1993-1994 staff put together a paper that earned second place in the press day competition held at YSU in May. Quite impressive work for a student newspaper created entirely by about 10 dedicated writers!

# GAINING EXPERIENCE

Alliance and Marlinton vocational programs offer juniors and seniors a chance to further their educations for future jobs. If you are interested in fields such as mechanics, broadcasting, commercial arts, or horticulture, to name a few, then the vocational programs will give you hands-on experience so you can start a job in your particular field as soon as you get out of school.

Its a lot of hard work but each year they improve thanks to Mr. Jeckavitch, Mr. Purrington, and Mrs. Cole. Keep up the good work.

Wow! What a year! Now that this book is done, I want to thank everyone who took time out of their busy lives to help put this thing together.

To the whole staff: Thanks for working so hard. I know how tough it is to find time to write an article or lug a camera to a dance, and I really appreciate how willing you all were to help out.

To Jayme and Nate: You two have been such a huge help this year! You work really well together, and I know that next year will be great (and stressful, but you can handle it.) Good luck!

To Jen Gregory and Jaynie Crawford: No one could ever ask for better friends to round out the "Three Musketeers." You've saved me from many nervous breakdowns and stress headaches. I'll miss you guys TONS next year, so don't forget to drink lots of water, wear your Birks, and don't get stuck behind the Schwan's guy! Love ya!!!

To Mrs. Hays: Thanks for being so patient with me. You're the best advisor anyone could ask for—and you make the best "puppy chow" too! Good luck next year, and don't work too hard (yea, right!)

Thanks, everybody, for giving me the most memorable year of my life thus far. I know you'll all do well in the future!

Love,  
Laura

# WORKING FOR THE STUDENTS

The student council has sponsored several activities this year which included Christmas caroling, a mitten tree, a fundraiser for Robby Crihfield, and a student council exchange day with speaker Craig Hillier. They also sponsored several dances, concession stands, and went on an end-of-the year trip to Geauga Lake. This year was the first year for the council to be under the direction of a five-member executive board rather than the customary four officers (Pres., V.P., etc.) The new system was extremely successful, for it eliminated the chance of all the work falling on the president's shoulders. We were able to accomplish a great deal more this year than in the past with much less stress. It was definitely a good year for student council.

# HONOR AMONG STUDENTS

Each year the National Honor Society inducts new members by holding a ceremony. Students with a GPA of 3.2 or higher are eligible to be chosen; those students go through an application process. Last March, 33 new members were inducted. These students participated in bagging groceries for the Cancer Society in October at Giant Eagle and dressed in costumes for Halloween while they bagged. They also helped the American Red Cross plan a blood bank, but, unfortunately, it was cancelled.

Project Support was formed in March of 1994 by Mrs. Bailey and Mrs. Kress. It is a service club that works with exceptional children. Project Support has had speakers and donated their own time in order to help their peers learn. Each member is committed to 100 hours of volunteer work each year.

# STEERING CLEAR

Jen Gregory (12) fixes one of the quarter sacks SADD made for prom. The sacks were one of the many activities SADD participated in this year.

This year's SADD group met every 3rd Tuesday of the month. Each member had to sign a contract saying they wouldn't drive or ride with someone who is drunk. The officers of SADD are: President, Laura Farkas; Vice President, Lori Evanoff; Treasurer, Kyl Dinsio; Secretary, Jayme Penner. They participated in Red Ribbon Week, and "adopted" a third grade class to send penpal letters to.

For prom SADD set quarter sacks on the tables for anyone who needed to call for a safe ride home. For graduation they had Grim Reaper, a mock accident and an assembly. This year's SADD group accomplished many things, and will certainly continue getting better and better!

Lori Evanoff (12), SADD vice-president, is always alert.

# SAVING THE WORLD

Ben Wyatt puts his soul into Open House.

Have you ever been so caught up in everything from school to sports, that you don't know which direction you're going? Open House, a Bible study run by students for students, is at a time towards the middle of the week to rejuvenate yourself against all of the pressures of life. This club meets every Tuesday after school until 3:45. The advisor is Mr. Spack. Although the group has officers, its meetings do have very open discussions along with helpful hints to get you through the week.

In its third year, the Environmental Club has already made a definite impact on Salem High School. This club is full of students eager to do their parts in conservation and recycling. By being role models for their peers, they have gained many loyal followers. Accomplishments include: a recycling program for cans and paper in the school, volunteering at the local humane society, adopting a whale, participating in the Envirothon, and selling T-Shirts. Plans for this year: to keep up all these activities as well as adopting a wolf for Earth Day, and holding a benefit concert for Earth Day in the spring.

Interact has had a year jam-packed with activities. They held a Christmas party for the children of Salem at Timberlanes. Also, for Christmas, they caroled at local shut-ins and sent cookies to Charlie Straub, an exchange student from Salem in Spain. Members have had a lot of fun getting to know exchange students from Columbia, Venezuela, and Spain. Everyone had a blast at the Cavs game and is looking forward to a culture day, summer pool party and an outing to an amusement park.

Interact members Michelle Bowman and Jackie Cyrus are always working hard!

Key Club has been extremely active this year. They have done a number of things in the community and have also worked closely with the Salem Kiwanis Club. They helped with a blood bank, had a clothing collection for the homeless in New York City, and sang at the Smith Center and mulched trees at Christmas time. They held the annual Callahan Banquet and sent club members to Columbus for convention. Also, Salem High's own Mark Ramunno (junior) was the lieutenant governor for Division 19, which includes the entire North-Eastern Ohio area.

# THE BOOM

This year's Pep Club was very successful. Our adviser Ms. Laut organized our club into separate sport groups for the year. These groups made spirit signs and organized dinners and parties for many of the teams. After spending many long hours

of sign-making and support at their games, our teams were psyched up to win their games. We also made pillow cases for the winter sport teams. Pep Club was very productive and helped put spirit back into our school.

## Salem Cheerleaders Pump Up School Spirit

This year the cheerleaders did a fantastic job of pumping up school spirit. They had a lot of energy and pep which greatly helped our teams. The spirit among the students and the cheerleaders was amazing. I hope that next year they can again share all their enthusiasm with us.

## Football Team Breakin' Records

Under the direction of head coach Rich Washinko, Salem ended its season with a 1-9 record. Although the record doesn't look very positive on paper, the season encompassed quite a few broken records. These include Jason Papic's five touchdown passes and Corey Belaney's four touchdown receptions, both against Marlinton, and Belaney's 88 yard fumble recovery versus JFK. This season, Salem also renewed its rivalry with West Branch. Salem's lone victory came against Beaver Local, the score being 21-14. Salem will lose 11 talented seniors,

including Papic, Craig Faulkner, Todd Austin, Bart Melody, Matt Herron, Chuck Brant, Keith Stearns, Justin Beeson, Larry Lewis, Jim Myers, and Eric Blankenship, all of whom made big plays throughout the season. In the upcoming season juniors, such as Belaney, Jake Cook, Lonnie Kubankin, Mark Ramunno, Matt Kunar, and Shawn Catlos, and sophomores including Mike Kolich, Justin Lucas, and Jason Humphries, along with the current freshmen, will be looked upon to strengthen Salem's program for many seasons to come.

of their titles include: Columbiana County Champs, Sim Earich Champs, and Regional Champs. Topping their brilliant season off, the varsity team won the State Meet in Columbus! The boys' cross country team ran their hearts out and ran straight into sports history.

## Boys' CC Wins State After 62 Years

It was history in the making on that frosty morning in Columbus on November 6, 1993. The boys' varsity cross country team, comprised of Jason Julian, Mark Rea, Dan Nye, George Lutz, Russ Zornick, Carl Sommers, and Sean Spanbauer (with Darrell Walton as an alternate,) heated up the day by capturing the Division II title. This was something not accomplished by any Salem team in 62 years. Weeks before the meet, the boys' team was dedicated to this

goal, and it never left their sights. With shaved heads, tennis balls, and the names of their biggest competitions written on their hands, the guys psyched themselves up for a definite state victory. They earned fame and respect and were given several dinners in their honor, a special assembly, and signs proclaiming: "Salem-home of the 1993 boys' cross country state champs." The boys gained well-deserved glory and made their mark in Salem sports history.

## Salem Soccer Team Keeps Goal In Mind

The Salem Soccer team finished out a great season at 12-2-2. Throughout their season, the team remained confident and worked very hard. Coached by Mick Bowdler and assisted by Tom Wright, the team's talents flourished.

During the season the team's spirits remained high, and if they weren't chanting nicknames on the bus, someone was telling a joke. The camaraderie between the players was excellent. They always encouraged each other and were like one big family. The four seniors of the team: Craig Ban-

ning, Jamie Ostarchvic, Ken Lee, and Brian Koons will be greatly missed.

This year the Varsity team made it to the District semi-finals before losing a disappointing game to Lakeview. Next year's team, though, shows much promising talent, and through dedication and determination, the team has an excellent chance at state competition.

The Junior Varsity team also excelled during their season. Winning the M.V.C. title, the team held the record of 7-3-2.

## Girls' Tennis Whomps West Branch-Twice!

The girls ended their season with a record of 5-13. The highlight of the girls' season was beating West Branch twice. ## SHS Golf Team Plays On Through

This year's golf team showed true determination by finishing their tough season. Coach Dye led the team to a record of 8-12. Senior standouts were Kurt Schoffman, Joe Matyas, and Eric Weikart. Kurt Schoffman achieved first team all MVC. Future seasons look very promising because of all the dedicated golfers remaining on the team. Congratulations to the 1993 Salem golf team!

# FINAL FOUR!

## Lady Quakers Conquer Columbus!!!

A summer and season of hard work and dedication paid off when the Salem girls' basketball team fulfilled dreams they had only hoped to come true. Under the direction of Roger Zeigler, the Lady Quakers earned such prestigious honors as an MVC title, a sectional title, a district crown, a regional title, and a trip to Columbus for the first time in school history. While ending the regular season at 19-1 (11-1 in the MVC), the Lady Quakers wouldn't stop there. They continued on to defeat Ursuline and Canfield for the third time during the season. Fluke, huh? During regionals, Salem conquered Madison and Copley to advance to the state semi-finals. While in Columbus, Salem met its match: Cincinnati Roger-Bacon. Although the Lady Quakers lost 41-51, they had nothing to be ashamed of. Walking out with all those honors plus being ranked fifth in the final AP poll, the Lady Quakers aroused something in Salem that many people had not seen before—spirit.

To close out the season, Salem gained many awards. Valerie Scott was named All-Area Player of the

Year, Columbiana County Co-Player of the Year, Northeast Inland Player of the Year, All-Ohio Co-Player of the Year, and the all-time leading scorer as well as various others. Megan Alix, who provided vital senior leadership throughout the season, earned a second-team All-MVC berth, an All-Inland special mention, and many others. Liz Winch also earned an All-Inland special mention, a second-team All-MVC berth, and a place on the Salem News All-Area first-team to name a few. Tarran Tuvey's season concluded with a second-team spot on the Salem News All-Area team and an honorable mention on the All-MVC team. Tennille Abrams' highlights include an All-MVC honorable mention and a place on the second team of the Salem News All-Area team. While the upcoming JV's will be filling big shoes, they are already on their way by completing an 18-2 season and capturing the MVC title. As the season closed, new goals were set and many looked ahead to another season. One can only hope the tradition will continue.

## Salem Wrestlers Continue The Tradition

### Building A Tradition

This year's wrestling season was a season never to be forgotten. The team worked together and earned 13 victories with only 2 losses. Then the team over-achieved the team-goals they set the day they won their first ever Eastern Ohio Wrestling League title. This was a feat the team and coaches have looked forward to for years. But to top off the team's greatest season ever the team had 3 Dis-

trict Qualifiers, Nelson Cope, Corey Belaney, and Matt Kunar and 2 State Qualifiers, Corey Belaney and Nelson Cope. Corey went down to State for his first time and gave it his best. Nelson placed third in the state and is Salem's only 3-time state qualifier. Salem was surely proud of both of them. This year's wrestling season has begun building a tradition of excellence for Salem Wrestling!

## Salem Baseball Fights To The End

The Salem JV boys had a slow start to the season, but ended playing stongly - defeating Canfield and Girard in the final games. Headed by Coach Ricker, Salem had a very young team playing with thirteen freshman.

The Salem varsity boys ended the season with an 8-13 record, losing in the tournaments to Akron-Springfield. With only three seniors leaving, the Quakers will more than likely return with a strong infield.

This year the Salem Boy's tennis team, coached by Joe Judge, finished with a 12-9 record. The team was one of the smaller ones, but they still gave it their all. ## Boys' Volleyball Gaining Gound.

Boy's Volleyball in Ohio is currently a club sport, but it is growing in popularity across the state and here at Salem. Salem had a young team, but added so many new players that they were able to field both a Varsity and J.V. team this year. Despite their inexperience, they won half their regular season matches and will continue to improve. The Varsity team, coached by Don Conser, was led by a small core of experienced players from the previous year. Ben Hettinga, Todd Banning, Ryan Marshall, Ian Harshman, and Jason Hubbard were members of last year's team. Jay Galchick

learned how to play during the winter in the Memorial Building League, while Jake Bestic and Chad Fowler added depth to the team as they learned how to play. Dan Willeman's experience came from helping his father, Ed Willeman, coach of the eighth grade girls' team, and was certainly welcome.

The J.V. team consisted of Jason Whitman, Brian Smith, Matt Mackall, Dan Bailey, Dan Stratton, Tim Lucas, Ryan Smith, Todd O'Hare, Matt Loomis, Bob Smith, Mike Jakubism, Paul Hill, Tom Brant, Chris Hernstom, and Jeremy Bender.

## Quaker Girls Hit The Track

The Salem girls' track team has a lot to be proud of. This season their record stood at 8-3. Seniors really lead the girls with their wonderful attitudes of determination and their push for athletic excellence. Stephanie Sadlowski, Brenda Doyle, Becky Greenamyre, Jahnavi Fitch, Errin Shasteen, Rebecca Teyhan, and Jaynie Crawford will definitely be missed.

There were competitions within the team in every event, and the team made huge advances in each area because of this. Jenny Brown finished with high point honors, and many other members closed the season with great personal bests.

Although many fine athletes graduated this year, Salem girls' track has a young team which is sure to do well next season.

Below: Abby Hill, Jahnavi Fitch, Mary Heineman, Heidi Coy, Devon Cleland, Brenda Doyle, Stephanie

Sadlowski, Krista Howells, and Angie Adams take time out to pose for the camera.

Angie Adams gives it her all, as usual, in all of her running events.
