To the Class of 2013,

To begin, I am pleased to have the opportunity to congratulate you on your graduation from Salem High School. It has been an honor to serve as your class president over the past year. As we move on from this place and go our separate ways, high school was a great time that consisted of many friendships and memories that many of us will never forget. I challenge all of you to not let these be the best years of your life. Always remember that this is the end of only one chapter of your life. It is up to you to take what you have experienced at SHS and pave your own way in this world- the possibilities are endless. I wish everyone the best of luck on your future endeavors. Stay true to who you are and follow your heart.

God Bless,
Billy Erlking, President 2013

To the Class of 2013,

I would like to congratulate you all on your graduation. Thank you for letting me serve on your student council the past four years. The memories made here will never be forgotten and I hope all of your time here is cherished as well. As we all move on with our lives, I wish you all the best of luck with the rest of your promising lives. Again, thank you for such a memorable high school career.

Best of luck,
Jake Carner, Vice President 2013

To the Class of 2013,

Well, congratulations on graduating. We did it! Thank you for allowing me to serve on Student Council throughout our high school career. Time has flown by these past four years and the many memories and friendships made will be with us forever. As we eagerly move on to the next chapter of our lives, I hope we can all smile while reminiscing about the experiences we had at Salem High School. Best of luck to all of you and I hope you each get everything you hope for in life.

God Bless,
Katherine Siff, Secretary 2013

Dear Class of 2013,

First off, CONGRATULATIONS ON GRADUATING WOOO! I hope these were the best four years of your life. I would like to thank all of you for electing me as your treasurer the past two years. I will never forget about not having enough money for prom and scrambling all the way up to the last minute. I wish all of you the best of luck in your future and I hope all of your wonderful dreams come true. YOU ARE AWESOME.

Good luck my friends,
Mallory Maher, Treasurer 2013
Senior Year

We are the ones that rule the school.
And the ones that little kids think are cool.
We’ve put in our time, our effort and our pain.
But all our knowledge we have gained.

We know how things run around this place,
And we will guide the others to strongly finish the race.
We are the ones who know how to have the most fun.
And also the ones who know the importance of getting our work down.

Our time is running short but our efforts are high.
To leave our trademark before we say goodbye.
Goodbye to the place that we have always known.
And make our way into being full grown.
And we will say it oh so loud.
We are the seniors and we are proud.

Senior Personalities

In December, the senior class is asked to nominate their classmates for a chance to represent a ‘personality’ category chosen by the yearbook staff. Every senior chooses one girl and one boy for each personality that they feel portrays that person the best. After all the votes are turned in, the yearbook editors come together and tally them up. The senior that wins the most votes wins that personality. However, a senior cannot win more than one personality except for Best Friends and Cutest Couple, so if that senior has already won one, the senior with the next highest number of votes wins. Personalities have always been one of the perks of being a senior. It’s a fun way to come together as a class!
The Senior Picnic was held on Tuesday, May 21, 2013 as a break before the next two days of finals. The seniors went to the Country Club for a day of fun in the sun. They fished, played games, ate pizza and enjoyed each other's company for one of the last times they'd all be together before graduation. The picnic was hosted by Mr. Spack, the senior advisor and the Senior Class Student Council.

Compassionate
Mr. Andres is very passionate about his family. His parents, Patti Gubbaugh and Steve Andres, were high school sweethearts and graduated from ShS in 1993. To this day, they still reside in Salem. Andres has one older sister, Becky, who lives in Canton. Andres has been married to his wife, Jan, for 6 years. Jan is also a teacher at Bucheye Elementary. They have 2 children. Their daughter, Maddy, is 5 years old and their son, Jack, is 3 years old. Mr. and Mrs. Andres both have family in the Salem area, so get-togethers are frequent. Quaker Pride has been running through their families' veins for generations. At least 3 generations have attended Salem, and the pattern just keeps growing and growing. Their involvement is invaluable, to say the least. The Andres' family is a prime example of school spirit. Go Quakers!
The 2012 Homecoming Court consisted of Lauren Atkinson, Mallorie Davidson, Mallory Maher, Allison Moore, Samantha Reedy, Hannah Rorabaugh and Taralynn Williams. Allison Moore was crowned queen at the homecoming football game against the Alliance Aviators on Friday October 5th. The homecoming dance took place on the following evening, Saturday October 6th. The theme of the dance was "Bright Lights Big City." Everyone danced the night away and enjoyed great music and bright decorations.

High school students grades 9-12 dressed in their classiest attire and looked fantastic!

The Sadie Hawkins' Dance was a huge success. Everybody wore entertaining outfits matching their dates' costumes. During the dance, the seniors got together to pose for their last Sadies' dance. The highlight of the night was watching the court - Jake Carner, Rocco Davanzo, Zach Economous, Keaton O'Brien, Ryan Bush and Sadies' King, Story Haueuter do their hilarious dances for us. The night was great, the atmosphere was wild and the moments were priceless.

The 7 girls on court were Reegan Barnett, Sarah Bobby, Lindsey Foster, Carson Kleinman, Katie Matthews, Faith McGuire and Taylor Neely. Taylor was honorably crowned queen!

Freshman Torval was a ravishing hit. The freshman class used prom decorations handed down by the upperclassmen to accommodate their theme "Atlantis." The dance began at 7 o'clock on Saturday, May 4th, 2013 and the constant energy caused a close at 11 o'clock. "If you weren’t having fun on the dance floor then you were probably enjoying yourself in the courtyard," said freshman Linzy Kaeter. The freshman danced the night away and made memories that will carry into their adult years. It was a magical night that will always be remembered and cherished.

Sophomore students light up the dance floor in their brightest attire.

The Sophomore Social was held on May 11th in the high school cafeteria. The theme for the dance was "Neon Nights." Sophomore class students came and danced to their favorite music. Along with showing off their dance moves, the students also showed off their neon colored clothing. Glow sticks played a part of the attire as well. It was definitely a night that will glow bright in their memories for the rest of their lives.

Incandescent
Prom was held on May 3rd, 2013. The junior and senior classes went to the Salau Golf Club to dance the night away. The theme of the dance was Under the Sea and there were beautiful decorations to watch. The girls’ prom court included Lindsay Barth, Caela Lehnhan, Jess Martinell, Nikki Slaven, Katherine Stiff, Ellen Walp and Kaylin Wood. The boys’ prom court included Brooks Bezon, Billy Erskine, Chase Howard, Bradley Larson, Tony Shivers, Blake Veglia and Brendan Webb. The crowns went to Blake Veglia and Caela Lehnhan, who became the 2013 king and queen.

Everyone danced and had a blast as soupe were called off the dance floor to receive amazing door prizes. The Junior Prom Committee made it an amazing night for the seniors who will remember it for the rest of their lives.

Arsenic and Old Lace

This farcical comedy was a hit! The entire cast had a great time practicing and performing it. The audience also seemed to have had a good time, as you could tell by all their laughter. The play was about a man named Mortimer and how he dealt with his unusual family. He struggled between falling through with his promise to marry a woman named Elaine and keeping his two sweet old aunts out of trouble. His aunts owned an inn and invited lonely old men over only to kill them by poisoning their wine. They saw no problem with it because it was one of their "charities." The brother, Teddy, thought that he was Teddy Roosevelt and his aunts used this to their benefit. The other brother, Jonathan, made a surprise visit to the house and added more chaos to the whole mess. "I had a great time throughout the play and can't wait to participate next year," said sophomore Kailey Workman.

On April 19th and 20th, our drama department presented "High School Musical." The play was based on a basketball team captain and a brainy new student breaking their high school stereotypes when they come to the realization that they share a common love for singing and decide to audition for the winter musical.

The cast decided to end with a glowing rendition of "We're all in this together." They were able to put the crowd into an uproar of laughter when Billy and Blake did the worry all the way across stage. The cast worked extremely hard to put together a wonderful show and they all enjoyed the experience very much.

"It was a lot of work, but in the end it was worth it" said cast member, Rachel Menegoe. The drama department did a terrific job and genuinely pleased each member of the audience while making Salem proud!

WILDCATS
It was a splendid year for both choirs. The seniors elected class officers for the year: Stony Hauteur as the president, Nikki Slaven as vice president, Billy Erskine as treasurer, Taylor Neely as secretary and Taralynn Williays and Allison Moore as librarians. The Concert Choir performed classic songs such as “Hallelujah Chorus,” “O Holy Night,” and “Twas the Night before Christmas” for our Christmas Concert. Meanwhile, the Encore Choir performed a festive medley full of Christmas cheer with songs such as “Frosty the Snowman,” “I’ll be Home for Christmas” and “Santa Baby.” They then performed patriotic songs for our February concert which turned out to be a huge success. For our spring concert in May, Concert Choir performed “I Hope You Dance” by Lee Ann Womack in honor of our former SHS student Brittany Gula who recently passed away March 3rd, 2013. They also performed our senior song “Born to Be Somebody” by Justin Bieber along with a tear-jerking slideshow photo of our seniors as babies beside their senior picture. The Encore Choir performed a medley with songs such as “Lolli-pop,” “Blue Suede Shoes,” “Everybody Dance Now,” “Eye of the Tiger” and many more. Mr. Saqu did an extraordinary job directing both choirs as they showed pure talent and harmonious pride.

Band

It was a fabulous year for the band. Even though it was a tough football season, the band marched down the football field every Friday night with their heads held high full of their Quaker pride. In November, the band traveled 22 hours to Orlando, Florida and marched past Cinderella's Castle while Disney characters danced along to “Disney Magical Marches.” They showed everyone this season, that they are truly The Pride of Salem.

The Special Needs students kept busy. A monthly activity or craft was held by Project Support during lunch. Students ventured out in the community to various local businesses such as Bob Evans and Giant Eagle to gain work experience. On May 16 and 17 students enjoyed outside activities at Camp Frederick in Rogers, Ohio. They then danced the night away at their yearly prom at Antone’s Banquet Center in Boardman on May 9.

The Broken Chain

We little knew that day,
God was going to call your name.
In life we loved you dearly,
In death, we do the same.

It broke our hearts to lose you.
You did not go alone.
For part of us went with you,
The day God called you home.

You left us beautiful memories,
Your love is still our guide.
And although we cannot see you,
You are always at our side.

Our family chain is broken,
And nothing seems the same,
But as God calls us one by one,
The chain will link again.

-Ron Tranmer
The Quakers faced the 2012 season with determination and held through until the end with a new coach, Ron Johnson, at the helm. He coached at Canton McKinley for 4 years and brought a total of 14 years of coaching experience to the job. The team captains Jake Carner, Marcus Crittenden, Mike Crittenden and Mike Madison led the team throughout the season. Although they finished with a 0-10 season, they remained persistent and stood tall to every challenge they faced. Seniors Justin Harsh, Brandon Dustyan, Mike Madison, John Tafe, Jake Carner, Zach Maenz, Zack Taylor, Sam Standing, Soldier, Cj Bloor, Mike Madison, Branden Webb, Keaton O'Brien, Brooks Bezon and Mike Crittenden all carried out their last year with heads held high no matter the outcome. It's the game they were proud to play and they allowed nothing to dent their Quaker pride.

Volleyball

The varsity volleyball team, lead by new head coach Allie Rich-Winner along with seniors Cami Reedy, Lindsey Foster and Katherine Stiff, had yet another successful season. Although they were just short of a win in the Division II District Final, the girls walked away with a winning record of 15-10. The jayvee team also did very well and ended their season with a record of 17-6, while the freshman team, 15-1, was just shy of an undefeated season.

Boys Soccer

The Varsity and JV teams definitely showed off their skills and love for the sport throughout the season. They became a unified team and battled every game. They were led by their three captains Paul Matak, Billy Erskine and Dan Runsey. The boys finished with a record of 11-4-1, which is the definition of a successful season. However, they came up short in the district semi-final against Cardinal Mooney. "I love my team and will never forget the memories I've made throughout the years," said senior Zach Economos. The TV also did well ending their season with a record of 2-5-4.

Determined
The girls' soccer team was one of the toughest yet. They had a winning record of 7-6-2. They were led by the only senior and captain, Katie Matthews. They made it to districts winning the first round 6 to 5 against Southeast. Sadly, they had a tragic loss to West Branch in the second round.

Cross Country
The cross country team got a fresh new look. With only 2 returning runners from both the girls and boys side, the team took on new challenges and pain levels. Being young didn’t prevent the team from performing their best. They grew up fast and learned how to compete as a team. On the boys side, they packed it together and pushed each other to the next level. For the girls, Senior Mallory Maher lead the way blazing the trail as the rest of the girls followed. Some of her accomplishments include breaking 20 minutes at the Midwest Meet of Champions, placing 5th at the NBC meet qualifying her to be on first team, and finishing one place shy of qualifying for the state meet.

Girls Golf
On Tuesday, October 2, 2012, the girls golf team made their way to districts as a team for the first time ever in school history. The team put their heart and soul into their matches throughout the season. They had ups and downs, but they pushed their way through their losses and came into their next match with a strong and exhilarating attitude.

Boys Golf
The boys team went into each match with a positive attitude even though they were not satisfied with their overall season. However, we are still proud of their accomplishments and independence as a team. Sophomore Zach Morris said, “Didn’t always win but had a good time.” Six members of the team lettered, which included Zach Morris, Ryan Hoover, Max Wolfgang, Andrew Robins, Jansen Meals and Jordan McGuire. The boys enjoyed the uneven tan lines and the great food after a match. “I look forward to playing better next year as a team,” said Zach Morris.

Boys Basketball

The third year truly was the charm as Coach Hart led his team to a record of 16-6. The boys swept away the competition starting off the season with a record of 7-0, never once giving the lead to the opposing team. The city of Saley was in awe throughout the winter as they watched the varsity win it big. With a winning season under their belts the boys then advanced to win 3 in a row in tournaments, winning the districts semi-finals. The boys then fell short in their game against Mooney on March 9th to end their tournament season with a record of 3-1. After their final game Tony Shivers told the Saley News, "We always had a goal of winning the district, it's unfortunate that we couldn't get it done, but I loved every minute of playing with these guys." More than anything the boys stressed being more than a team, but brothers and always stayed humble giving major credit to the Quaker Crazies for their support throughout the season.
Saley's Ryan Bush finished an amazing career in the 2013 season. He broke the school record of points per game set in 1979, leaving the record at 47. Ryan also received player of the week recognition along with breaking the 1,000 point career barrier. And to finish his career at Saley, he broke the all time leading scoring record set 50 years ago.

"TOGETHER we became winners and gained a lot of haters... No feeling better than that."

UNSTOPPABLE
Girls Basketball

The team went 8-14, led by the three seniors Katherine Stiff, Lindsey Foster and Ciera Trybend. Katherine Stiff broke the single game 3-point record, and she made eight 3-pointers against Youngstown Christian. Coach Farina said “The three seniors, Katherine, Lindsey and Ciera, did a fantastic job this season. They were true leaders for our team—on and off the court. They will be greatly missed next year.” The Lady Quakers have a hopeful outlook for the upcoming year.

Wrestling
This season was a transition for the wrestling boys. They were led by a new head coach, Ken Beauvriage and senior captains, Story Haueter, Justin Fenton and Michael Gagnon. They made it their goal to work their hardest in practices and during matches. This small team fought big all season with victories against Hubbard and Conneaut. Also, they came in second at the Malvern Invitational. Personal achievements included Jesse Slocum getting fifth at sectionals and advancing to districts as an alternate and Shane Metzgar getting first at the Malvern Invitational in his weight class and sixth at sectionals. Story Haueter placed third at Malvern and fourth in the Brian Davidson Invitational and freshman Trent Kellogg placed third at theHowland tournament. “This was a tough year having a smaller team, but I had a lot of fun. Next year I’d like to have a larger team and more success,” said junior Shane Metzgar.

MIGHTY
Boys Track

The boys track team started their competition throughout this season. They won the Colembali County title and were undeterred in the UBD league going 6-0. Other achievements include Tony Sikorski and Ellyah Trinh who advanced from districts to regionals in the discus. Tony swept the throwing events placing first in discus, breaking the district record with a throw of 176 feet 6 inches and first in shot put with a personal best of 56 feet 1 inch and 1/2 inch. Ellyah got third in the discus throwing a career best of 174 feet 4 inches. Also working on the regionals was Caleb Dunn who got first in the 110 meter hurdles with a personal best of 15.17 seconds. The relay teams followed with a fourth place finish in the 4x1 (Jordan Panassett, Paul Hart, Logan, Todd Hurley). The 4x2 (Ryder Hanks, Ryan Bower, Paul Hart, Todd Hurley) and the 4x4 (Blake Vergala, Daniel Bugnaeu, Caleb Dunn, Ryan Bower). Zach Valokitch soared over the bar placing third with a jump of 6 feet in the high jump.

Moving on from regionals to state were Zach Valokitch (6th), The 4x2 (Paul Hart, Blake Vergala, Daniel Bugnaeu, Ryder Hanks) 52.74 and Tony Sikorski in the discus (176-1/2) and shot put (56-1/2). In the state finals, the 4x4 ran 3:24.86 for 1st place. Zach Valokitch proudly took 2nd place with 6-0. Tony Sikorski was especially in beast mode, throwing the shot 66-2 1/2 for 1st place, and the discus 203-02, an Owen Brooks and 56-1/2 record, to become the state champion for the second year. “It’s been awesome being undefeated in the regular season and being Colembali County and UBD champs and getting 5th place at the state upset. We worked hard all season and it definitely paid off,” said senior Jordan Panassett.
Tony Shivers has had an outstanding career over the years. He was the number one discus thrower in the state of Ohio his junior and senior years and was ranked 11 in the nation after throwing 199-1 at the Fitch Optimist Meet on 5/4/13 according to MileSplit.us. He was crowned discus champion and set a stadium record at the 2013 state meet with a throw of 203-02. Tony plans to continue his career by throwing at The University of Notre Dame.
Girls Track

Track went by in a fast blur as the season turned out to be more thrilling than expected. The girls came together to triumph over goals they had set. They won the Columbiana County meet, something these seniors hadn’t done since their freshman year. The senior leaders included Reagan Barnett, Kristin Crean, Mallory Maher, Katie Matthews, Katharina Stiff, Lauren Stout, and Cara Tryband. Megan Lahwald, a junior, broke the long jump record when she soared 16’8” at county, three inches longer than the current holder Beth Jippley at 16’. Advancing from a grueling district meet was Cara Tryband who got first in the shot put with a throw of 40 feet 2 and a half inches. Tryband also got first in discus with a throw of 136 feet 8 inches and Alyssa Wright placed fourth with 113 feet 10 inches. Also, the girls’ 4x8 team which consisted of Anna Shivers, Mallory Maher, Olivia Stiff and Katharina Stiff; earned second place advancing to regionals with a season best of 1:00.67. Mallory Maher rose to the occasion placing fourth in the 2 mile with a time of 12:00.89. Also, the relay teams darted through the finish line placing third in the 4x1 and fourth in the 4x2 with the team of Hannah Taxier, Megan Lahwald, Marissa Swindall and Julia Dunson, the same line up to break the school record in the 4x1 regional preliminaries with a 51.32 seconds. In the regional meet, Mallory Maher placed 7th in the 3200 (12:26), and Cara Tryband qualified for the state meet finishing second in both discus (134-05) and shot (41-05), and at the state meet she threw the discus 124-11 for a 5th place and the shot 39-10.50 for 8th place.

Baseball
New coach ...new year ... new outlook. The boys began their season with the motto “Turn The Ship Around” and they did just that. Led by 8 seniors and Coach Martin, they improved their record to 9-17 and won their first tournament game beating the Ravenna Southeast Pirates 7-3. This was the first year the Quakers won a tournament game since 2005. The boys advanced to face the Poland Bulldogs where they lost 7-2. When asked what he would remember the most about the 2013 season, Senior Jake Carner said, “Coach Cravens’ ‘pardon my language’ speeches. They really got the team going!”

Softball
This was a tough season for the Lady Quakers. They had a record of 2-21, and lost their first tournament game to Lakeview 13-0, but against all odds they stayed together. Everything they did was for the team. This was a tight-knit group of girls on and off the field. Sadly, they lost their senior first-baseman Kaylin Wood to an ankle injury when she was running to second-base against Jackson Milton. There are high expectations for next season with 11 returning letter winners.

Swim

It was a remarkable year for the Saley Swim Team. Exchange student, Paco Lopez, set 3 school records. He destroyed the 50-yard freestyle, the 100-yard butterfly and the 100-yard breaststroke. Captain Emma Janofa finished 14th at the sectional tournament in the Individual Medley. Emma finished in the highest place for herself and the entire swim team. They had a total of five members swimming for the love of the sport and the thrill of competition.

Courageous
Tennis
The tennis team, led by new coach, Mr. Barth and seniors JW Linay and Jansen Pauwier, pulled through a rough year. They unfortunately could not get a win even with their strenuous work. As the seniors leave and new people take their place, the tennis team will be back in action to take on a new season with renewed spirit in 2014.
Cheerleading

The cheerleaders wear the red, black and white with pride. Whether they’re cheering under the Friday night lights or alongside the basketball court, they cheer their hearts out. The girls competed against other squads in the NBC Cheerleading Competition, as well as the Liberty High School competition. The girls practiced three to four times a week, while also attending gymnastics. Dedication and spirit is key. It just goes to show that win or lose, it's those who continue to cheer on our teams that make all the difference.
Quaker Crazies

The Crazies showed their dedication through every season. Rain, snow, sleet or hail the Crazies went out to support their teams. They went above and beyond, making opposing student sections quiver in fear. They even had a huge storm troopers theme game with over 250 watching students in the stands cheering the boys basketball team to victory against the Branch. With painted chests and deafening chants the Crazies were louder than ever and made their athletes and their community proud!

We Are...

Being an editor of the yearbook this year has been a great experience. The past two years have been a blast with everyone. I am thankful to have had such a hard-working staff behind us this year. I would like to thank them for being so helpful and wish them the best of luck with their 2014 book, which is already sounding great based on your ideas. I’m glad that I’ve had this opportunity and I will cherish the memories forever. (I will especially cherish the memories that I hate/love because of sitting next to Lindsay for two years.)

Reegan Barnett

Well, we made the book! If you have taken longer than normal, and we may have had a few fights, but we came through with an amazing job in the end! I’m so proud to say that I have been a part of this fantastic staff for two years. I will miss everyone and all of the great memories that I’ll leave behind. To the editors next year, I wish you the best of luck! Being a yard is a special privilege that only a few can handle, so to all of you new yarders have a blast! Always remember that this is for fun, and no matter what never take things too seriously.

Mallory Walker

It has been an honor to serve as an editor for the yearbook. WE GOT IT DONE! I have learned so much from this class good and bad. I have gained so much experience with working in a group to having to make decisions that will carry through the rest of my life. This book couldn’t have been accomplished without the help from the staff and Mrs. Parks. I hope that they realize that they have done a great job and am pleased with the results. I wish the editors of 2014 good luck and I will cherish these memories forever!

Lindsay Bard

Being an editor of the yearbook this year has been a great experience. My favorite memories were all of the ones that took place with Carson. She’s my favorite. I learned a lot of leadership skills and they will definitely benefit me in the future. I would like to wish the best of luck to our staff on creating their book next year! Have a great senior year and have fun, because time flies and you don’t want to miss a thing.

Taylor Neely

Yearbook has taught me a lot of things that will help me better understand and solve life situations. It has taught me to always listen and empathize with other people’s points of view. With that, you will never fail. Enjoy creating your high school story, it only comes once. Take many shots of the memories and cherish them. Good luck to the future editors and staff, its been a dream.

Jansen,

Senior year is a year of letting go, when parenthood becomes a complicated mixture of pushing you forward and holding you back. Everyday I cry a few tears as we get used to the idea of your moving on from our home. But at the same time, we are so excited for you to go on to the next phase of your life. You are the son that every parent dreams of having. We thank God for you each day and are so proud of the young man you have become. Be true to yourself and hold fast to your dreams. NEVER doubt your true potential. Remember that we love you...always have...always will.

Love,
Mom and Dad.
Taylor,
You have always been very special since the day you were born. It has been a joy watching you grow into a beautiful young lady. It seems like just yesterday that we were building sand castles at Rehoboth Beach! Be true to yourself and make sure that you leave the world a little bit better than you found it. Congratulations on your Senior year and remember that we love you very much and wish you all the happiness in the world as you truly deserve it.

Love,
Dad, Mom, and Brittany

Sarah,
I have watched you grow from my precious little girl to a woman of beauty, ready to face the world. I am so proud of you Sarah. Especially your faith in God and what he has done in your life. I pray you will go from here to an awesome future full of happiness. Good luck in Cosmetology School. With the Lord as your guide you will succeed!

Love,
Mamma, Jay and Ryan

Chris,
You have been the light of my life since the day you were born. Words cannot express how proud of the Godly young man you have become!
I love you,
Mom

We love you,
Mom and Chris

Lindsay,

Time goes so fast. I can’t believe my little girl is graduating and heading into college. I’m so proud of your accomplishments and how you have progressed through school. Always set goals for yourself and know I’m always here for you.
