The 1996-97 pep club was very busy this year from decorating the stadium to decorating Pizza Hut for Halloween. With all their busy activities, they still had time to decorate the halls with posters and streamers, plan for pep rallies, and sponsor the sweetheart dance. This year's officers were President Maria Nicotera, Vice President Melissa Stewart, Secretary Regan Hendricks, and Treasurer Sam Hovanic. Thanks a lot to all pep club members for all of their hard work and dedication.
